   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

(ii) Supervisory, inspection, or engineering services.
(3) When a lessor of leased equipment becomes an insured under this Coverage Part, the following additional exclusions apply:
(a) To any "occurrence" which takes place after the equipment lease expires; or
(b) To "bodily injury" or "property damage" arising out of the sole negligence of the lessor.
(4) When owners or other interests from whom land has been leased become an insured under this Coverage Part, the following additional exclusions apply:
(a) Any "occurrence" which takes place after you cease to lease that land; or

(2) This provision does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

(3) This provision does not apply to any vendor included as an insured by an endorsement issued by us and made a part of this Coverage Part.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

(ii) Supervisory, inspection, or engineering services.
(3) When a lessor of leased equipment becomes an insured under this Coverage Part, the following additional exclusions apply:
(a) To any "occurrence" which takes place after the equipment lease expires; or
(b) To "bodily injury" or "property damage" arising out of the sole negligence of the lessor.
(4) When owners or other interests from whom land has been leased become an insured under this Coverage Part, the following additional exclusions apply:

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

"Personal Injury" also means discrimination based on race, color, religion, sex, age or national origin, except when:

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

(ii) Supervisory, inspection, or engineering services.
(3) When a lessor of leased equipment becomes an insured under this Coverage Part, the following additional exclusions apply:
(a) To any "occurrence" which takes place after the equipment lease expires; or

(4) When owners or other interests from whom land has been leased become an insured under this Coverage Part, the following additional exclusions apply:
(a) Any "occurrence" which takes place after you cease to lease that land; or
(b) Structural alterations, new construction or demolition operations performed by or on behalf of the owners or other interests from whom land has been leased.

g. Broad Form Vendors - Any person or organization with whom you agreed, because of a written contract or agreement to provide insurance, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

f. **By Contract, Agreement or Permit** - Any person or organization with whom you agreed, because of a written contract or agreement or permit, to provide insurance such as is afforded under this policy, but only with respect to your operations, "your work" or facilities owned or used by you.

(1) This provision does not apply:
(a) Unless the written contract or agreement has been executed or permit has been issued prior to the "bodily injury," "property damage," "personal and advertising injury":
(b) To any person or organization included as an insured under g. Broad Form Vendors below; or
(c) To any person or organization included as an insured by an endorsement issued by us and made a part of this Coverage Part.
(2) When an engineer, architect or surveyor becomes an insured under this Coverage Part, the following additional exclusion applies:
(a) "Bodily injury", "property damage", "personal and advertising injury" arising out of the rendering of or the failure to render any professional services by or for you, including:
(i) The preparing, approving, or failing to approve maps, drawings, opinions, reports, surveys, change orders, designs or specifications; and
(ii) Supervisory, inspection, or engineering services.
(3) When a lessor of leased equipment becomes an insured under this Coverage Part, the following additional exclusions apply:
(a) To any "occurrence" which takes place after the equipment lease expires; or
(b) To "bodily injury" or "property damage" arising out of the sole negligence of the lessor.
(4) When owners or other interests from whom land has been leased become an insured under this Coverage Part, the following additional exclusions apply:
(a) Any "occurrence" which takes place after you cease to lease that land; or
(b) Structural alterations, new construction or demolition operations performed by or on behalf of the owners or other interests from whom land has been leased.

g. Broad Form Vendors - Any person or organization with whom you agreed, because of a written contract or agreement to provide insurance, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions.

(1) The insurance afforded the vendor does not apply to:
(a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
(b) Any express warranty unauthorized by you;
(c) Any physical or chemical change in the product made intentionally by the vendor;
(d) Repackaging, unless unpacked solely for the purpose of inspection, demonstration, testing or substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with sale of the product;

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor.

(2) This provision does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

(3) This provision does not apply to any vendor included as an insured by an endorsement issued by us and made a part of this Coverage Part.

(4) This provision does not apply if "bodily injury" or "property damage" included within the "products-completed operations hazard" is excluded either by the provisions of the Coverage Part or by endorsement.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

Broad Form Vendors - Any person or organization with whom you agreed, because of a written contract or agreement to provide insurance, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions.

(1) The insurance afforded the vendor does not apply to:
(a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
(b) Any express warranty unauthorized by you;
(c) Any physical or chemical change in the product made intentionally by the vendor;
(d) Repackaging, unless unpacked solely for the purpose of inspection, demonstration, testing or substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with sale of the product;

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor.

(2) This provision does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

(3) This provision does not apply to any vendor included as an insured by an endorsement issued by us and made a part of this Coverage Part.

(4) This provision does not apply if "bodily injury" or "property damage" included within the "products-completed operations hazard" is excluded either by the provisions of the Coverage Part or by endorsement.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

"Personal Injury" also means discrimination based on race, color, religion, sex, age or national origin, except when:

a. Done intentionally by or at the direction of, or with the knowledge or consent of:
   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with sale of the product;

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor.

(2) This provision does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

(3) This provision does not apply to any vendor included as an insured by an endorsement issued by us and made a part of this Coverage Part.

(4) This provision does not apply if "bodily injury" or "property damage" included within the "products-completed operations hazard" is excluded either by the provisions of the Coverage Part or by endorsement.

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or
c. Directly or indirectly related to the sale, rental, lease or sublease or prospective sales, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured; or
d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

   "Medical incident" does not include any actual, alleged or threatened emotional, physical, or sexual abuse of any patient or professional medical services recipient.

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

1. The requirement in Paragraph **2.a.** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we are notified as soon as practicable of an "occurrence" or an offense, applies only when the "occurrence" or offense is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

2. **SECTION V – DEFINITIONS, 13.** is deleted and replaced by the following:

   "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions, and "medical incident".

3. The following definition is added to **SECTION V – DEFINITIONS**:

   "Medical Incident" means any act or omission in the furnishing or failure to furnish professional medical services by the insured or any person acting under the personal direction, control, or supervision of the insured. Any such act or omission together with all related acts or omissions in the furnishing of such services to any one person shall be considered one "medical incident".

H. Per Campus – General Aggregate

SECTION III – LIMITS OF INSURANCE is amended to include the following provisions:

1. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which can be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. A separate Per Campus General Aggregate Limit is applicable to each single designated "campus" shown in the Declarations and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

   b. The Per Campus General Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard," and for medical expenses under **COVERAGE C** regardless of the number of:

      (1) Insureds;

      (2) Claims made or "suits" brought; or

      (3) Persons or organizations making claims or bringing "suits."

   c. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Per Campus General Aggregate Limit for that designated "campus." Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Per Campus General Aggregate Limit for any other designated "campus" shown in the Declarations.

   d. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Per Campus General Aggregate Limit.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABIITY**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE**, **COVERAGE C MEDICAL PAYMENTS** which cannot be attributed only to operations at a single designated "campus" shown in the Declarations:

   a. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and

   b. Such payments shall not reduce any separate designated "campus" General Aggregate Limit.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payment for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Per Campus General Aggregate Limit.

4. **SECTION V – DEFINITIONS** is amended by adding the following:

   "Campus" is defined as premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

5. The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by the above shall continue to apply as stipulated.

I. Duties in the Event of Occurrence, Claim or Suit

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

2. The requirement in Paragraph **2.b.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** that you must see to it that we receive notice of a claim or "suit" as soon as practicable will not be considered breached unless the breach occurs after such claim or "suit" is known to:

   a. You, if you are an individual;
   b. A partner, if you are a partnership; or
   c. An executive officer or insurance manager, if you are a corporation.

J. Other Insurance – Primary Additional Insured

1. If the written contract or agreement or permit requires this insurance to be primary for any person or organization with whom you agree to include in **SECTION II** - **WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection 4**. Other Insurance** is replaced by the following:

   If other valid and collectible insurance is available for a loss we cover under **COVERAGE A** of this Coverage Part, our obligations are limited as follows:

   a. Primary Insurance - This insurance is primary. We will not seek contributions from other

insurance available to the person or organization with whom you agree to include in **SECTION II - WHO IS AN INSURED**, except when 2. below applies.

b. Excess Insurance -This insurance is excess over any of the other insurance whether primary, excess, contingent or any other basis:

(1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
(2) That is Fire, lightning or explosion insurance for premises rented to you; or temporarily occupied by you with permission of the owner; or
(3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **g.**

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
(2) The total of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing - If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any or the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's contribution is based on the ratio of its applicable limits of insurance of all insurers.

2. This provision only applies with respect to your operations, "your work" or facilities owned or used by you.

K. Other Insurance – You Are An Additional Insured On Another Person's Or Organization's Policy

If you are an insured under **SECTION II - WHO IS AN INSURED**, then **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **4. OTHER INSURANCE**, Paragraph **b. Excess Insurance** is replaced by the following:

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

1. That is Fire, Extended Coverage, Builders Risk, Installation Risk or similar coverage for "your work";
2. That is Fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

3. If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I – COVERAGE, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection 2. **Exclusions**, Paragraph **g**.; or
4. When any of the Named Insureds, under this Coverage Part, are additional insureds under a commercial general liability policy or similar insurance of another party.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insureds.

When this insurance is excess or other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

L. Unintentional Failure To Disclose Hazards

It is agreed that, based on our reliance on your representations as to existing hazards, if you should unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

M. Liberalization

If we revise this endorsement to provide more coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

N. Bodily Injury - Mental Anguish

SECTION V – DEFINITIONS, Paragraph **3.** is changed to read:

"Bodily Injury":

a. Means bodily injury, sickness or disease sustained by a person, and includes mental anguish resulting from any of these; and
b. Except for mental anguish, includes death resulting from the foregoing (item a. above) at any time.

O. Personal and Advertising Injury – Abuse of Process, Discrimination

If **COVERAGE B PERSONAL AND ADVERTISING INJURY LIABILITY COVERAGE** is not otherwise excluded from this Coverage Part, the definition of "personal and advertising injury" is amended as follows:

1. **SECTION V – DEFINITIONS**, Paragraph **14. b.** is revised to read:
   b. Malicious prosecution or abuse of process:

2. **SECTION V – DEFINITIONS**, Paragraph **14.** is amended to include the following:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

   (1) Any insured; or
   (2) Any executive officer, director, stockholder, partner or member of the insured; or
b. Directly or indirectly related to the employment, former or prospective employment, termination of employment, or application for employment of any person or persons by an insured; or

d. Insurance for such discrimination is prohibited by or held in violation of law, public policy, legislation, court decision or administrative ruling.

The above does not apply to fines or penalties imposed because of discrimination.

P. Transfer of Rights of Recovery Against Others To Us

As a clarification, the following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Subsection **8. Transfer of Rights of Recovery Against Others To Us**:

Therefore, the insured can waive the insurer's Rights of Recovery prior to the occurrence of a loss, provided the waiver is made in a written contract.

Q. Science Laboratory "Occurrence"

SECTION I – COVERAGE, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Subsection **2. Exclusions**, Paragraph **f.** does not apply to any "bodily injury" or "physical damage" arising out of a fire or "occurrence" in any of your science laboratories while teaching is being conducted in that laboratory, subject to a $50,000 per policy limit.

R. Medical Incident Liability-Nurse and Athletic Trainer

1. **SECTION II – WHO IS AN INSURED, Subparagraph 2.a. (1) (d)** is deleted and replaced by the following:

   (d) Arising out of his or her providing or failing to provide professional medical services. This paragraph does not apply to a registered or practical nurse or athletic trainer, while acting within the scope of his or her duties for the Named Insured and arising out of a "medical incident".

Introduction

Aspire Public Schools ("Aspire"), a non-profit public benefit corporation, was formed to manage, guide, direct, and promote charter schools that provide quality education to youth in primary and secondary grades. Aspire has developed this Fiscal Control Policies and Procedures document to provide the organization with a summary of its fiscal control policies and procedures.

Management may amend this guide as needed. The Board of Directors will review and approve the guide at least annually.

Purpose

The policies and procedures within this guide are designed to safeguard Aspire's assets, implement management's internal finance and accounting policies, facilitate compliance with applicable laws and regulations, and produce timely and accurate financial information in the furtherance of its mission. Aspire's Board and employees shall follow the policies and procedures prescribed herein.

Internal Control Policies

Internal control policies provide Aspire with the foundation to properly safeguard its assets, implement management's internal policies, provide compliance with state and federal laws and regulations, and produce timely and accurate financial information. Additionally, as a publicly supported entity, Aspire Public Schools has additional responsibilities to ensure the public's confidence and the integrity of our schools' activities.

Aspire has a centralized finance and accounting department in the Home Office to ensure the integrity of finances, to create appropriate control mechanisms, and to provide a basis for sound financial decision-making. The finance and accounting department prescribes and oversees specific school-site finance and accounting related activities. The finance and accounting functions are overseen by the Chief Financial Officer. In addition, Aspire has an internal audit function, overseen by the Director of Operations, to monitor and review school site specific finance and operating activities to ensure a feedback loop on the effectiveness of controls in addition to the annual external audit performed by Gilbert Associates, Inc.

I. Compliance with Laws

Aspire Public Schools will follow all the relevant laws and regulations that govern Charter Schools within California. Additionally, any Federal Government laws and regulations that relate to grant funding will be adopted as the grant funding is received.

The following are specific policies of Aspire:

A. POLITICAL CONTRIBUTIONS

No funds or assets of Aspire may be contributed to any political party or organization or to any individual who either holds public office or is a candidate for public office. The direct or indirect use of any funds or other assets of Aspire for political contributions in any form, whether in cash or other property, services, or the use of facilities, is strictly prohibited. Aspire also cannot be involved with any committee or other organization that raises funds for political purposes.

Following are examples of prohibited activities

1. Political contributions by an employee that are reimbursed through expense accounts or in other ways.

2. Purchase by the Organization of tickets for political fundraising events.

3. Contributions in kind, such as lending employees to political parties or using Aspires' assets in political campaigns.

B. RECORD KEEPING

To provide an accurate and auditable record of all financial transactions, Aspires' books, records, and accounts are maintained in conformity with generally accepted accounting principles. Further, Aspire specifically requires that:

1. No funds or accounts may be established or maintained for purposes that are not fully and accurately described within the books and records of Aspire.
2. Receipts and disbursements must be fully and accurately described in the books and records.

3. No false entries may be made on the books or records nor any false or misleading reports issued.

Payments may be made only to the contracting party and only for the actual services rendered or products delivered. No false or fictitious invoices may be paid.

II. Conflict of Interest Policy

A. PURPOSE

The purpose of this Conflict of Interest Policy ("Policy") is to protect Aspire Public Schools' ("Charter School") interests when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer, director, or employee of the Charter School. This Policy is intended to supplement, but not replace, (i) any applicable state and federal laws governing conflicts of interest applicable to California public charter schools; and (ii) the Charter School's Conflict of Interest Code, adopted pursuant to the California Political Reform Act (Government Code Section 81000 *et seq.*), including the appendices attached thereto. In the event of any inconsistency between this Policy and applicable law, the more stringent requirements shall govern.

