Ask of the Board Ratification by the Board of Education of a Memorandum of Understanding (MOU) by and between the District and Dream Youth Clinic, Oakland, CA, for the latter to serve as a Work Training Partner for the Exploring College, Career, and Community Options (ECCCO) Program. This MOU outlines key areas, including Incident/Accident/Mandated Reporting, adherence to Federal, State, and Local Laws and Regulations, Legal Notifications, Indemnification, and Insurance provisions, via the High School Linked Learning Office, for the period of May 28, 2026 to May 27, 2029, at no cost to the District.

Background The ECCCO Internship Program presents students from diverse backgrounds with an invaluable opportunity to gain real-world experience through internships during the summer months. Participants intern for 4 to 5 days a week, while also attending seminars on Fridays designed to enhance essential college and career readiness skills. The High School Linked Learning Office collaborates with various OUSD departments, programs, and local businesses to offer students meaningful hands-on learning experiences. OUSD staff members serve as ECCCO Advisors, providing continuous support and monitoring progress throughout the program. The experience culminates in a Demonstration of Mastery, where students showcase the skills and knowledge they have acquired.

Discussion The ECCCO Internship Program Memorandum of Understanding demonstrates compliance with current incident and accident reporting requirements, as well as adherence to federal, state, and local laws and regulations. It also addresses legal notices, indemnification, and insurance requirements. This MOU remains in effect for three years, unless terminated as stipulated in the MOU.

Fiscal Impact All participating work training partners are participating at no cost.
