On-Track to Graduation

Ensuring students meet all requirements for success.

Our Vision

All students will graduate from OUSD college, career, and community-ready.

Long-Term Metrics of Success:

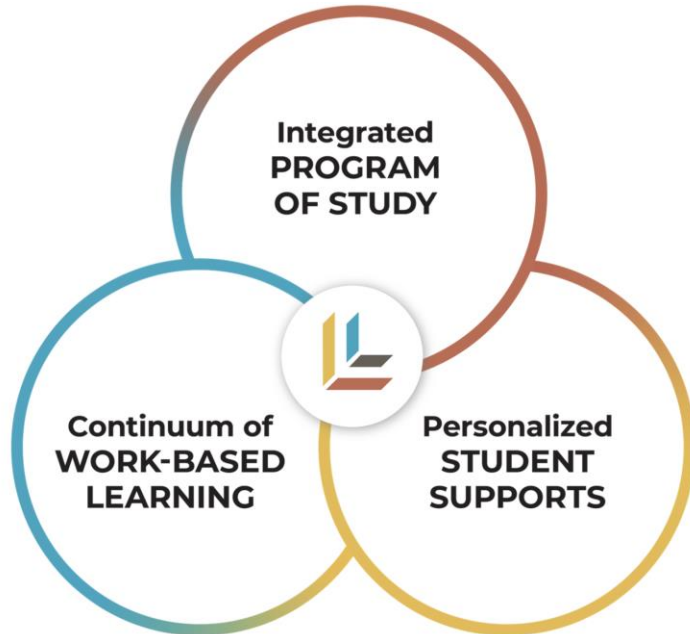

- 4-year cohort graduation rate
- Dropout Rate
- A-G completion Rate
- [California College/Career Indicator](#)

High School Linked Learning Office programs are designed to support students' development of the Graduate Profile Competencies and support students to meet the key indicators of success listed above.

Our Mission

Provide students access to learning experiences inside and outside the classroom that support them in developing the competencies necessary to thrive after graduation through the implementation of robust **Linked Learning Pathways**.

Within the domains of **Linked Learning**, specialized programs are embedded within the **Personalized Student Supports** domain:

- Dual Enrollment
- Concurrent Enrollment
- Credit Recovery

These programs ensure students remain or get back on track for graduation, and in many cases, experience **Integrated** and **Work-Based Learning**.

Dual Enrollment

Dual Enrollment: Key Features

“DE exposed me to college - office hours, midterms, & final exams. DE provided an easier transition from high school to college”

The OUSD Dual Enrollment (DE) Program offers free Peralta College courses to interested students at participating OUSD High Schools.

- ✓ CCAP; underrepresented students
- ✓ 9th–12th graders (up to 15 units/sem)
- ✓ At the high school, during school day
- ✓ Mostly college faculty (4 colleges) who go to the HS
- ✓ Earn high school + college credit
- ✓ GPA boost for C or higher
- ✓ Explore majors & career pathways
- ✓ Build college & career skills
- ✓ UC/CSU transferable or CC Certificate aligned

CCAP Agreement

California's College and Career Access Pathways (CCAP) legislation, primarily established by **AB 288 (2015)** and extended by subsequent bills, authorizes California community colleges and high schools to form partnerships to create seamless, low-barrier dual enrollment opportunities. These partnerships offer college courses on high school campuses, specifically aiming to improve college readiness and increase access for underrepresented students...

OUSD & Peralta Dual Enrollment CCAP Agreements:

- Passed **Pilot MOU August 2015**
- Passed **MOU December 2016** (Jan 2017 - June 2019)
- Passed **CCAP June 2019** (July 1, 2019 - June 30, 2020)
 - Amendment #1 (June 2020)
 - Amendment #2 (June 2021)
 - Amendment #3 (June 2022)
- Passed **CCAP #2 June 2023** (July 1, 2023 - June 30, 2026)
 - Pending Amendment #1 (CCAP #2) this June 2026

Concurrent Enrollment

Concurrent Enrollment (CE) Overview

General Enrollment

- Students enroll in community college (CC) and OUSD.
- Course fees waived.
- Unit limits: 11/term (school year), 9/term (summer).