1. DESIGNATED EMPLOYEES

Members of the Board of Directors ("Board"), and employees of the Charter School who hold positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, shall be "designated employees" listed in the Charter School's Conflict of Interest Code.

2. DISQUALIFICATION

No designated employee shall make, participate in making, or in any way attempt to use his/her official position to influence any Charter School decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family.

3. MANNER OF DISCLOSURE OF DISQUALIFYING INTEREST

a) Non-Board Member Designated Employees

When a non-Board member designated employee determines that he/she should not make a decision because of a disqualifying interest, he/she should submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Charter School General Counsel who shall record the employee's disqualification. If the Chief Executive Officer has a disqualifying interest, this determination and disclosure shall be made in writing to the Chair of the Board and the General Counsel.

b) Board Members

Board members shall disclose a disqualifying interest at the meeting during which consideration of the decision takes place. After disclosure of the disqualifying interest and all material facts, he/she shall leave the Board meeting while the determination of a conflict of interest only is discussed and voted upon. The remaining Board members shall decide if a conflict of interest exists.

This disclosure shall be made part of the Board's meeting minutes. The Board meeting minutes shall include the names of the persons who disclosed or otherwise were found to have a disqualifying interest in connection with an actual or possible conflict of interest, the nature of the disqualifying interest, any action taken to determine whether a conflict of interest was present, and the Board's decision as to whether a conflict of interest in fact existed.

4. PROCEDURES FOR ADDRESSING A OF DISQUALIFYING INTEREST

If a conflict of interest exists that involves a "governmental decision" under the Political Reform Act, the individual shall refrain from participating in the decision in any way (i.e. the individual with the disqualifying interest shall refrain from discussing the matter, making any decision on the matter, or influencing or attempting to influence the decision on the matter in any way). A Board member with a disqualifying interest shall not be counted toward achieving a quorum for the decision on the matter.

In addition, if a Board member has a conflict of interest that involves a contract under Government Code Section 1090, the Charter School is prohibited from entering into the contract altogether, unless a "remote interest" exception under Section 1091 applies or a "non-interest" exception under Section 1091.5 applies. If an employee has a conflict of interest that involves a contract under Section 1090, as long as the employee plays no role whatsoever in the contracting process, the Charter School is not prohibited from entering into the contract. An employee shall not be deemed to have a conflict of interest in a contract if a "non-interest" exception under Section 1091.5 applies.

In addition, if a conflict of interest exists that involves a "self-dealing transaction" under California Corporations Code Section 5233, after exercising due diligence, the Board shall determine whether the Charter School can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonably attainable without producing a conflict of interest, the Board shall determine by a majority vote of the disinterested members whether the transaction or arrangement is in the Charter School's best interest, is for the Charter School's own benefit, and is fair and reasonable to the Charter School. In conformity with the above determination, the Board shall make its decision as to whether to enter into the transaction or arrangement. Notwithstanding the foregoing, compliance with the any of the approval procedures set forth in Section 5233 regarding self-dealing transactions, and compliance with the Political Reform Act and Section 1090 as applicable, shall constitute compliance with this Policy.

III. Whistleblower Protection Policy

In keeping with the policy of maintaining the highest standards of conduct and ethics, Aspire Public Schools will investigate any suspected fraudulent or dishonest use or misuse of Aspire Public Schools' resources or property by employees, Board members, consultants, or volunteers.

Aspire is committed to promoting compliance with the laws, rules, and regulations that govern its business operations and encouraging its employees to report unlawful conduct. Below are the procedures by which employees may report complaints or concerns about any fraudulent, illegal or unethical conduct within the organization.

Employees are often the first to become aware of unethical behavior or business improprieties, but may not express their concerns for fear of retaliation. Aspire will not

tolerate harassment, retaliation or reprisals of any kind against any employee who has, in good faith, protested or raised a complaint about some policy or practice of the organization or any of its employees.

A. WE ENCOURAGE A SPEAK UP CULTURE

Choosing to speak up about workplace concerns helps builds a healthy, ethical and compliant company and is part of our culture. To promote that culture, Aspire encourages employees to speak up and raise questions and concerns promptly about any situation that may violate our Standard of Conduct, our Core Values or our policies. At Aspire, our people are our most valuable asset. It benefits all of us if we raise our concerns so Aspire may consider them carefully and address them properly.

Follow Aspire's Commitment to our Code and the Law.

Aspire is deeply committed to promoting a culture of ethical conduct and compliance with:

- our Code, Core Values and policies;
- the laws, rules and regulations that govern our business operations; and
- best practices in accounting, auditing and financial reporting matters.

We expect all of our employees, officers, directors and agents to follow this commitment in all aspects of their work.

B. RAISE GOOD FAITH QUESTIONS AND CONCERNS ABOUT CONDUCT THAT MAY VIOLATE OUR CODE

Consistent with our commitment to ethics, compliance and the law, we welcome your good faith questions and concerns about any conduct you believe may violate our Code, especially conduct that may be illegal, fraudulent, unethical, or retaliatory. For purposes of this policy, and because our Code captures standards of ethics and compliance at a broad level, references to our "Code" should be read to encompass all of our obligations to perform our jobs in a manner that is consistent with Aspire's policies and procedures, as well as applicable laws. We promote an environment that fosters honest, good faith communications about matters of conduct related to our business activities, whether that conduct occurs within Aspire, involves one of Aspire's contractors, suppliers, consultants, or clients, or involves any other party with a business relationship to Aspire.

Nothing in Aspire Public Schools' Employee Handbook prohibits an employee from reporting concerns to, filing a charge or complaint with, making lawful disclosures to, providing documents or other information to or participating in an investigation or hearing conducted by the Equal Employment Opportunity Commission ("EEOC") or any other federal, state or local agency charged with the enforcement of any laws.

Other parts of the Employee Handbook address the confidentiality of Aspire's trade secrets and other proprietary information. (See Section 3.11. of the Employee Handbook) You should note that in raising any questions or concerns you may have about potentially illegal conduct, pursuant to the 2016 Defend Trade Secrets Act (DTSA), no individual will be held criminally or civilly liable under federal or state trade secret law for disclosure of a trade secret (as defined in the Economic Espionage Act) that is: (A) made in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and made solely for the purpose of reporting or investigating a suspected violation of law; or, (B) made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal so that it is not made public. An individual who pursues a lawsuit for retaliation by an employer for reporting a suspected violation of the law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal, and does not disclose the trade secret, except as permitted by court order.

C. ASPIRE DOES NOT TOLERATE RETALIATION

Coming forward with questions or concerns may sometimes feel like a difficult decision, but Aspire is committed to fostering an environment that does not deter individuals from speaking up when they observe conduct that may violate our Code. For that reason, Aspire will not tolerate retaliation of any kind because an employee in good faith raises a question or concern about a violation or suspected violation of our Code, our policies, or the laws and regulations under which we do business, or because the employee participates in or cooperates with an investigation of such concerns.

Retaliation is any conduct that would reasonably dissuade an employee from raising, reporting or communicating about good faith concerns through our internal reporting channels or with any governmental authority (e.g., EEOC or Department of Labor), or from participating in or cooperating with an investigation or legal proceeding raising such concerns.

Retaliation may occur through conduct or written communication and may take many forms, including actual or implied threats, verbal or nonverbal behaviors, changes to the terms or conditions of employment, coercion, bullying, intimidation, or deliberate exclusionary behaviors.

The following are examples of potential retaliation Aspire prohibits:

- Adverse employment action affecting an employee's salary or compensation;
- Demotion, suspension, or termination of employment;
- Taking away opportunities for advancement;
- Excluding an employee from important meetings;
- Threatening an employee who has made a report;

- Directing an employee who has made a report not to report to outside regulators;
- Deliberately rude or hostile behaviors or speech; and
- Creating or allowing the creation of a work atmosphere that is hostile toward an employee who has reported a concern.

It is Aspire's policy to adhere to all applicable laws protecting our employees against unlawful retaliation or discrimination as a result of their raising good faith questions or concerns. If you are ever aware of an instance or threat of retaliation directed at you or another employee, please immediately report it.

D. HOW TO RAISE QUESTIONS AND CONCERNS

Employees can submit their good faith questions or concerns about conduct they believe may violate our Code, our policies, or the laws and regulations under which we do business to:

- their Supervisor or Manager;
- any Aspire leader;
- Human Resources;
- Legal; or
- General Counsel.

When an employee raises a concern, Aspire will maintain confidentiality to the fullest extent possible, consistent with applicable legal requirements and the need to conduct an adequate investigation or review.

When raising concerns, we ask that employees provide as much detailed information as possible, including the background and history of the concern, names, dates and places where possible, and the reasons why the situation is cause for concern. This is especially important for concerns raised anonymously, so that Aspire may conduct an appropriate review and if necessary, begin an investigation.

Please note as well that Aspire does not prohibit anyone from electing to report concerns to, make lawful disclosures to, provide documents or other information to or communicate with the Equal Employment Opportunity Commission ("EEOC") or any other federal, state or local agency about conduct believed to violate laws or regulations. Aspire also does not prohibit employees from participating in an investigation or proceeding conducted by one of these agencies.

E. WHAT ASPIRE WILL DO

Aspire is committed to reviewing all reported concerns, conducting proper, fair and thorough investigations tailored to the circumstances, and taking appropriate remedial and concluding steps as warranted. All action taken by Aspire in response to a concern will necessarily depend on the nature and severity of the concern. This may include initial inquiries and fact-gathering to decide whether an investigation is appropriate and, if so, the form and scope of the investigation. Note that an investigation into concerns raised is not an indication that they have either been confirmed or rejected. Aspire complies with the law in conducting investigations and expects that employees will cooperate with an investigation, except when voluntary compliance with an investigation is being requested. Aspire also expects that employees will provide truthful information when participating in an investigation.

Remember, all good faith concerns and reports raised under this policy will be taken seriously.

F. ADHERENCE TO THIS POLICY

Employees who believe that they have been subjected to any conduct that violates this policy may register a complaint using the procedures outlined above. Any employee who unlawfully discriminates or retaliates against another employee as a result of his or her protected actions as described in this policy may be subject to corrective action, up to and including termination of employment.

V. Authorized Approvers and Authorization Limits

A. DEFINITION OF OBLIGATIONS

Contractual and disbursement obligations include all oral and/or written commitments on Aspire Public Schools' behalf including contracts for goods or services, construction contracts for new or existing school sites and facilities, employment contracts, lease commitments, investments, purchase orders, vendor invoices and other similar obligations. Contractual and disbursement obligations also include traditional payment transactions such as checks, wire transfers, bank transfers, and payroll disbursements.

B. REVIEW AND DUE CARE

All contractual and disbursement obligations must be reviewed for budget impact, risks, legal considerations, optimal procurement practices, Aspire Public Schools internal control policies, and consistency with Aspire Public Schools Strategies and Priorities.

C. AUTHORIZED APPROVERS AND APPROVAL LIMITS (SEE CHART)

The tables below set out the limits of authority for Home Office employees, School Site employees and the Board of Directors:

Home Office Approval Matrix

Teammate Group	Threshold
Home Office Staff	No Approval
Managers and Directors without budget oversight	≤ $300
Special Education Program Specialists	≤ $1,000
Directors with budget oversight	≤ $3,000
Vice Presidents* and Senior Directors	≤ $10,000
Chief Officers	≤ $50,000
CEO and CFO	≤ $250,000

Board of Directors	> $250,000

* Vice Presidents include General Counsel and Chief of Staff

School Site/Regional Approval Matrix

Teammate Group	Threshold
Teachers and Other School Site Teammates who are not Supervisors	No Approval
Business Managers, Office Managers and Supervisors	≤ 500
Principals	≤ $3,000
Area Superintendents	≤ $10,000
Executive Directors	≤ $50,000
CEO and CFO	≤ $250,000
Board of Directors	> $250,000

Any purchase or authorization of service greater than $250,000 must be approved by the Board of Directors pursuant to the Bylaws. However, no further Board approvals for contractual or disbursement obligations are required if the Board has previously approved a specific budget within which the contractual or disbursement obligation is included. For example, if the Board approves a total project budget for $2,000,000, individual contracts above $250,000 related to the total project budget previously approved, do not need to go to the Board for further approval.

All leases, monthly benefit costs and similar recurring transactions that cost in excess of $120,000 annually should be reviewed and approved once annually by the Executive Committee of the Board or the entire Board.

D. APPROVAL PROCESS

Approvals may be structured as "up to" approvals. For example, the Board of Directors may approve of a known commitment in advance with a maximum amount approved. If the item is renegotiated for an amount greater than 10% of approved maximum amount, the request must be submitted again for approval.

E. REVIEW OF POLICY

The Board of Directors is to review this policy and the appropriate limits at least annually.

VI. Segregation of Duties

Segregation of duties is critical because it ensures separation of different functions and defines authority and responsibility over transactions. Segregation of duties is critical to effective internal control; it reduces the risk of both erroneous and inappropriate actions.

The fundamental premise of segregated duties is that an individual should not be in a position to initiate, approve, and review the same action. Also, the accounting/reconciling function, and the asset custody function should be separated among employees.

The Chief Financial Officer and Controller must consider the principle of segregation of duties when designing and defining job duties within the finance and accounting department and in overseeing school site specific accounting functions involving the cash receipts and payments. Processes and control procedures should be implemented, to the extent feasible, that segregate duties among employees, including the oversight of activities and transactions.

VII. Cell Phone and Mobile Device Policy

A. PURPOSE

For those employees who are required to be in close contact with the school or office at all time, Aspire Public Schools:

- Issues or pays for individual Aspire-issued cell phones in accordance the policy below; or
- Reimburses Aspire Public Schools eligible employees work-related mobile device (smart phone, tablet, hot-spot, smart watch) usage so that employees can be reimbursed for the actual cost of such usage. This only applies to those eligible employees that do not receive Aspire-issued mobile devices.

While cell phones and mobile devices are a necessary convenience of the business world, we require that our employees follow the guidelines listed below on appropriate use and for their own and others safety.

A. ASPIRE-ISSUED CELL PHONE POLICY

All employees are required to be professional and conscientious at all times when using Aspire issued or personal cell phones during work hours. Executive Team members, Principals, Senior

Directors, Directors and employees requiring a cell phone due to the nature of their role, are eligible for Aspire issued cell phones. Requests should be driven in the hiring process and approved by the employee's manager or supervisor. Requests for cell phones coming from managers and supervisors can be sent directly to askus@aspirepublicschools.org. Once the request has been made, a team member will follow up with next steps on the order and process.

Aspire Public School's corporate contract with Verizon offers options for free phones with no cost to either the organization or employee. Should a request be made for a newer type of phone, there will be a cost to the employee for this phone. Once an order for a new phone is confirmed, the final price will be sent to the employee and they will be requested to issue a check to Aspire Public Schools for this amount.

