---

**Ask of the Board** Approval by the Board of Education of a Memorandum of Understanding (MOU) with the California Community Colleges Chancellor's Office (CCCCO) to fulfill data reporting obligations set forth in the Strong Workforce Program (SWP) legislation.

**Background** Oakland Unified School District is the recipient of multiple K12 Strong Workforce Program (SWP) grants for the 2026-27 and 2027-28 school years. The SWP legislation requires awarded local education agencies to maintain a Memorandum of Understanding with the California Community Colleges Chancellor's Office to ensure data reporting. The California Community Colleges Chancellor's Office collects, maintains, and reports data to facilitate program coordination and alignment with other workforce training, education, and employment services. The CCCCCO collects data as a Contractor of the local education agencies relating to the SWP to advance the objectives of the SWP, including, without limitation, supporting collaboration across education systems and supporting the development and implementation of high-quality, equity-driven K-14 career technical education course sequences, programs, and pathways. This MOU will remain in effect while Oakland Unified School District remains a grantee under the K12 SWP.

**Discussion** The state allocates funds to the California Community College Chancellor's Office (CCCCO) to administer the Request for Applications (RFA) and related awards to local education agencies for the K12 Strong Workforce Program (SWP). Oakland Unified School District has been awarded K12 SWP funds in seven of the eight rounds to date, enabling improvements in career technical education, dual enrollment, work-based learning, and college access support.

**Fiscal Impact** The K12 Strong Workforce Program Data Sharing Memorandum of Understanding is a no-cost agreement.