Course Selection & Guidance

- Courses selected by student, approved by HS counselor.
- Self-managed and self-directed
- OUSD CE Guide: tinyurl.com/OUSDCEGuide

CE Exclusions

Courses not eligible for CE:

- Credit recovery & basic skills
- Recreation
- Courses available at HS

Limitations

- No priority enrollment or waitlisting
- High competition for seats
- Student responsible for all materials, books, and transport

Why students might take CE?

On Track to Graduation

How OUSD Calculates On-Track Rates

- Dashboard: OUSDData.org
- GPA: must meet 2.0
- Based on the number of credits in required subject areas expected at the end of each semester in alignment with A-G requirements
- *Does not include continuation schools (Bunche, Dewey, Rudsdale) because these sites have different graduation requirements (190 credits).*

- **After School:** SJT & Dewey
- **Online Academic Recovery (all grades) & Summer HAcK (focus on 9th/10th):** All High Schools
- **CCSF Pilot:** Oakland High

Summer Academic Recovery

Target: 11th and 12th Grade

Focused intervention during the summer months to ensure students in their final years meet graduation requirements and stay on track.

Site-Based Initiatives

Target: All grades

Online Credit Recovery: Edgenuity and Edmentum platforms for flexible, self-paced learning.

Grade Boost: Opportunities for students to improve existing grades and demonstrate mastery of content.

9th Grade On-Track: Initiatives with CORE Breakthrough Success Community to build a strong foundation in 9th grade.

A score of 3 on an AP Exam is generally considered a passing score and may qualify a student for college credit, course placement, or both at many U.S. colleges and universities.

The College Board defines a score of 3 as “qualified,” meaning the student has demonstrated a solid understanding of the course content.

Data Summary

- Attendance outcomes declined significantly in 2022–2023, with satisfactory attendance at 4.7% and chronic absenteeism at 64.7%.
- Since 2023–2024, attendance trends have steadily improved each year.
- Satisfactory attendance increased to 42.7%, while chronic absenteeism decreased to 33.5% by 2025–2026.
- Overall data reflects sustained progress in improving student attendance and reducing chronic absenteeism.

Appendix: Dual Enrollment

Dual Enrollment

The **OUSD Dual Enrollment Program** aims to:

Provide equitable access to free college courses—offered during the school day and on high school campuses—for students who may not already be college-bound or are underrepresented in higher education.

Our goal is to give students the opportunity to "try college" in a way that is welcoming, supportive, and develops skills and confidence in students where they begin to envision themselves as college and career ready.

- A "truly" linked learning experience
- **Address Bay Area workforce needs**
- Certificates in DE linked to priority jobs
- Industry, WBL integrated within DE
- Strong Workforce, Golden State Pathways

Why Dual Enrollment?

✓ **Build on high school**

- ❑ Content not offered at HS
- ❑ College-level Pathway course
- ❑ Students can explore majors & double major

✓ **Data shows success**

- ❑ 11-yr Pass rate average 83%
- ❑ Students have higher chance of graduating HS
- ❑ Going to college (20% higher for DE takers)

✓ **Practice college & career skills**

- ❑ 1st gen students get support from HS to de-code college
- ❑ College skills are transferable to career success

✓ **College competitiveness**

- ❑ Boost competitiveness for 4 year colleges
- ❑ GPA bump

✓ **College degree completion**

- ❑ Accelerated strategy to college degree completion
- ❑ AA/AS & Certificates while in HS

Dual Enrollment: Highlights

- ✓ **9,077+** OUSD students have taken 1+ DE course(s)
- ✓ **46%** of OUSD seniors graduate taking 1+ DE course(s)
- ✓ **23%** more likely to enroll in postsecondary than non-DE takers
- ✓ **83%** average pass DE with a C or higher
- ✓ **986+** DE college courses, taught by 160+ Peralta instructors, to 15 high schools
- ✓ More students earn college credit from DE than AP