B. USAGE

It is Aspire Public Schools' policy that employees of our organization who are issued a cellular phone understand the phones are issued for business use.

Personal cell phone use is not permitted while you are working. Cell phones should be turned off or turned on a silent/meeting answer mode while employees are working on the job.

In addition to the Aspire-issued cell phones, every employee is assigned their own office telephone number and any telephone messages left for you are sent to you email inbox via VOIP to be accessed at any time. For example, teachers should avoid giving out their personal cell phone numbers to students or parents but instead provide their work/school assigned telephone number. Any messages left on your voice mail box are accessible through email.

Each cell phone line issued under the Aspire Public Schools corporate account with Verizon include 400 minutes and unlimited data/texting. All cell phone minutes are pooled together and Aspire is never charged overages fees unless we reach the maximum minutes for all lines combined (i.e. If we have 200 cell lines, we have 80,000 minutes for month). If it is anticipated the employee will use over 1,000 minutes a month, we may consider putting them on a separate plan that allows for more usage. Cell phone bills and usage are monitored monthly and employees may be contacted for additional questions on usage. Possible disciplinary action may arise from misuse of your cell phone line.

C. LOST, DAMAGED OR STOLEN CELLULAR PHONES

Our corporate contract with Verizon does not include cell phone insurance so employees should make every effort to protect and look after their Aspire issued cell phones. In the event your phone is lost, damaged or stolen, please submit a request to askus@aspirepublicschools.org for next steps.

D. LEAVING ASPIRE?

Phones that are issued for free by Aspire or paid by Aspire, must be returned to the Regional Technology Support Manager where they can be re-issued to another employee or e-wasted if deemed necessary. All cellular phones paid for by an employee are allowed to be kept by the employee if they are terminated. Cell phone lines related to terminated employees will be shut off immediately following the last day of employment with Aspire.

E. PERSONAL MOBILE DEVICE REIMBURSEMENT POLICY

The purpose of this policy is to reimburse Aspire Public Schools eligible employees work-related mobile device (smart phone, tablet, hot-spot, smart watch) usage so that employees can be reimbursed for the actual cost of such usage. The policy only applies to those eligible employees that do not receive Aspire-issued mobile devices.

Under California Labor Code section 2802, employers must reimburse employees for necessary expenditures incurred in performing their duties. Now, at least a portion of an employee's personal cell phone bill may constitute an expenditure covered by section 2802.

If the actual cost cannot be determined, such as if an employee has an unlimited minutes/texting personal plan, then ASP will be required to reimburse the employee for a "reasonable percentage" of the mobile device bill.

For ease of reimbursement and transparency, reimbursable values will be set based on expected percentage of use based on your eligible position. You will be required to submit your bill to begin the process and once annually to ensure that the reimbursement amount is consistent with business usage and does not exceed your monthly charge from your carrier.

1. ELIGIBILITY

Employees whose job duties include the frequent need for a mobile device may receive a monthly reimbursement to cover business-related costs. An employee is eligible for reimbursement if at least one of the following criteria is met:

• The job function of the employee requires considerable time outside of his/her assigned office or work area and it is important that s/he is accessible during those times;

• The job function of the employee requires him/her to be accessible outside of scheduled or normal working hours;

• The job function of the employee requires him/her to have wireless data and internet access; and/or

• The employee is designated as a "first responder" to emergencies on a school campus.

For tablets and/or mobile hot-spots, there is the additional requirement that:

The following administrative positions are eligible for reimbursement:

Position	Allowable Percent	Maximum Monthly Reimbursement Amount
C-level	80%	$120
Vice-President	80%	$120
Senior Director/Director	80%	$120
Superintendent	80%	$120
Associate Superintendent	80%	$120

2. PAYMENT

If an employee meets the eligibility requirements for a mobile device, as outlined above, a reimbursement may be requested using the Mobile Device Reimbursement Agreement form along with a copy of your latest bill. The request may be made any time during the fiscal year to the Accounting Department.

Once approved, the reimbursement amount will be paid through payroll. As per IRS guidelines, any amount paid will not be taxable. This reimbursement does not constitute an increase to base pay, and will not be included in the calculation of percentage increases to base pay due to annual raises, job upgrades, bonuses, benefits based on a percentage of salary, etc. The reimbursement will be paid as a flat rate per month, based on the eligibility outlined above.

Reimbursements are funded by the department submitting the request and subject to final approval of the Chief Financial Officer.

D. DRIVING

Aspire Public Schools has a zero tolerance policy regarding using a cell phone or mobile device while driving with the following exceptions: For the safety of our employees and others it is imperative that you either pull over and stop at a safe location to dial, receive or converse on the cell phone or you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on your cell phone while driving a vehicle to conduct work related business is prohibited. Absolutely no texting while driving is allowed. Violation of this policy will result in disciplinary action up to and including termination.

E. PERSONAL TELEPHONE CALLS AND TEXTING

The use of personal cell phones for placing or receiving calls, sending or receiving text messages, checking voicemail, or any other form of communication should be made and received during non-work times.

F. PERSONAL SMARTPHONE USE FOR BUSINESS PURPOSES

Some of Aspire Public School's software vendors provide mobile-compatible versions of their tool for employees to download and use on smart devices or smartphones (Coupa, Ultimate, other examples). Our vendors offer these versions for easy and convenient optional access while away from a computer or work site.

Downloading and using these software applications on personal smartphones is entirely at the employee's discretion, and is not required nor promoted by Aspire. If an employee decides to download and use business-related software applications on their personal smart device (iPad, phone, etc.) it is at their own choice and risk. Aspire is not responsible for how data may be tracked or used related by these applications, vendor providers, or their affiliates (as per vendor license agreement).

Non-exempt (hourly) employees who opt to download applications on their smart devices should do so during work time at their school site or office location.

Aspire employees who have Aspire-issued smart devices are invited, but not required to download and use software applications that support productivity, access and convenience.

VIII. Donation & Gifts Policy

A. PURPOSE

The purpose of the Donation & Gift Policy is to delineate policies and guidelines governing the acceptance of gifts by Aspire Public Schools and to provide guidance to prospective donors if making gifts to the organization.

B. PROHIBITED PRACTICES

Aspire Public Schools solicits and accepts gifts that are consistent with its mission and that support its core programs, as well as special projects. Donations and other forms of support will generally be accepted from individuals, partnerships, corporations, foundations, government agencies, or other entities, although Aspire Public Schools will not engage in any of the following gift receiving practices:

1. Accepting gifts that violate federal or municipal laws
2. Accepting gifts that would result in Aspire Public Schools losing its status as an IRS 501(c)(3) not-for-profit organization
3. Accepting gifts that require Aspire Public Schools to provide special consideration or treatment to any client, donor, entity, etc.
4. Accepting gifts that require Aspire Public Schools to deviate from its normal hiring, promotion or contracting procedures
5. Accepting personal gifts in any cash amount, including gift certificates, coupons, entertainment tickets or the like
6. Accepting gifts from organizations whose core activities may be in direct conflict with the mission of Aspire Public Schools or which may limit our ability to provide our services.

IX. Fundraising

A. PURPOSE

The purpose of this document is to establish standard guidelines and procedures governing the initiation, authorization, and review of fundraising activities at Aspire Public Schools. These guidelines are intended to create practices that adequately safeguard public funds, provide for accountability, and ensure compliance with state and federal laws. Aspire Public Schools encourages community and business partnerships that enhance and supplement the public education system. Fundraising provides a means of obtaining valued resources or services for the benefit of the school communities, particularly the students.

(* For guidelines and procedures related to seeking funding through grants, community or regional foundations, or corporate foundations, please contact Bess Kennedy, VP of Advancement)

B. SCOPE

These guidelines apply to all Aspire Public Schools administrators, licensed educators, staff members, students, organizations, volunteers and individuals who initiate, authorize, or participate in fundraising events or activities for school-sponsored events.

C. GENERAL STATEMENTS

1. Aspire recognizes a desire and a need for fundraising.
2. Aspire recognizes a need to limit the number of fundraising activities (when applicable) so that the activities do not become too demanding on employees, students and the general public.
3. Aspire has the responsibility to monitor, supervise and control all fundraising activities associated with official school programs and activities.
4. All fundraising activities must have prior approval by either the Superintendent, Associate Superintendents or Principal (depending on the size and scope of the event).
5. Fundraising activity anticipated to raise over $25,000 must have prior approval by the VP of Advancement.
6. Fundraising is permitted within Aspire schools to raise additional funds to supplement school-sponsored academic and co-curricular programs.
7. School Sponsored Activity: An event that is sponsored by the schools (e.g. Spring picnic, fair, sporting event, etc.). School sponsored clubs and activities meet the following criteria:
    - Activities are conducted on school premises under the supervision and guidance of an Aspire staff member
    - Activities adhere to school/student conduct rules and applicable State/Federal laws
    - Participants are limited to enrolled students, approved parent volunteers, and Aspire staff only
    - All Participants must have signed “adult voluntary waiver” form on file.
8. Non-School Sponsored activity: An event that is not sponsored by the school are those that don’t meet the criteria above. Those activities may include the following: private paid tutoring on school premises between Aspire teacher and Aspire student, Aspire staff personal gym use, etc.

D. TYPE OF FUNDRAISING

1. Student Organization Solicitations
    a. Student Organizations include:
        i. Student activities under the direction and regulation of the individual Aspire schools, including athletics, speech, drama

and music contests student council and yearbook.

ii. Student activities which include the sale of admission tickets to the general public and/or which are integrated into the curriculum (e.g., performances, theater productions).

2. All School Fundraisers – These are activities where all students, families and staff have the opportunity to participate and contribute to the activity. These are typically done for very specific school related items such as grade level fundraisers. They may also be an ongoing and rotating fundraiser for the whole school.
3. Charitable Giving Campaigns
    a. Campaign is being conducted for the purpose of providing money for a charitable cause not necessarily directly related to any charter goal. Students sell a product, their own effort (e.g. walk-a-thon), a service (e.g. car wash), or contribute money.
    b. Outside Organization Fundraisers
        i. Outside organizations are non-school-funded groups such as sports' booster groups and commercial enterprises that provide supplementary services to existing school entities

E. GENERAL FUNDRAISING STANDARDS

1. Aspire Public Schools reserves the right to prohibit, restrict or limit any fundraising activities associated with Aspire Public Schools.
2. Faculty and student participation in fundraisers is typically voluntary. However, employees may be directed to supervise specific activities as an employment assignment.
3. Participation in fundraising shall not affect a student's grade. Students shall not be required to participate in fundraising activities as a condition of belonging to a team, club or group, nor shall a student's fundraising effort affect his/her participation time or standing on any team, club or group.
4. Competitive enticements for participation in fundraisers are discouraged. If prizes or rewards are offered by a selected fundraising vendor, they should only be awarded to groups, classes or students, and must be disclosed and approved by the principal prior to the fundraiser. Rewards, prizes, commissions, or other direct or indirect compensation shall not be received by any teacher, activity, club or group director, or any other Aspire employee or volunteer.
5. Schools may not impose a sales quota (or the like) as part of fundraising

efforts, and students or parents shall not be required to pay for any unsold items, or pay for goals not met.

6. Approval may be denied for fundraising activities that would expose Aspire Public Schools to risk of financial loss or liability if the activity is not successful.
7. Fundraising activities shall be age appropriate.
8. Fundraising revenues should be accounted for at an individual contribution level or participation level. Participation logs should be retained and turned into the office to be included with the deposit detail.
9. Employees who approve, manage, or oversee fundraising activities are required to disclose if they have a financial or controlling interest or access to bank accounts in a fundraising organization or company.
10. Records of all fundraising efforts shall be open to the parents, students and donors, including accurate reporting on participation levels and financial outcomes. These guidelines do not require the release of students' personally identifiable information protected by FERPA.

F. BEST PRACTICES

- Use numbered tickets or receipts to track all sales
- Document any differences between numbers of tickets sold and ticket beginning and ending numbers (i.e. damaged, lost…etc.)
- At least one signee should be the Office Manager, After School Director or another lead administrator participating in the sale
- Inventory count should take place at least quarterly (monthly is recommended); always perform a beginning and end of year count
- For classroom fundraisers, teachers shall give office managers cash collected for fundraisers the same day of collection (no cash from fundraisers should be left on hand and/or unlocked
- It is suggested that for documentation purposes teachers document cash/checks collected from students (a classroom fundraiser log has been created; please ask home office accounting for tracking sheet)

G. CASH/ FUNDS COLLECTION AND MANAGEMENT

When handling money, a group undertaking fundraising must ensure that:

- All Aspire Fiscal Control Policies are followed, especially those related

specifically to the Site Checking accounts.

- The Office Manager is aware of any proposed Fundraising Activity and arrangements made regarding the secure storage of money well in advance of the activity/event.
- During a fundraiser, cash and checks must be counted on a daily basis.
- Bag fundraiser money in a secure, locked location each day after any sale.
- At least two adults (one of whom is a school official) are present at all times in a secure environment when cash and checks are tallied at the conclusion of the School Fundraising Activity.
- There is appropriate record keeping of revenue and expenditures, including all proof of expense incurred with the Fundraising Activity, e.g. a spread sheet.
    - The Office Manager shall keep an ongoing fundraiser log, to be reviewed monthly by the principal.
- Payments for goods and services related to an event should only be made from the School's checking account or a check request via Coupa, not directly from the event's cash receipts.

H. DEPOSITS

- All cash and checks received should be deposited at the site's local Wells Fargo branch on a weekly basis. For each deposit, the Office Manager (or representative) must submit the following:
    - Deposit Summary – summary of checks and cash and the reason for the deposit (e.g. fundraising)
    - Copy of deposit receipt from bank
- All deposit documentation must be scanned and uploaded to the school site ledger site with the entry and then stored away in filing cabinets in an orderly manner.

X. Boosters & Parent Organizations

A. DEFINITIONS

1. **Parent Teacher Association (PTA):** A formal membership of parents, teachers, and staff devoted to furthering the interests and education of students. PTA's are a part of a National membership where school based groups that choose to belong to the PTA must pay dues to the state and national organizations and abide by state and national group rules. In return, they get memb7er benefits, and they get a voice in the operations of the larger organization. The California State PTA publishes governance, fundraising, and financial guidance for members on its website: www.capta.org
2. **Parent Teacher Organization (PTO):** Like a PTA, a PTO is a formal organization of parents, teachers, and staff devoted to the interests of students but a PTO is formed independently and typically is based out of a single-school or district-level group. It will operate under its own bylaws and generally is concerned with the interests of a single school or district.
3. **Booster Club (Booster):** A Booster Club is a formal organization that supports a sports team, club, or association at a school. They are typically formed at a single-school and most commonly at high schools or secondary schools.

