Meeting Date June 3, 2026

Subject Public Hearing - 2026-27 Proposed Adopted Budget

Ask of the Board Conduct a Public Hearing and Receive for information and review, the working draft of the 2026-27 Proposed Budget and the Reserve Level Requirements for the 2026-27 Adopted Budget.

Background Annually, the District must adopt a budget for all funds by June 30th for the ensuing fiscal year. Prior to adoption of the budget, which is scheduled for June 24, 2026, the Governing Board must conduct a Public Hearing. Education Code §42103 requires the District to display the Proposed Budget for public view and hold a Public Hearing prior to adoption. The Public Hearing is scheduled for June 3, 2026. Additionally, The Proposed Budget includes a review of reserves in compliance with Education Code §42127(a)(2)(B). The 2026-27 Budget is developed for all funds and establishes expenditure authority for the district in the ensuing year.

The District has completed the SB 858 Reserve Level Disclosure Requirements for the 2026-27 Adopted Budget and included the form noting the minimum reserve requirements, amount exceeding the reserve. As the District has recently completed a Multi-Year projection for Third Interim, this report has been used to provide the responses accordingly. The District's deficit and use of the Fund balance prevent it from having excess reserves.

The District began its FY 2026-27 budget development process in Fall 2025, deliberately earlier than in prior years to allow time not only to forecast the coming year but to make the structural adjustments and realignment of investments necessary to support long-term financial sustainability. The process was grounded in a discipline of transparency and shared accountability. Each school site received

a budget one-pager outlining its projected revenue, staffing allocations, and key spending decisions, giving principals, site leaders, and school communities a clear, common view of the resources available and the choices being made. Central office departments engaged in a parallel process, identifying reductions, reprioritizing investments, and aligning spending with the District's most essential functions. Site- and department-level reduction decisions were not made in isolation; they were informed by enrollment projections, multi-year cost trends, and the District's overall fiscal position, and they were brought forward through a structured review cycle to ensure consistency with Board direction.

In parallel, the District began implementing the strategies adopted in the Fiscal Stabilization Implementation Plan, using them to further shape the budget as it took form. Those strategies included strengthened position control to ensure that budgeted positions matched actual staffing, accurate charging of allowable costs to the resources legally responsible for them, the disciplined capture of available state and federal revenue, and the implementation of the Board-directed reduction in force and early retirement incentive. Each strategy was tracked against measurable benchmarks. Together, the budget development process and the implementation of the Fiscal Stabilization Implementation Plan produced a budget that is transparent, aligned to enrollment and instructional priorities, and honest about the structural choices required to sustain the District's financial health over the multi-year window.

The District will continue to complete the final review, reconciliation, and preparation of all required reports to include any amendments to the budget as a result of the public hearing. Fund 01 is currently projected to expend \$877,186,201, with the noted caveats of edits in progress.

Recommendation It is recommended that the Governing Board receive for information and review, the working draft of the 2026-27 Proposed Budget in conjunction with the required Public Hearing on June 3, 2026. The District will present the 2026-27 budget for adoption on June 25, 2026.

Please provide below or on a separate attachment, the assumptions used to determine the projections for the first and second subsequent fiscal years. Further, please include an explanation for any significant expenditure adjustments projected in lines B1d, B2d, and B10. For additional information, please refer to the Budget Assumptions section of the SACS Financial Reporting Software User Guide.						
For FY 2026-27, the adjustment of \$25m is the Board Budget Balancing Solution that is planned for FY27. This projection has not fully implemented the LCFE super cola of 4.31% so a remaining 1.44% will increase future revenue. Also not fully implemented is the Governor's \$900/ADA Discretionary Block Grant, only \$750/ADA has been budget, this remaining \$150/ADA will also increase future revenue and thus will reduce the budget balancing solutions. The district continue compliantly spend down restricted grants and funding sources.

2026-27 DRAFT Proposed Budget

Board of Education Meeting, June 3, 2026
2026-27 Proposed Budget Public Hearing

Purpose

Annually, the District must adopt a budget for all funds by June 30th for the ensuing fiscal year. Prior to adoption of the budget, which is scheduled for June 24, 2026, the Governing Board must conduct a Public Hearing. Education Code §42103 requires the District to display the Proposed Budget for public view and hold a Public Hearing prior to adoption. The Public Hearing is scheduled for June 3, 2026. Additionally, The Proposed Budget will include a review of reserves in compliance with Education Code §42127(a)(2)(B). The 2026-27 Budget is developed for all funds and establishes expenditure authority for the district in the ensuing year.

Overview of District Budget Reconciliation

The District is completing the reconciliation of all funds, which includes evaluating and implementing the remaining adjustments from the Fiscal Stabilization Implementation Plan. Reconciliation brings the budget into alignment with the most current information available across several dimensions:

- posting all site- and department-level budget adjustments developed during the budget development process;
- updating Local Control Funding Formula (LCFF) revenue based on enrollment and average daily attendance trends;
- incorporating revised state revenue assumptions reflected in the Governor's May Revision;

Overview of District Budget Reconciliation, continued...

- reconciling position control to actual staffing so that budgeted positions match filled positions;
- reflecting the fiscal impact of the tentative agreements with the OEA and SEIU TA's;
- and reconciling encumbrances, contributions, and inter-fund transfers across the General Fund and ancillary funds.

Together, these adjustments produce a budget that reflects the District's true fiscal position heading into year-end close and the adoption of the FY 2026-27 budget.