B. SCOPE

These guidelines exist and apply to all Aspire Public Schools administrators, licensed educators, staff members, students, affiliated organizations, volunteers and individuals who initiate, authorize, or participate in fundraising events or activities for Aspire Public Schools and school-sponsored events.

C. GENERAL STATEMENTS

Boosters and parent organizations (PTA's and PTO's) support Aspire schools and could be an important means of connecting parents and other community members with the curricular and co-curricular activities of students. However, these organizations can also be a liability to Aspire if they do not have the right policies and systems in place to govern the stand-alone organization.

Booster and parent organizations are separate from Aspire and are not governed by the Education Code. However, booster and parent organizations do not have free access to schools and their students. Aspire has, and must maintain, exclusive control and management of its public school system. **Education Code Section 51520 and 51521** require that any solicitation by a school-connected organization and/or activity be one that is authorized by law and permitted by Board policy.

In addition, Education Code Section 51520 prohibits the solicitation of pupils by outside organizations on school property during school hours. Solicitation is defined as "to subscribe or contribute to the funds of, to become members of, or to work for any organization not directly under the control of the school Authorities." A clear separation of responsibilities between the ASB and the various booster and parent organizations should be maintained.

Booster and parent organizations should serve as auxiliaries to Aspire school programs and should conduct activities and fundraising events that primarily involve participation of parents and other adult community members.

Funds raised by booster/parent organizations of Aspire should be used to support school specific programs, however, **no student** will be required to raise funds in order to participate in a program or event. Funds raised should be donated to Aspire schools for specific purposes, like to purchase equipment or materials or send students on a field trip.

Booster/parent funds will not be co-mingled with the student body funds. Aspire's tax exempt status and identification numbers **are not** for booster/parent organization use. Booster/parent organizations are responsible for their own tax status and accounting. All booster/parent organization tax I.D. numbers must be on file with Aspire Public Schools National Office.

D. TAX EXEMPT STATUS

Booster and parent organizations **are not** legal components of Aspire Public Schools. Each organization must have its own:

1. Tax identification number (IRS)
2. Bank account
3. Compliance process for IRS and State reporting and disclosure requirements

Organizations who provide receipts to donors as a "charitable tax deductible donation" **must** be officially approved by the IRS as a 501(c)(3) tax-exempt organization. It is important for the organization to be both knowledgeable and compliant with all state and federal laws

E. RETENTION OF RECORDS BY BOOSTER/PARENT ORGANIZATION

Since these voluntary organizations often suffer from constant turnover of officers and members, it is important the activities of the organization be clearly documented and a procedure for training documents be established. Among the documents that should be retained by the organizations are:

1. Cash Receipts
2. Cash Disbursements and general ledger
3. Bank records
4. Income tax returns
5. Minutes of meetings as defined by organization by-laws

F. GENERAL DO'S AND DON'TS OF BOOSTER/PARENT ORGANIZATIONS

1. What to do:

- Obtain IRS tax ID and tax-exempt Status
- Open bank account separate from Aspire and maintain records as requested
- Create logo and name separate from Aspire schools to maintain unique identity
- Raise funds through parent membership and special projects which may include student participation
- Maintain relationship with specific Aspire school leadership for input of needs
- Donate purchases to Aspire schools within guidelines
- Donate funds to Aspire student body accounts for specific student teams/groups
- All capital expenditures over $5,000 must be reported to Aspire's Accounting team

2. What not to do:

- Conduct fundraising activity requiring students to participate
- Co-mingle booster and parent organization funds with ASB funds or Aspire school funds
- Represent booster or parent organization activities as those of any specific Aspire Public School

G. ALTERNATIVES FOR PARENT PARTICIPATION (IN LIEU OF BOOSTER/PTO)

The process of creating an IRS tax ID and maintaining tax-exempt status can be a burdensome and time-consuming process. Aspire highly encourages and recommends parent participation to support growth of schools and student outcomes.

In lieu of the onerous process of creating an official Booster or Parent Organization legally separated from the school, Aspire allows for parent participation through close involvement with the school program.

1. Participation may consist of (but is not limited to):
   - Weekly/monthly meetings with school staff
   - Organizing and planning fundraising events to support school programs/field trips
   - Involvement and planning for how fundraising proceeds are utilized at school

2. In creating an establishing parent group within the school, parents will avoid:
   - Process for creating IRS Tax ID
   - Annual tax filings for the Booster or Parent Organization
   - Establishing a separate bank account and managing the funds for this account
   - Creating organization by-laws and Board of Directors

XI. Security of Financial Data

Financial Data includes all information stored within Aspire's MIP system, payroll information in Ultimate Software, and Invoice and Expense information in Coupa. Aspire Public Schools manages access to data based on an individual's role and job function.

- Users are granted access to only the systems that they need to use for their work.
- Within each system, role-based access is implemented using a combination of security groups and direct system administrator oversight.
- Aspire Public Schools has deployed email encryption functionality, and trains employees to use email encryption whenever sensitive data is transmitted.
- Multi-factor authentication is standard for all users attempting to access data from outside Aspire's network.
- Aspire Public Schools hosts the MIP system on-premise, behind our firewall. Access is limited to only the relevant users on our Finance team, and technical administrators. A locally installed application is required for users to access the system.

XII. Password Policy

A. OVERVIEW

Passwords are an important aspect of computer security. They are the front line of protection for user accounts. A poorly chosen password may result in a compromise of Aspire Public School's entire network. As such, all Aspire Public School's employees (including contractors and vendors) with access to Aspire's systems are responsible for taking the appropriate steps, as outlined below, to select and secure their password.

B. PURPOSE

The purpose of this policy is to establish a standard for the creation of strong passwords, the protection of those passwords, and the frequency of change.

C. SCOPE

The scope of this policy includes all Aspire Public School's personnel who have or are responsible for an account (or any form of access that supports or requires a password) on any system that resides at any Aspire Public School's facility, or has access to the Aspire network.

D. POLICY

1. General

- All systems-level passwords (e.g., root, network administrator, application administration accounts, etc.) must be changed at least every 6 months.
- All user-level passwords (e.g., email, web, desktop computer, etc.) must be changed at least every 12 months and cannot be reused from the past 10 passwords.
- All User accounts with access to Aspire's single sign-on portal **must** have two-factor authentication set up. Without ("2FA"), users trying to access Aspire applications outside the Aspire network will be inaccessible.
- Passwords must not be inserted into email messages or other forms of electronic communication unless it is sent in encrypted format.
- All user-level and system-level passwords must conform to the guidelines described below.

2. Password Guidelines / Requirements

- Must be a minimum length of fourteen **(14)** characters on all systems.
- Must contain the following conditions: Special Character (#@$!^&*)
- Must not be older than 12 months and cannot have any part of name or

username

- Cannot be the same as the User ID.
- Cannot be identical to the previous ten (10) passwords.
- Shall expire within a maximum of 12 months.

3. Password Protection Standards

- Passwords must not be shared with anyone (including coworkers and supervisors), and must not be revealed or sent electronically in unencrypted format.
- Passwords shall not be written down or physically stored anywhere in the office.
- Passwords shall not be stored in a file on ANY computer system in unencrypted format.
- Should not be a dictionary word or proper name.
- When configuring password "hints," do not hint at the format of your password (e.g., "zip + middle name")
- User IDs and passwords must not be scripted to enable automatic login.
- "Remember Password" feature on websites and applications should not be used.
- All managed mobile devices that connect to Aspire's network must be secured with a password and/or biometric authentication and must be configured to lock after 3 minutes of inactivity.
- If an account or password is suspected to have been compromised, report the incident Aspire's IT Team and change all passwords **immediately**.

4. Account Lockout thresholds

To prevent users from guessing your password, we will implement account lockout thresholds. Your account will get locked out if there are 5 failed login attempts within a 5 minute window using an incorrect password. Your account will be locked for 5 minutes before you can attempt again.

5. Expired Passwords

Failing to reset your password before the deadline will cause your password to expire. This will prevent you from accessing Aspire resources until you have setup a new password that meets the password complexity requirements.

If this occurs, when logging into your computer, you will receive a message at your next logon that your password has expired.

6. Remote Access Users

Access to Aspire Public School's networks via remote access is to be

controlled by using a secure Virtual Private Network (VPN) configured with specific security groups. Respective department managers govern approval.

E. ENFORCEMENT

It is the responsibility of the end user to ensure enforcement with the policies above. Any employee found to have violated this policy may be subject to disciplinary action, up to and including termination of employment.

XIII. Time & Effort Policy

A, Overview

The Federal Education Department General Administrative Regulations (EDGAR) governs the administration of federal grants to education programs. Being a recipient of federal and state funding resources, the district is required to implement regulations and controls that serve the purpose of ensuring that the intended results of these funding sources are achieved. Time accounting, a documentative regulation, ensures that the district is properly charging salaries and wages that are reasonable, necessary and allowable in accordance with applicable funding source requirements.

Time accounting documents are monitored and reviewed by each responsible department on a quarterly basis with the support. The Grant Manager is responsible for the distribution, collection, and retention of all employee effort reports. Individually reported data will be made available only to authorized auditors/reviewers.

The Code of Federal Regulations (CFR), Part 200 (the Uniform Guidance) and the California School Accounting Manual (CSAM), Procedure 905, have outlined principals and requirements of time accounting documentation, upon which we have written the guidelines that follow.

B. WHO MUST COMPLETE TIME ACCOUNTING DOCUMENTATION?

Time accounting documentation is required for all employees whose salaries and wages are paid, in part or in full, from restricted resources, both federal and state. These restricted resources include the entirety of the 3000—9999 range, except 8150, in the State's Standardized Account Coding Structure (SACS) resource. Positions are flagged to identify the required type of documentation for each employee funded from federal and state resources.

  - Improve school conditions for student learning
  - Improve the use of technology in order to improve the academic achievement and digital literacy of all students

Local Control Funding Formula (LCFF) Site Allocations (Resource 0000; 0090; 0100) are considered State "general" funds – not categorical. Employees funded with only LCFF do not participate in time accounting. Time Accounting is ONLY required if LCFF is combined with Title I, II, III, IV.

C. TYPES OF TIME ACCOUNTING DOCUMENTATION

These two categories of employees correspond with the two methods of time accounting documentation:

- Periodic (Semiannual) Certification: Single-funded employees' supervisory must bi-annually sign a document that certifies that employees worked solely towards the cost objective of the resource from which their salary and wages are funded (CSAM 905-2).
- Personnel Activity Report: Multi-funded employees must complete a monthly activity distribution log known as the Multi-Funded Time Accounting Log (CSAM 905-4).

D. EMPLOYEE GUIDELINES

All employees who are fully or partially funded by federal categorical dollars (resource codes 3000-5999) must complete their time documentation on the approved forms. The type of documentation required depends on how the employee is funded and how many different grant activities (cost objectives) are worked. Semi-annual or monthly reports are completed after the work period. Employees who are funded using federal categorical dollars will review their duty statement with their direct supervisor and receive time accounting training at the beginning of each school year.

E. TIME CERTIFICATION FOR SINGLE COST OBJECTIVES (SEMI ANNUAL)

Single-Funded Employees with Single Cost Objective

If an employee is considered single-funded, the supervisor will sign the “Semi-Annual Certification” form twice a year, which is submitted after the completion of each six-month work period. Single-funded is defined as when an employee’s work schedule does not vary monthly and is paid from 100% state or federal funding. Some examples of these employees may be Instructional Coaches, Instructional Assistants, or resource teachers at one school site working on one goal area on a set schedule.

The employee or supervisory official must submit a Time Certification for Single-Funded Employees, semi-annually documenting that the employee worked 100% on only one project/cost objective for the time period listed. These certifications should not be signed and dated until after the employee has worked the certification period.

1. A July-December Semi-Annual Certification is signed in January.
2. A January-June Semi-Annual Certification is signed in May/June before leaving for summer break.

Multi-Funded Employees with Single Cost Objective

If a multi-funded employee works on one goal (or cost objective), their schedule does not change, and they stay in one location, they may complete the SEMI-ANNUAL CERTIFICATION twice a year. In order to use this form, the employee MUST submit one accurate work schedule with each Semi-Annual Certification form. The schedule must include information such as time periods, grades, and subjects.

F.PERSONNEL ACTIVITY REPORT FOR MULTI-FUNDED EMPLOYEES (PAR)

If the employee’s work schedule varies daily or throughout the month, and/or the employee works at multiple sites, the employee should document daily activities, identify each program for which work was performed, and the daily time dedicated to each program. The total documented time for the day should equal to the actual hours worked.

If an employee is considered multi-funded, they will sign the completed “Multi-Funded Time Accounting Log” soon after each monthly pay period. Multi-funded is defined as an employee who is partially funded by federal, state, or local grants.

When completing this form, allocate total hours worked in increments of no less than 15 minutes (.25) and total percentage of hours spent in each program/activity code. Include hours for any paid day; i.e. vacation days, sick days, etc. Do not include hours for non-contract or non-program days. Please note total hours worked for the month. The PAR must reflect 100% of approved time compensated for each employee.

G. SUPERVISOR RESPONSIBILITIES

The direct supervisor signing any of the time-reporting forms must have first-hand knowledge of the work performed by the employee. After approving the form, he/she will forward the document to the Grant Manager.

Personnel Activity Report/ Multi-Funded Time Accounting Log

- The supervisor responsible for directly overseeing the duties performed by the multi-funded employee collect the PARs each month.
- The supervisor will review the actual hours worked by the employee within each program as reported under the “Hours Worked” column and check this against the employee’s work calendar or other similar document. In the event, the employee’s hours worked are not in alignment with the funding sources identified, the supervisor will work with the employee to verify the duties being conducted are actual to the funding source. If that is not the

case, the supervisor will provide support to the employee to modify the duties being performed to ensure they align to the appropriate funding percentage.

- For multi-funded employees on a pre-determined (set) schedule of duties, such as teachers, their calendar should indicate specific blocks of time allocated to certain duties. For example, a teacher operating an intervention class during a specified period and core classes during the other periods must be able to provide a calendar that indicated this by class period.
- For multi-funded employees, not on a set schedule, time spent on specific projects may be documented on a monthly calendar or other type of schedule as agreed upon by the supervisor as long as the time worked per project is clearly supported.
- Ultimately, it is the supervisor's responsibility to ensure that the employee is working the actual hours reported on the PAR. His/her signature indicates that all hours were verified against supporting documentation.
- The employee is required to return appropriately completed and signed effort reports to the Grant Manager by the 15th of the month following the monthly period.

H. FINANCE DEPARTMENT RESPONSIBILITIES

The Grant Manager will receive PAR and Time Certification reports from employees whose funding percentages vary beyond 10% of time worked.

- The Financial Analyst will prepare payroll journal entries necessary to correct any variance of more than 10% the PAR or Time Certification reports are received.
- At the close of each fiscal year, Finance Department will make final budget reconciliations to ensure final salary expenditures match time and effort as reported over the year. Evidence of salary reallocations must accompany a modified effort report which will be reviewed by the Grant Manager and maintained on file.

I. RECONCILIATION PROCESS

Personnel Activity Report (PAR):

1. Grant Manager collects the PAR form from all employees that are required to complete it. The department ensures that all forms are received, are complete.
2. The Grant Manager reviews each PAR and compares it to the actual payroll expenditure ledger to confirm reported time activity agrees to the budgeted funding distribution. Supervisors are notified of discrepancies between resource allocation and time on calendars.
3. Grant Manager, Finance Department and Director of Education Compliance meet to review any variance in excess of 10% and provide recommendations to their respective supervisors and superintendents.
4. Superintendent and Executive Directors meets to review, discuss, and provide course of action for discrepancies. The Finance Department moves expenditures and/or updates the budget to align with the PAR per Executive Directors authorization and direction.
5. Reconciliation occurs quarterly in July, October, January and April, to coincide with each budget or actuals reporting period.

Semi Annual Certification:

1. Grant Manager collects the Semi-Annual form from all employees that are required to complete it. The department ensures that all forms are received, are complete, verifies the single cost objective, and provides copies to the Finance Department

2. The Grant Manager and Financial Analyst reviews each semi-annual and compares it to the actual payroll expenditure ledger to confirm semi-annual agrees to the budgeted funding distribution. Supervisors and superintendents are notified of discrepancies between resource allocation and time on semi-annual forms.
3. Grant Manager, Financial Analyst and Director of Education Compliance meet to review discrepancies between Semi-Annual certification and payroll expenditure ledger and provide recommendations to supervisors and superintendents.
4. Superintendent and Executive Directors meets to review, discuss, and provide course of action for discrepancies. The Finance Department moves expenditures and/or updates the budget to align with semi-annual certification per Executive Directors authorization and direction.
5. Reconciliation quarterly in July, October, January and April, to coincide with each budget or actuals reporting period.

J. Overview

Title programs are federally funded programs under the Every Student Succeeds Act (ESSA). Title funds are grants that are issued through the CDE for supplementing a school's instructional program. All Aspire schools currently receive Title I, II, III and IV funding. As part of receiving this funding, Aspire will ensure that funds are spent on reasonable and allowable expenses, as defined in 2 CFR 200.420-475 legislation. Aspire will ensure this by conducting the following process:

1. Based on the annual needs assessment and appropriate feedback from educational partners, principals will meet with their Financial Analyst. During the budgeting process, financial analyst will work with school site to identify expenses that fit into the appropriate allowable use categories and are aligned to the site's goals as stated in their LCAP.

2. The Financial Analyst and/or Grant Manager reviews actual payroll and operating expenditure, to ensure that all expenses that are hitting the ledger fit into allowable use categories. The Financial Analyst and/or Grant Manager will notify the site supervisor of any unallowable expenditures.

3. Reconciliation occurs quarterly in July, October, January and April, to coincide with each budget or actuals reporting period. If any unallowable expenses are found, the Financial Analyst and/or Grant Manager will correct/update based on the quarterly timeline mentioned above.

Financial Management Policies

I. Basis of Accounting

Aspire Public Schools maintains their accounting records and related financial reports on the accrual basis of accounting. The accounts will be maintained in accordance with accounting principles relevant to not-for-profit entities.

Aspire's chart of accounts is structured so that each transaction is recorded within the general ledger to a site code, resource code, fiscal year, object, fund, goal and function. This enables Aspire to accurately track and record transactions to the level of detail needed to segregate specific school site data and to separate and effectively monitor restricted funds.

II. Accounting Policies & Methods

Aspire Public Schools has established accounting methods to identify, assemble, classify, record and report transactions. The methods are set up to: (1) identify and record all of the organization's transactions; (2) describe the transactions in enough detail to allow classification for financial reporting, and (3) indicate the time period in which transactions occurred in order to record them in the proper accounting period.

Aspire's audited consolidated financial statements must be provided to each chartering entity, California Controller, county superintendent of schools of the counties in which each Charter School is located and the California Department of Education no later than December 15th of each year pursuant to Education Code Section 47605 (m). The Board of Directors must approve Aspire's budget prior to the beginning of each fiscal year. The budget is drafted for Board review and approval prior to the start of each fiscal year.

Aspire Public Schools will prepare financial reports for the Executive Committee of the Board quarterly, with interim updates as circumstances dictate.

Revenue recognition – Contributions and grants are recognized when the donor/grantor makes an unconditional promise to give to Aspire or when received. Donor-restricted and restricted state entitlement amounts are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "Net Assets Released from Restrictions." Government grants are recognized as revenue in accordance with the terms of the applicable grant agreement, which is generally upon the incurrence of expenditures related to the required services. Deferred revenue is recorded to the extent cash received on specific grants exceeds qualified expenses. Conditional promises to give, which depend on the occurrence of specified future and uncertain events, are not recorded until the conditions are met.

Cash and cash equivalents – For financial statement purposes, Aspire considers investments with maturity at purchase of three months or less to be cash equivalents.

Investments – Investments with readily determinable fair values are stated at fair value and held for long-term purposes. Other investments without readily determinable fair values are stated at the lower of cost or market and evaluated periodically for impairment.

Intangible assets – Aspire has intangible assets for product and service discounts to be used in future periods. Aspire amortizes certain intangibles over their estimated useful lives, while intangible assets determined to have indefinite useful lives are assessed annually for impairment.

Property and equipment with a value greater than $5,000 are capitalized at cost or fair market value on the date of receipt, in the case of donated property, and depreciated using the straight-line method over their estimated useful lives, which range from two to thirty years. Leasehold improvements are depreciated over the lease term (including options) or the useful life. Major additions are capitalized, and repairs and maintenance that do not improve or extend the life of the assets are expensed. When assets are sold or retired, their cost and related accumulated depreciation are removed from the accounts, with the resulting gain or loss reflected in the statement of activities.

Donated equipment, materials, services, and facilities – In-kind contributions of equipment, materials, and services are recorded at their estimated fair values at the date of donation. Donated services are recorded when they create or enhance non-

financial assets or require a specialized skill that Aspire would otherwise need to purchase.

Income taxes – Aspire Public Schools has been granted tax-exempt status as provided by Internal Revenue Code Section 501(c)(3) and Section 23701(d) of the California Revenue and Taxation Code. In addition, the Internal Revenue Service has determined that Aspire is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code.

Functional allocation of expenses – The cost of providing educational programs and other activities is summarized on a functional basis in the Statement of Activities within the audited financial statements.

Program development and expansion – Aspire continually explores potential opportunities for expansion and growth; thus, costs are incurred to research the possibility of establishing new sites. Aspire capitalizes these preacquisition costs into 'Construction in progress' at the time incurred. If it is determined that a formal contractual commitment will not be entered into, the expenses are included in program development and expansion in the period that the determination is made

Fair value measurements – Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs is used to measure fair value into three broad levels, as follows:

Level 1 Inputs Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 Inputs Inputs other than quoted prices in active markets that are observable either directly or indirectly.

Level 3 Inputs Unobservable inputs for the asset or liability.

When a price for an identical asset or liability is not observable, Aspire will measure fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant management estimates included in the financial statements are the collectability of the receivables and foundation grants receivables, estimate of net present value of the foundation grants receivable, the valuation of investments, the estimated useful lives of property and equipment, the net present value of intangibles, and the functional allocation of expenses.

III. Basis of Presentation

Financial statements will be presented in conformity with professional standards applicable to not-for-profit entities. On an annual basis Aspire will report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

IV. Intercompany

Aspire Public Schools controls three affiliated organizations that were created to facilitate ownership of certain school facilities and support development of charter schools. The facilities are owned and managed by two single-member limited liability companies, College for Certain, LLC (CFC LLC), and College for Certain II, LLC (CFC II LLC). The sole member of both LLCs is College for Certain, Inc. (CFC INC) which was created as a supporting organization of Aspire Public Schools to facilitate and support the development of charter schools. CFC INC is controlled by, and for the benefit of, Aspire Public Schools. CFC LLC and CFC II LLC are disregarded entities for federal income tax purposes.

The CFC LLC owns the fixed assets of ten schools associated with the College for Certain Series 2016 School Facility Revenue Refunding Bonds (2016 Bonds). CFC II LLC owns the fixed assets of three schools associated with the College for Certain Series

2015 School Facility Revenue Refunding Bonds (2015 Bonds). CFC LLC and CFC II LLC receive rental income from the 13 schools of Aspire Public Schools. The rental income represents the debt service payments plus an incremental amount to contribute towards a capital, maintenance and operations fund. CFC LLC and CFC II LLC pass the rental income onto CFC INC. CFC INC makes the payments of principal and interest owed on the 2015 and 2016 bonds.

CFC INC has a Board distinct from Aspire's Board of Directors. Aspire's accounting staff record the accounting transactions associated with the CFC entities. Transactions outside of routine transactions to record rental income and service debt payments must be Board approved.

V. Indirect Cost Allocation Policy

The purpose of this procedure is to document an Aspire Public Schools (APS) indirect cost allocation methodology so that the Aspire Home Office (AHO) can periodically review existing practices and cost allocations, and determine if significant changes need to be administered, and the scale of those changes.

A cost allocation plan is a method by which expenses are allocated that are not directly identifiable to a particular activity, or to allocate expenses that benefit more than one school on a consistent, fair, and equitable basis. Based on this definition, the cost allocation is focusing on shared administrative expenses. While the AHO could begin tracking 100% of administrative hours for future changes to the methodology,

time surveys often demonstrate high variability (significant annual changes that may have major budgeting and rate impacts) and challenges in consistent application of allocations. APS elects to use a Cost Allocation Plan (CAP) for determining how these indirect or general benefit costs are allocated to the appropriate cost pool, whether region or school.

The goal of this CAP is to achieve equity for schools support of the AHO and to thoroughly document the process for future efforts. The CAP is achieved through the following steps:

• Determine the most relevant level of functional detail with which to allocate Home Office costs.

• Identify the appropriate indirect costs to include in the cost pools.

Indirect costs are those that have been incurred for common or joint purposes. These costs benefit more than one school and cannot be readily associated with a single school. Furthermore, a full investigation of the allocation of those costs would require a level of effort disproportionate with the benefit gained. For that reason, it is appropriate to develop a single allocation measure for these indirect costs that represents a typical allocation of benefits. AHO indirect costs includes administrative operations, which provide an indication of the variety of activities needed to operate a large charter school organization. Recouping these costs is essential to funding all aspects of administrative services that support the schools.

Allowable general and administrative costs (costs that benefit all schools and are not identified to a specific school) are allocated using a board approved rate that results in an equitable and predictable distribution to all schools. The rate is divided between Home Office and Regional Office based on the type of service that is provided. The following services/costs are included in Home Office: Executive Leadership, Advancement, Post-Secondary Success, Finance and Accounting, Information Technology, Data and Systems, Operations (charter renewals, compliance, etc.), Human Resources including Talent, Teammate Effectiveness and Employee Services, and Home Office Facilities and Depreciation.

Administrative costs that benefit all schools are allocated based on a % of each school's revenue for the following accounts:

8011	0000	Unrestricted Resources, Net State Aid
8012	1400	Unrestricted Resources, Education Protection Account
	0000	Unrestricted Resources, In-Lieu of Property Taxes
8560	0000	Unrestricted Resources, Lottery

8560	6300	Lottery: Instructional Materials (Restricted), Lottery
8590	6010	Prop 49/ASES, All Other State Revenues
8550	0000	Unrestricted Resources, Mandated Cost Reimbursement - Mandate Block Grant

8100	3010	IASA:Title I Basic Grants Low-Income and Neglected, Part A, Federal Income
8100	4035	IASA: Title II Part A, Teacher Quality, Federal Income
8100	4203	IASA: Title III-Limited English Proficiency, Federal Income
8100	4127	Title IV, Part A, Subpart 1—Student Support and Academic Enrichment

Currently the methodology is the same as the normal CAP for Federal awards. AHO allocations are not charged to individual grants as the revenue only serves in determining an overall percentage to allocating out AHO expenses to the schools (see formula below).

The AHO CAP formula is determined by the following method:

Total PY Home Office Revenue (excluding PY one-time revenue sources)

Less Total PY HO expenses (excluding PY one-time expenditures)

Less Home PY Office Reserve

Equals Total CY Allocated to Schools

$$\frac{\text{Total CY Allocated to Schools}}{\text{Total School Revenue}} = \text{Percent to Allocate per School*}$$

Financial Planning & Reporting

I. Budgeting Process

Aspire Public Schools prepares an annual operating budget of revenues and expenses, and a cash flow projection. The budget is reviewed and approved by the Board of Directors annually before the new school year starts.

A. POLICY

Budgets are created for each school site, regional office and home office department annually. The budgeting process involves key stakeholders including the Aspire Executive Team, Area Superintendents, Principals, and Aspire employees. Once budgets are approved by the Board of Directors, they are used to run quarterly Budget-to-Actual Reports that are shared with School Leaders.

At the end of the fiscal year, the following key financial statements are produced: Balance Sheet, Income Statement, and Statement of Cash Flows, and Statement of Functional Expenses.

The budget should be prepared by the appropriate levels of management on an accrual basis for final approval by the Board of Directors.

B. PROCEDURES

Budget Planning

The Director of Finance will establish guidelines, priorities and assumptions for preparation of the budget and send them to the School Leaders. The Director of Finance will also establish procedures, budgeting formats and a timetable for budget preparation. The timetable, which will begin no later than February of each year, will result in the Board of Directors receiving the proposed budget in time to review it before presentation at the meeting in June.

Preparation of the Budget

The School Leaders and all appropriate levels of Aspire management will prepare their projections of revenues and expenditures for planned services, projects and programs. They will consider historical data along with future growth plans, and factor in any shifts or adjustments to staffing levels.

Once the budgets are complete, they will be submitted to the Director of Finance, along with justifications, for review and approval. After reviewing the budgets with

School Leaders throughout May, the Director of Finance will consolidate the budgets into a total organizational budget and review with the Chief Financial Officer.

After any adjustments or changes, the budget will be ready for submission to the Board of Directors for review.

Budget Approval

Prior to the end of the fiscal year, the Director of Finance and the Chief Finance Officer will present the proposed budget to the Board of Directors for final approval in June.

Forecasts

Based on monitoring events that occur during the year, if it is determined that a significant revision to the budget numbers is required and appropriate, forecasts may be developed and approved by the Chief Financial Officer or the Chief Executive Officer

C. INTERNAL CONTROL

Once the budget is approved, the School Leaders and Director of Finance will implement the budget plan. Quarterly variance reports will be prepared and submitted to the Board of Directors.

II. Accounting Cycle

A. PURPOSE

This section gives a brief overview of the steps in the bookkeeping cycle.

Aspire Public Schools' accounting system is designed to accurately process, record, summarize, and report transactions of the organizations.

B. COMPONENTS

The component bookkeeping cycles fall into one of four primary functions:

1. **Cash Receipts** – Revenue and Accounts Receivable: This cycle consists of generating revenue from contributions and from services provided, and receiving payment from governmental sources.
    - Processing cash receipts
    - Making deposits

- Recording cash receipts in the general ledger and subsidiary records
- Performing month-end reconciliation procedures
- Processing general ledger integration for private donations/revenue

2. Procurement to Pay Cycle – Purchases, Accounts Payable, and Cash Disbursements: This cycle represents the purchase of goods and services and the subsequent payment for those goods and services.

- Processing purchases (credit card, check, reimbursement)
- Processing invoices
- Issuing checks and/or wire transfers
- Recording checks in the general ledger and in cash disbursement journals
- Performing month-end reconciliation procedures

3. Payroll: This cycle consists of processing payroll and remitting amounts due to employees, the government, and others (health insurers, retirement plan trustees, etc.).

- Obtaining and gathering payroll information
- Computing wages and withholdings
- Preparing payroll checks and ACHs
- Depositing payroll taxes
- Remitting monthly retirement contributions to CalPERS, CalSTRS, TCRS, etc…
- Performing month-end reconciliation procedures if necessary
- Preparing quarterly payroll tax returns

4. Financial Accounting, Reporting, & Analysis: This process consists of posting the period's transactions to the general ledger and preparing financial statements.

- Preparing and posting monthly journal entries
- Reconciling bank accounts and other general ledger accounts
- Reviewing general ledger activity and posting adjusting journal entries
- Producing the financial statements

C. PROCEDURES

1. **General Ledger:** The general ledger process consists of posting the period's transactions to the accounting software, MIP. The Assistant Controller, Controller, and staff work to reconcile bank and credit card accounts, review the general ledger, and prepare for the annual audit.

2. **Financial Statements:** The Assistant Controller, Director of Finance, and Controller prepare financial statements quarterly basis, which are reviewed by the CFO. These financial statements are provided to the Executive Committee and Board on a quarterly basis.

3. Year-End Close: In addition to the normal month-end closing procedures, the Finance & Accounting Team will perform additional procedures to close the year as follows:

- **Revenue Accruals** - Known material revenue sources will be accrued based on published CDE information and information obtained from chartering authorizers.
- **Accounts Payable Accruals** – Invoices greater than $1,000 for goods received or services rendered by June 30th will be accrued in the corresponding fiscal year end. Management may exercise discretion to lower the threshold amount if deemed appropriate.
- **Vacation Liability Accrual** – Unused vacation earned as of June 30th will be accrued.
- **Payroll Liability Accrual** – Any amounts owed to teachers or staff earned as of June 30th will be accrued.
- **Prepaid Expenses** – Expenses incurred for the following fiscal year that are paid in the current fiscal year whose amount is over $1,000 will be recorded as prepaid expense, and the expense will be recognized in the following fiscal year. Management may exercise discretion to lower the threshold amount if deemed appropriate.
- **Audit Schedules** – Aspire Public Schools will prepare audit schedules as requested by the audit team for such accounts as prepaid expense, accounts receivable, accounts payable, loans, advances, deposits, etc.

III. Financial Reporting & Tax Compliance

The Assistant Controller and Controller maintain supporting records in sufficient detail to prepare Aspire Public Schools' financial reports, including the items below. The CFO, Controller, Assistant Controller, and Director of Finance are also responsible for ensuring all applicable federal, state, and local tax laws are complied with in regards to these items.

Annually:

- Financial statements for audit

- Annual budget
- IRS Form 990
- 403b audits
- California State Sales and Use Tax filings
- 1099 Filings
- Insurance Renewal

Monthly:

- Trial balance
- Bank and payroll reconciliations
- Internally generated budget vs. actual financial statements
- Billing invoices to funding sources
- Updating the cash flow projection

Periodically:

- IRS Forms 941 and payroll tax returns and comparable state taxing authority returns
- Property Tax Exemptions and Payments (see Property Tax Exemption Process)
- Other reports upon request

In order to ensure that all documents are captured by the accounting system, reconciliations are performed on a monthly basis. All documents are appropriately filed with most being scanned electronically and saved on the internal servers.

XIII. Annual Form 990 & CA Form 199 Process

The annual IRS form 990 and CA form 199 have an initial due date of November 15th and an extended due date of May 15th, following our June 30 fiscal year end. The completion of both forms is based upon Aspire Public Schools' audited financial statements. The forms are prepared by Aspire's tax partner before being reviewed and approved by key employees and transmitted to the respective tax authorities.

The Assistant Controller is responsible for providing supporting documentation to the tax partner. This includes the trial balance from the audited financial statements, together with other key information including details of donations. Once the draft forms are prepared the Assistant Controller and Controller are responsible for each reviewing the documents for accuracy and completeness. Following their review and any adjustments with the tax partner, the CFO will review prior to finalization.

The Audit Committee of the Board is responsible for reviewing and approving the IRS Form 990 and CA form 199 prior to submitting to the tax authorities.

IV. Property Tax Exemption Process

A. PURPOSE

The purpose of this document is to act as a guide for filing annual property tax exemptions for Aspire Public Schools owned and leased properties. Property tax exemption filings are a critical process to ensure Aspire Public Schools does not pay more taxes than required given it operates as an IRS 501(c)(3) organization.

B. GENERAL INFORMATION ON PROCESS

Each year between Mid-December and January, county assessors will send out property tax exemption filing forms to as a reminder to file for the following fiscal year. The forms are to be filled out and returned by February 15th of the year. Aspire Public Schools will file either a BOE-263 (Qualified Lessor's Exemption) or BOE-268 (Public School Exemption) form depending on which form the county requires to be submitted.

C. ASPIRE PUBLIC SCHOOL'S PROPERTY TAX EXEMPTION FILING

Each county Aspire Public Schools operates in has different requirements for which form is required. The property owner or lessor is required to send in either form depending on what county it is. Some counties require both the lessor and lessee send in an exemption form while others will require just the lessor to complete it. The forms Aspire Public Schools receives in Mid-December from each county must be completed and returned by the February 15th deadline. These forms are received by the Finance and Accounting team.

- Church organizations Aspire Public Schools leases buildings from require a completed BOE-263 Affidavit form sent directly to them. These churches are Trinity Lutheran (APEX Academy), Roman Catholic Welfare Corporation of Oakland (Aspire College Academy, Monarch Academy, and Triumph Technology Academy), and Central California Conference of Seventh-Day Adventists (Summit Academy).

- Raymond Investment Corporation (property owner of Vincent Shalvey Academy) is another organization we send a completed BOE-263 Affidavit form directly to.

The Finance and Accounting team is responsible for completing all forms to be sent either directly to the county assessor or to the landlord. Forms completed are to be scanned and saved on the internally.

D. DEADLINES AND OTHER INFORMATION

The deadline for submitting exemption forms is February 15th. If forms are going to be submitted late, it is necessary to call the county offices and let them know they are going to be submitted late.

For new schools under construction, it is important to have a close contact at the assessor's office in order to obtain exemption. Parcel numbers will change frequently with new buildings and they must have a submitted form for each parcel in order for exemptions to be applied. Sometimes an assessment without exemption will be billed and a payment is needed to avoid late penalties but the county will issue a refund when the exemption is properly executed in their system.

E. PAYMENTS FOR PROPERTY TAX ASSESSMENTS

Property tax bills from the county tax collectors for a given fiscal year come in around October and are received by the Finance and Accounting Team. The first installment is due by December 10th and if paid late, a 10% penalty will be assessed. It is extremely important to make the payment in a timely manner. If a bill expected to be received is not, the appropriate tax collector will be contacted by the Finance and Accounting

team to obtain a copy. It is also possible to view property tax assessments directly on the county tax collectors website. Copies of all tax bills are made and then submitted with instructions to the Accounts Payable team. The Accounts Payable team is responsible for sending checks for each property tax bill along with the payment stub.

V. Audit

Independent audits of the financial statements shall be conducted annually by a certified public accountant selected by the Audit Committee from a list of auditors approved by the state of California. Annual financial audits will be conducted in accordance with Generally Accepted Audit Standards, and the Governmental Auditing Standards Board.

Financial regulatory forms shall be completed as necessary by Aspire Public Schools or by the auditing firm. Appropriate financial forms and reports shall be filed with the charter entity, federal government, and appropriate state agencies. Annual financial reports required by Education Code Section 47604.33 shall be filed with the chartering agency and county superintendent of schools.

Upon completion, audits shall be reviewed by the CFO, Controller, Assistant Controller, and Director of Finance and submitted to the Audit Committee for review and approval. All financial audits shall include a management letter. Annual audited financial statements which include the corresponding Management Letter in the audit report shall be forwarded to chartering entity, California Controller, the county superintendent of schools of the county in which the charter school is located and the California Department of Education by December 15th of each year.

Audit Committee: The Board of Directors appoints separate Audit and Executive Committees. The Audit Committee nominates the independent auditor, reviews the scope and results of the audit, and approves the audit. The Audit Committee also receives notice of any consequential irregularities and management letter comments that the auditor noted during the engagement. Additionally, the Audit Committee and Aspire Public Schools staff will develop a corrective action plan to address all relevant weaknesses noted by the auditor.

Revenue & Accounts Receivable

I. Cash Receipts & Deposits

A. CATEGORIES OF CASH RECEIPTS

1. **Federal, State, Local Revenue:** On a daily or weekly basis, the Assistant Controller or Staff Accountant receives checks in the mail. Majority of the checks received are for federal, state, and local aid. In addition, there are other local revenues received from the schools. The Cash receipts log tracks the receipts by the deposit date. Some funds are received electronically by ACH and wire transfer. All cash receipts are booked according to the remittance advice provided by the sender and information from CDE website.

2. **Donations:** Donations can be received and deposited by the school sites and Home Office, although the majority of donations are received by the Home Office Accounting or Development staff.

Generally, contributions received or committed, including unconditional promises to give are recognized as revenues in the period received at their fair values. Contributions made, including unconditional promises to give, are recognized as revenues in the period made at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met.

The Staff Accountant enters all cash receipts for donations and grant revenues at the Home Office. For donations, checks are the source documents and any other corresponding info that is attached (e.g. letter from donor) is used to record transactions in the G/L. For grants, the grant documents are used to enter revenues and promises.

Some schools may choose to provide acknowledgement letters to the donors and other schools will give Home Office the necessary donor information to the Staff Accountant or Development Director to write acknowledgement letters to the donor.

3. **Lunch Fees:** All of Aspire's sites with the exception of Langston Hughes, APEX, Port City and Rosa Parks, are on the National School Nutrition program. All sites use Mealtime to record meals taken and cash receipts. Mealtime is set up at each site and monitored by the Cafeteria Manager. To ensure that each meal that is handed out is accurately recorded according to who took the meal and their qualification, Aspire's sites use a Biometric Finger scanner at the beginning of the meal line.

The Nutrition's staff at the Home Office is responsible for the analysis of meals delivered, meals served, money collected and money deposited against the information in Mealtime. This analysis ensures that all meals are accounted for and all funds are accounted for in an accurate and timely manner. These funds are tracked in resource codes 5310, 5320, and 5370.

4. **After School Fees:** Schools have the choice of charging additional fees in addition to the Afterschool Education grants received. The funds are budgeted at the beginning of the year with the Afterschool Director and the Principal. Several Aspire schools have chosen to charge parents after school fees.

B. PREPARATION OF CASH RECEIPTS (HOME OFFICE)

On a daily or weekly basis, the Staff Accountant records all checks received into the Cash Receipts Logs. The Cash Receipts Log provides a detailed summary of the checks that were deposited on a specific date. The summary provides the total deposit that was made and details of the deposit breakdown. The information noted in the log is payer name, date of receipt, check date, amount, site code, and any descriptions that may be on the check.

1. Staff Accountant makes a copy of the checks to be deposited.
2. Assistant Controller then deposits the checks into the bank through an online banking system through Wells Fargo
    - The process starts out with entering the total deposit to be made as well as the deposit references & bag number
    - Original checks are scanned through a scanner
    - Staff Accountant confirms the check amounts in order to balance the deposit to the entered total
    - The scanned checks are uploaded to Wells Fargo for deposit
    - Assistant Controller will print a deposit confirmation from the website
    - Original checks are put into a plastic bag and placed in a locked area for storage of 30 days and then shredded.

3. The check copies, including accompanying information, are attached to the cash receipt log for that day
    - The Staff Accountant makes sure that the total deposit has all check copies to ensure that there is enough backup in order to enter the receipts into MIP
    - If there isn't enough information on the check, the Staff Accountant will follow up with the appropriate individual to find out what it is the purpose of the funds
4. The Staff Accountant then enters the cash receipts in MIP (posting in accounting software)

C. PREPARATION OF CASH RECEIPTS (School Sites)

1. **Mealtime Deposits:** Monies for students that are paid or reduced are collected beforehand in the main office by the Office Manager. A receipt is given for all monies collected. The Office Manager does an end of day report in Mealtime that confirms the monies collected and the number of meals delivered by the vendor. At the end of every week, the office manager prints out a deposit slip from Mealtime and brings the deposit to the bank. A copy of the deposit slip from Mealtime and the deposit confirmation is sent to the Staff Accountant for review and entry into MIP.
2. **Donations:** When Aspire receives cash donations at the school site, the schools will deposit the money into the site's checking accounts. In addition, the Office Manager is required to input the deposit information in the online General Ledger Tool and provide the necessary backup for the deposit to the Staff Accountant.
3. **Afterschool Fees:** Depending on the payment schedule, deposits of after school fees are made at least monthly. The Office Manager is responsible for inputting the deposit information into the online School Ledgers. A copy of the deposit slip confirmation is uploaded upon entry. These funds are tracked in resource code 0028.

D. POSTING OF CASH RECEIPTS

The Assistant Controller receives the cash receipt log and supporting check copies from the Staff Accountant. The Staff Accountant logs into MIP, and then selects the cash receipts module from the toolbar. A new cash receipt (CR) session number is created. The CR session number is written on the cash receipt log for reference in the event that someone would like to look up the cash receipts in the general ledger. The checks are used for information as well.

1. School Site Deposits

a) ***Donations****: When a school site receives cash donations, they deposit the funds into their site account.*

(1) The Office Manager is responsible for writing the acknowledgement letters to the donors.

(2) After the donations are deposited, the Office Manager will enter the deposit information into the online School Ledgers and forward a copy of the deposit slip and backup to the Staff Accountant for review.

(3) The data is downloaded from the online Site Ledger tool and then imported in the accounting system.

(4) The Staff Accountant reviews the entry and prints an unposted entry record for Assistant Controller.

(5) The Assistant Controller reviews the entry for accuracy and cash flow.

(6) The entry is approved via signature on the entry and given to the Staff Accountant. Then, the Staff Accountant posts the entry in MIP.

b) ***Mealtime****: The Staff Accountant uses the Mealtime end of day reports along with the deposit slip confirmation to entry the cash receipts into MIP.*

(1) The Staff Accountant enters the cash receipt entry and prints an unposted entry record for Assistant Controller to review.

(2) Assistant Controller reviews the entry for accuracy and cash flow.

(3) The entry is approved via signature on the entry and given to the Staff Accountant. Then, the Staff Accountant posts the entry in MIP.

c) ***After School Fees****: When a school site receives after school fees from parents, they deposit the funds into their site account.*

(1) The Office Manager is responsible for writing a receipt to all parents.

(2) After the fees are deposited, the Office Manager will enter the deposit information into the online School Ledgers and upload a copy of the deposit slip and backup.

(3) The Staff Accountant verifies the information at the time of monthly bank reconciliation.

2. **Mealtime Online:** When parents choose to remit after school fees through Mealtime, Mealtime deposits the funds into the site account. The Staff Accountant will enter the deposit information into the online School Ledgers and upload ACH Transfer Report.

(1) The after school fees follow the same MIP import process as the site donations.

E. REVIEW CASH RECEIPTS

The Assistant Controller and Staff Accountant reviews the cash receipts via the A/R ledger to make sure that all cash receipts are posted correctly. Also, the A/R accounts are reconciled on a monthly basis. If there is a discrepancy in the cash receipts, the Staff Accountant will verify the source (the check) to make sure that the cash was posted correctly.

II. School Site Deposit Process

A. PURPOSE

The purpose of this document is to provide details to school based staff on how to make and record a deposit.

B. OVERVIEW

The information in the schedule below displays common coding that will be used throughout the year for adding deposits to the site ledger. If there is any cash collected that is not included in the items below please contact the Staff Accountant at Home Office.

Object Code	Resource	Description	Fee
8699	0000	Other Local Revenue	
			Year Book Apparel Sale Fundraiser Bake Sale Book Fair Field Trip Uniform Sale Sports Fees Athletic Concessions Grad Ticket Choir Before School Care Summer Child Care Science Camp Prom
8699	0028	Other Local Revenue	
			After School Program
8615	0000	Donations	
			Cash Donations
8650	0000	Leases and Rental	
			Renting out of facilities

Officer Managers should also be aware of the following issues that are common to site ledger posting:

1. Donations vs. Fundraisers – donations are cash collected for services received without performing a service or exchanging an item of equal value (in the case of deposits only cash donations apply). On the other hand, during fundraisers items are exchanged or sold, or services are performed. For example, a car wash fundraiser services are exchanged for cash to raise funds. A bake sale is an example of fundraiser in which items of value (food) are exchanged for cash funds. Please make sure to code all donations to object 8615 and fundraising cash received to object 8699.

2. In the case that an expense previously paid out is refunded, the check refund will be coded to the same account as the expense. For example, the refund of a phone bill balance would be coded to expense object 5902 (Phone Expense) rather than object

8699. Please for money collected for apparel purchases code to object 8699. This has been commonly confused with object 4301. A sale is revenue and should not be coded as refund of an expense.

3. Mealtime should **ALWAYS** be deposited to the main Aspire bank account. However, if mealtime is deposited to a site account **IN ERROR,** please code the deposit to resource 5310 and object 8634.

Procedure for adding a deposit to the site ledger:

The below summary explains the documentation that will be used by Office Managers to keep records of deposits that will be uploaded into the site ledger and forwarded to the Home Office. The deposit summary template can be found on MyAspire under the Accounting teammate resources link and in the School Site Ledger section. Please note that Office Managers do not need to send copies of the checks deposited to the Home Office, but will only need to keep for their internal financial records. Copies of the checks or a check listing should be kept at the school.

Note: For MealTime deposits deposited to a site account in **ERROR**, sites should submit the "Mealtime Reconciliation" worksheet with the bank receipt attached to the front and/or a Desktop Deposit confirmation.

Deposit Documentation:

Retain at Site	Send to Home Office
A copy of your completed Deposit Summary with bank receipt or Desktop Deposit confirmation sheet attached	Original or copy of Deposit Summary with bank receipt or Desktop Deposit confirmation (for online deposits) sheet attached
Copy of deposit ticket	
Copies of all checks or a check listing	
Check stubs removed from checks. (not typical for personal checks, but if you receive a check from a business it may contain a stub with information about the payment)	

Deposit Summary Header:

Enter your school name. The date field is pre-populated with a formula for the current date.

Deposit Breakdown:

This section is used to identify the types of revenue being deposited. Finance will use this information to ensure the revenue is posted correctly in the accounting system. The most common types of deposits are listed on the template. If you need to add something not listed, just key over one of the "Other:" descriptions. The total amount listed in the "Deposit Breakdown" should agree with the total cash AND checks deposited equal the deposit amount displayed on the bank receipt.

Deposit Receipt: The Deposit Receipt will be provided to you by the bank at the time of the deposit. This should be added to the deposit summary sheet when scanned and saved for records.

Checks: Enter the number of checks in the deposit and the total value of the checks on the corresponding lines.

Cash Count:

Enter the number of each type of coin or bill and the formulas will calculate the totals. All deposits containing cash require two people to verify the cash balance and sign the Deposit Summary prior to deposit.

Balance Check:

The feature verifies the total listed in the Deposit Breakdown sections equals the total of cash and checks in the deposit. If the totals agree, "Balanced" will be displayed. If the totals do not agree, "Out of Balance" will be displayed and you should find the discrepancy before depositing the funds.

Adding Deposits to the Site Ledger:

1. After completing the deposit, login to the schools to the online site ledger tool by clicking the MyAspire application with a "piggy bank" called School Ledger.
2. Once logged on to the site ledger, select ledgers at the top of the menu screen and then Click "**Add New Ledger Entry**"
3. Enter the deposit information in the highlighted cells below
    - Type – Deposit for all deposits
    - Description – Type an applicable description (ie after school program, prom, donation…)
    - Resource Code – Typically 0000, however use 0028 for after school fees

4. Object – Use 8615 for donations. Most often cash received will be coded to 8699 (see page 1 for coding reference) *Notes: Please add notes for any nuances that finance needs to be aware of.

5. To upload deposit information Click on “choose files”. Now search for the file on your computer and select to upload.

5. Once the deposit information is input in the ledger click “Submit”

6. Once the deposit is entered it will show up in the monthly ledger based on the deposit date input

*Note: If your deposit does not show up or you have questions of coding items such as expense refunds, contact the Staff Accountant for further guidance.

Expense & Account Payable

I. Payroll

Effective controls and segregation of duties are essential throughout HR/payroll function. Aspire uses the JobVite system for recruiting and making offers to candidates, and Ultimate Software’s Ultipro software for HR onboarding and payroll. Payroll processing is in house. The Controller oversees the payroll function.

The payroll system is designed to provide the basic information necessary to:

- Calculate payrolls, including gross pay, federal, state, and local income tax withholdings, social security and medicare (FICA) taxes, and other payroll deductions such as employee contributions to health and retirement benefits, in line with federal, state and local compliance regulations.
- Compute and make timely payroll tax deposits.
- Record payroll liabilities and expenses on the general ledger.
- Prepare quarterly and annual payroll tax returns.

For specific Aspire policies relating to the employment, benefits, payroll, overtime, time off and leaves of absence, safety and security and separation of employment, refer to the respective Employee Handbook for California.

A. ROLES AND RESPONSIBILITIES

The HR department handles and performs all personnel-related activities except payroll. Employee payroll files are kept separate from employee personnel files. The Payroll team and Controller have access to the payroll files and the HR department has access to the personnel files. The HR manager is responsible for compliance on HR- related matters and the Controller has ultimate responsibility for compliance on payroll- related matters. HR does all hiring where pay rates, titles and positions are set and approved. The hiring manager, regional financial analysts and the Director of Finance approve all new positions within the Board approved budget. Principals, Directors and the Aspire Senior Leadership Teams are authorized to hire staff, which requires HR final approval to ensure that relevant screenings and background checks have occurred before an employee starts work.

B. PAYROLL FREQUENCY

Aspire processes payroll semi-monthly, on the 15th and last day of each month. In the event that the 15th and/or last day of a month falls on a non-business day, payroll will be processed on the earlier preceding business day to the 15th or last day.

- **Exempt employees** – paid from 1st-15th on 15th of month and 16th-last day of month on last day of month
- **Non-exempt employee** – paid from 9th-24th on last day of month and 25th-8th on 15th of month

C. NEW HIRES AND STATUS CHANGES

New hire information flows from the JobVite recruiting system into the Ultipro system. HR reviews the information entered, adds and edits new data fields as applicable (e.g. job title, wage rate etc) and reviews to ensure accuracy. Approval workflows within the Ultipro pass each new hire to the financial analyst team and Director of Finance to confirm positions are approved per the respective school site, regional or home office budget. The employee is only 'hired' and established once screenings and background checks have been verified. New hire information packet is passed to the payroll team to review data entry and to set up pay group, retirement deductions and W-4/direct deposit information if not already captured. Benefits are selected by employees using the bswift system and each payroll a bswift file is generated by the provider for importing benefit deductions into payroll.

Status changes are entered by employee supervisors or HR. Approval workflows within Ultipro pass status changes through HR, Finance and Payroll before changes are made accurately and approved. Any benefit updates related to a status change are entered into bswift and passed via the semi-monthly bswift file. All changes in an employee's status must be properly documented. Change in working hours/days or pay rate will require a revised letter of employment or status change form, signed by the School Leader and the employee. These changes must be reported on a timely basis to HR.

All new employees have to complete a series of forms to evidence their eligibility to work in the United States, elect benefit options and to define the number of exemptions and other data for income tax withholding purposes (W-4). This information is captured by JobVite, Ultipro and in forms and is used by the HR and Payroll departments to set up the new employee in the HR and payroll systems and to register them for their benefits. These forms for all new employees should be collected by HR by the end of the employee's first working day.

W-4 and direct deposit information is maintained within Ultipro and employees go into Ultipro if they need to update.

D. TIMESHEET PREPARATION AND APPROVAL

Non-exempt/hourly employees have access to enter their time in one of two ways, clock in/clock out of time clock devices, or by entering time directly into Ultimate WorkForceManagement (WFM) each pay period. Supervisors must review and approve time worked and meal break periods. After each pay period end, the Senior Payroll Specialists review for unsubmitted or unapproved timesheets and chase with supervisors and Office Managers/Business Managers. Once complete, timesheet data is extracted from Ultimate WFM for non-exempt/hourly employees to create an import file for upload into Ultipro. The extracted data contains the hours charged by each employee to each site code and job code, and are broken down by regular time, overtime, double time, PTO, sick, jury and bereavement time.

Exempt employees do not complete timesheets and use Ultimate WFM for time off requests. Time off requests (PTO, sick, unpaid, bereavement, jury duty) are performed in Ultimate WFM and are initiated by the employee and authorized by the employee's supervisor. Time off data is extracted from Ultimate WFM for salaried/exempt employees to create an import file for upload into Ultipro. This is generated every pay period.

E. ADDITIONAL PAY

Each year, additional pay for specific additional duties are reviewed and approved by the Chief People Officer and Chief Financial Officer. Additional pay is initiated by the Regional site leaders or hiring manager and authorized in line with the authorization thresholds established within the fiscal control policies and approved by the Board of Directors. Amounts are entered into the Additional Pay Tool. The finance analysts and Director of Finance review to ensure amounts are in line with applicable school site, regional or home office budget.

Each pay period an electronic file is extracted from the Additional Pay Tool showing the approved additional pay amounts to be paid within the upcoming payroll to specific employees. Once reviewed by the payroll team, this is uploaded into Ultipro. The file includes the employee number, site code and additional pay amount.

Bonuses and annual COLA adjustments are approved by the Board of Directors before being imported into payroll. The Director of Finance calculates bonus/COLA amounts and the Controller reviews the calculations before amounts are imported into payroll.

F. RETIREMENT

Aspire participates in the CalSTRS and CalPERS retirement systems. Aspire also offers a 403(b) plan to CA employees who are not able to participate in the state retirement programs. In addition Aspire offers a separate 403(b) plan for employees of CA who would like to save more for retirement than the CalSTRS and CalPERS programs.

Upon hire, a change in status and in line with the payroll calendar and deadlines, the payroll/retirement team will review an employee's job role, job location, job hours and prior state retirement plan membership to determine which retirement system an employee should be placed into. The Retirement Manager looks up the employee within the relevant retirement system to confirm prior membership and applicable plan set up, and the Senior Payroll Specialists set up the relevant retirement payroll deduction in Ultipro. The Retirement Manager also runs a monthly audit report to validate correct plan set up prior to payroll processing.

Each pay period after the payroll has been transmitted and the pay period closed, the payroll/retirement team transmit 403(b) payments to the provider based upon the payroll register. Yearly annual employer match contributions are calculated by the third party provider PolyComp and are funded to participant accounts. The Controller reviews and approves the payments.

Each month, the payroll/retirement team processes payments and monthly reporting to CalSTRS, CalPERS and TCRS, based upon published deadlines. An internally generated

reporting tool extracts data from Ultipro and puts in a format for reporting for CalSTRS and LACOE reporting. CalPERS and TCRS data is reviewed before submitting by the Payroll Manager/Director of Retirement.

G. PAYROLL PROCESS

The processing of the payroll involves a series of tasks necessary to ensure that employees are properly compensated and that the applicable federal, state and local withholdings are deducted from gross wages. Additionally, detailed records must be maintained to support tax deposits.

The payroll process begins with having each employee established in Ultipro. Most employees are paid on a salary basis, thus payroll processing consists largely of entering pay-change information. Some employees are paid on an hourly basis.

The HR department enters approved pay changes and benefits changes into Ultipro. After all data is entered, approved and imports uploaded, prior to transmittal, one of the Senior Payroll Specialist runs a Calculated Check Register and the payroll team reviews each other's data entry. The Calculated Check Register is used to validate that all timesheet data, prorated calculations and other pay/benefit changes have been processed correctly. The Payroll Manager runs a series of control reports to validate the accuracy of the payroll and to ensure no terminated employees are paid. Once this review is complete, the Controller reviews and approves the report before the payroll team finalize the payroll. Once all data has been verified, checks/direct deposit vouchers are printed. Checks are sent to the sites for distribution to employees by principals/office managers on pay day, and the Controller uploads the ACH payroll files to the bank for direct deposit payments, ensuring first that the payment file total agrees to the register for each pay group.

Vacation (PTO) is accrued through Ultipro on a semi-monthly basis for all eligible employees. An employee is eligible if they meet certain criteria (i.e. full-time employee, or benefit eligible employee) and Ultipro recognizes these criteria from the initial information entered into the system by HR. Ultipro automatically calculates vacation accrual for all eligible employees. PTO policies are set out in the Employee Handbook.

Each employee is required to submit a time off/sick leave request electronically using Replicon, prior to taking vacation. The employee will submit this to his/her supervisor/principal for approval who will also approve in Replicon. The Senior Payroll Specialist will look up whether the employee has enough available hours for the

request and will contact the supervisor if not. Employees are not allowed to use hours in advance.

At year end, the payroll team reconciles the W-2 total payroll wages to the payroll registers, which tie to the G/L accounts. Along with the monthly reviews, quarterly reconciliations are also performed by the Payroll team and reviewed by the Controller as the DE9, 941 tax returns are prepared, as needed.

H. PAYROLL TAX FILING AND PAYMENTS

Returns and payments for payroll withholding tax, social security/medicare, SUI and state and local taxes and unemployment will be prepared by the payroll team, in accordance with guidelines established by federal, state and local authorities, and reviewed by the Payroll Manager and Controller. The payroll team will file these returns and make payment on behalf of Aspire - both of which are reviewed by the Payroll Manager or Controller. The Controller will ensure that all returns are reviewed and that they have been submitted to the respective authorities.

I. PAYROLL RECONCILIATIONS AND REVIEWS

After payroll is processed, the Staff Accountant or Assistant Controller exports the payroll data from Ultipro to format for upload to MIP. The Staff Accountant/Assistant Controller converts data for accounting purposes. The full P&L account string in Aspire's chart of accounts is:

Site	**-**	**Fund**	**-**	**Resource**	**-**	**Goal**	**-**	**Object**	**-**	**Function**
xxx		xx		Xxxx		Xx		xxxx		Xx

The Controller is mostly concerned with collecting, recording, and reconciling data for two significant code strings: site and object codes. The financial analyst is responsible for the resource coding. The Controller reviews and approves the journal entry to ensure it balances to the payroll detail before posting. The Staff Accountant or Assistant Controller do not have access to process or modify the payroll run. Each month payroll and retirement balance sheet reconciliations are prepared by the Staff

Accountant/Assistant Controller and reviewed by the Assistant Controller/Controller to ensure segregation of duty.

II. Procurement

A. ALLOWABILITY

Aspire Public Schools purchases only those goods and services that are reasonable, necessary, and allowable for the organization to achieve its mission or other approved purposeful need. Consideration for procurement must align with the principles outlined in CFR 200.420-475. With every purchase, authorized approvers and employees will take into account price, quality, and level of service. Vendors may be selected based on any or all of these factors.

Purchases paid with federal grants will follow procurement methods stated in Uniform Guidance 2 CFR 200.317-200.326, except where Aspire's policy is more conservative. Purchases of $5,000 or greater are capitalized as a fixed asset, tagged, and tracked until it has been disposed.

In accordance with California EC Section 35168, each school site will establish and maintain a historical inventory which will contain the description, name, identification numbers, and original cost of all items of equipment whose market value exceeds $500 per item, the date of acquisition, location of use and time and mode of disposal.

B. RELATED PARTY TRANSACTIONS

All Employees and Board members must disclose relationships with current or proposed vendors in accordance with Aspire Public Schools' Conflict of Interest Policy. Any purchases that are paid through federal grants must follow the conflicts of interest requirements per Uniform Guidance 2 CFR 200.118.

C. CONTRACT GOODS AND SERVICES

All contracts and contracting processes must adhere to *California Public Contract Code (PCC)* sections 20110-20118. In accordance with *PCC* 20110 – 20118.4, Aspire will competitively bid and award any contracts involving an expenditure of more than $99,100, to the lowest, responsible bidder. Contracts subject to competitive bidding include:

1. Purchase of equipment, materials, or supplies to be furnished, sold, or leased to

the school district.
2. Services that are not construction services.
3. Repairs, including maintenance as defined in *PCC* Section 20115, that are not public projects as defined in *PCC* Section 22002(c).

The State Superintendent is required to annually adjust the threshold according to inflation, in which case, Aspire Public Schools will adjust its policies accordingly.

For public projects, such as construction or reconstruction of publicly owned facilities, the bid threshold is $15,000.

To ensure protection, Aspire Public Schools requires contracts for goods or services to state expectations from both parties, delivery timing, payment terms, and other standard legal protections. Common types of contracts Aspire Public Schools utilizes include independent contractor agreements, memorandum of understanding, janitorial contract, and purchasing contract. Aspire Public Schools employees should utilize the contracts page created by the Aspire Finance team to help with any questions regarding contracts or to obtain a template to begin drafting a contract.

Aspire Public Schools requires completion of IRS Form W-9 for all new vendors, except local, state or federal government entities (in order to set up a new vendor in the accounting system and to issue 1099 forms) before payment can be made to the vendor.

Drafted contracts should be delivered to the Contracts team at contracts@aspirepublicschools.org. Completed contracts will be uploaded to Coupa by the Accounts Payable team where invoices are to be submitted against them. **All invoices derived from an approved contract should be submitted in Coupa against the contract so it does not go through another approval chain.** Once a contract has gone through the contracts process, invoices related to the approved contract and within the stated contract value will go directly to the AP team for review, and no further approval is needed.

D. NON CONTRACT GOODS AND SERVICES

Aspire Public Schools allows for the purchase of goods and services from a vendor agreeing to bill the organization after the goods or services have been delivered. In some cases, a deposit may be required up front prior to delivery of goods or services. In case where purchase orders are needed, Aspire Public Schools employees will utilize Coupa to submit the purchase request.

In rare cases where goods or services have been delivered without a Purchase Order or Contract, a non-backed invoice can be submitted in Coupa to go through the necessary approval chain. This type of invoice submission should be avoided as much as possible through use of Purchase Requests and contracts.

III. Contract Management (2 CFR, Section 200.318[b])

Aspire Public Schools must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. Aspire Public Schools will perform the following tasks to ensure compliance:

- Monitor the vendors' compliance with the terms of the contract or purchase order
- Review products and delivery invoices or receipts to ensure the items that were solicited and awarded are the items that are received

IV. Procurement for Purchases with Federal Funds

For all purchases of goods or services under a Federal Government Grants Program (i.e. TIF, CSP, Title I), Aspire Public Schools will follow procurement methods stated in Uniform Guidance 2 CFR 200.317-200.326 and California *Public Contract Code (PCC)* Section 20110 –

20118 except where Aspire's policies are more conservative. The Uniform Guidance methods of procurement are focused on reducing the risk of waste, fraud, and abuse. It requires internal controls of how federal award money is used and requires Aspire to follow documented procurement procedures that reflect applicable state and local laws. This guidance also focuses on increased competition and transparency in the procurement process.

Sites will keep an inventory list per CFR 200.313 and EC Section 35168 for any items purchased with federal funds. The inventory list will include the following:

- Description
- Serial number or other identification number
- Source of Funding (including FAIN)
- Title holder
- Acquisition Date
- Cost of Property
- Percentage of Federal participation in the project costs for the Federal award under which the equipment/property was acquired
- Location, use, and condition of the equipment/property
- Date of disposal (if applicable)
- Sale price of equipment/property (if applicable)

For any capital expenditure purchase with a unit cost of $5,000 or more using federal funds, prior approval must be obtained from the California Department of Education (CDE). The requirement is per item, not the grand total. If an item is priced $4,999.99 or less before taxes and other fees, no approval is needed from the CDE to make a purchase.

Method:	**Purchase Transaction Threshold:**	**Type of Competitive Action:**	**Additional Comments:**
Micro-Purchase	$0 - $3,500 (this threshold was increased from $3,000 up to $3,500)	Requires one (1) written quote or proposal from a qualified supplier	No competitive quotes are required if price is reasonable
Small Purchase Procedure	$3,500 - $99,099	Requires at least two (2) quotes or proposals from qualified suppliers	Informal purchasing procedures are allowed but price and rate quotes must be obtained (i.e. phone call or web search)
Sealed Bid	$99,100 – $150,000	Require three (3) or more public RFP's (managed through Home Office)	Most common for construction projects. Contact finance@aspirepublicschools.org Contract must go to lowest, responsible bidder. (*PCC* Section 20111)
Competitive Proposal	$150,000 and greater	Require three (3) or more public RFP's (managed through Home Office)	Required for solicitation and is used when sealed bids are not appropriate. Best practice is to solicit at least 3 qualified sources. Contract must go to lowest, responsible bidder. (*PCC* Section 20111)

Noncompetitive proposal (sole source)	$3,500 - $99,099	Sole-source procurement appropriate when specific criteria are met	Item or service may be available from only one source. Emergency doesn't allow for competitive proposal process. Justification needs to be documented.

A. SMALL PURCHASE PROCEDURES

For purchases of $3,500 up to $150,000, documentation of at least two quotes or proposals must be submitted to the Finance team at the Home Office. These documents should be submitted to finance@aspirepublicschools with a reference to actual awarded vendor and dollar amount when a decision has been made. Refer to the Small Purchase, Sealed Bidding, and Competitive Proposal template for more support.

B. SEALED BIDS AND COMPETITIVE PROPOSALS

For purchases $150,000 and greater, a formal sealed bid process or competitive proposal process will be followed. These processes will be completed and managed by a Home Office Finance staff member. Documentation of the process will collected and stored and will strictly follow the Uniform Guidance requirements. The bid or contract award will be approved Controller, VP of Finance, or CFO. Refer to the Small Purchase, Sealed Bidding, and Competitive Proposal template for more support.

C. NON COMPETITIVE PROPOSAL (SOLE SOURCE)

Section 200.320 of Uniform Guidance defines the circumstances in which sole source procurements are permitted:

1. The item is only available from a single source
2. The public emergency will not permit a delay resulting from competitive solicitation
3. The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-Federal entity
4. After solicitation of a number of sources, competition is deemed inadequate

Only one of these circumstances needs to be met for a procurement to qualify

In addition to meeting one of these circumstances the following must also be completed and delivered to the Finance team at finance@aspirepublicschools when Sole Source procurement is utilized:

1. Perform a cost or price analysis to ensure reasonableness
2. Document a history of the process and reasoning behind utilization of this method
3. Document circumstances and rationale for not completing the solicitation

D. SEARCH FOR VENDORS ON THE SYSTEM FOR AWARD MANAGEMENT (SAM)

Before engaging a vendor, a search on the SAM website for the vendor by name, tax identification number, or another characteristic must be completed to make sure the person or entity hasn't been suspended or debarred from performing federally funded work. Vendors on the debarred or suspended list should not be selected for services utilizing federal award money.

Aspire will avoid real or apparent organizational conflicts of interests and non-competitive practices among vendors with procurement supported by Federal funds. Procurement shall be conducted in a manner to provide, to the maximum extent practical, open and free competition.

E. SMALL PURCHASES, SEALED BIDS, AND COMPETITIVE PROPOSAL DOCUMENTATION TEMPLATE

For all purchases of goods or services under a Federal Government Grants Program (i.e. TIF, CSP, Title I), Aspire Public Schools will follow procurement methods stated in Uniform Guidance 2 CFR 200.317-200.326 except where Aspire's policies are more conservative.

F. SMALL PURCHASE PROCEDURES

For purchases of $3,500 up to $150,000, documentation of at least two quotes or proposals must be submitted to the Finance team at the Home Office. These documents should be submitted to finance@aspirepublicschools with a reference to actual awarded vendor and dollar amount when a decision has been made.

G. SEALED BIDS PROCEDURES

For purchases $150,000 and greater related to construction, a formal sealed bid process will be followed where possible. This process will be completed and managed by the Home Office Facilities team. Documentation of the process should made following Part 1 and Part 2 below.

H. COMPETITIVE PROPOSALS

For purchases $150,000 and greater where a sealed bid process is not used, competitive proposal process will be followed where possible. These processes will be completed and managed by a Home Office Finance staff member. Documentation of the process should made following Part 1 and Part 2 below.

Part 1: Summary of Sealed Bids or Competitive Proposals:

Department/Region/School	
Project	
Date	
Item(s)	
Cost for Entire Contract	
Federal Resource	
Application/ Allowable use	
Vendor Selection (Document Process)	
Vendor status on the System for Award Management (SAM)	

Part 2: Received Bids

1. Attach bid/quote from selected vendor (ideally using provided RFP form)
2. Attach alternative bids/quotes from three (3) suppliers when possible

3. If purchasing goods or services from a certain vendor without competition, justification for lack of competition must be submitted (e.g. for "sole source" suppliers explain why the product or service is unique and how other similar goods or services cannot perform the same objective)

V. Independent Contractors

The purpose of this section is 1) to ensure that individuals are appropriately classified as an independent contractor, and 2) to clarify the process and forms required in the event an independent contractor performs work for Aspire Public Schools. Aspire pays independent contractors for their services. Unlike regular employees, no taxes or voluntary deductions are withheld from independent contractor payments.

A. FACTORS TO DETERMINE IF SOMEONE SHOULD BE CONSIDERED AN INDEPENDENT CONTRACTOR - ABC TEST

To show that a worker is an independent contractor, the hiring entity has the burden to establish each of the following elements:

> (A) That the worker is free from the control and direction of the hirer in connection with the performance of the work, both under the contract for the performance of such work and in fact;
>
> (B) That the worker performs work that is outside the usual course of the hiring entity's business; and
>
> (C) That the worker is customarily engaged in an independently established trade, occupation, or business of the same nature as the work performed for the hiring entity.

NOTE: if the independent contractor doesn't meet the ABC test, please proceed to speak with HR about hiring them as an employee.

For additional guidance, please refer to the **10 Golden Rules re Independent Contractors 2019** below and contact HR:

1. Don't engage a former employee as an Independent Contractor

2. Don't engage an Independent Contractor who recently was an employee anywhere else
3. Don't be an Independent Contractor's first customer
4. Don't engage an Independent Contractor to perform the same work as employees
5. Don't prohibit an Independent Contractor from working for other companies
6. Don't provide training to an Independent Contractor
7. Don't attempt to control how, where, or when work is performed
8. Don't provide tools or equipment
9. Don't reimburse for business expenses
10. Be careful converting an Independent Contractor to an employee

B. INDEPENDENT CONTRACTOR PROCESS AND FORMS

1. Once Contractor status has been met, appropriately authorized employees should complete the Independent Contractor Agreement template. The Contractor will need to provide a W-9 tax form, as well as TB and DOJ clearance if they will be working at a school site.

2. The Signed Agreement, W-9, TB & DOJ forms should be forwarded to both contracts@aspirepublicschools.org and the Director of Employee Services for review and approval, **prior to the Contractor beginning work**.
3. The contracts team will coordinate with HR to ensure the contractor is TB/DOJ cleared. The contracts team will also review the contract with the Financial Analysts team to confirm approval of the budget amount of the contract.
4. Once approved, the Independent Contractor Agreement will be signed based on Purchasing Approval limits within the fiscal control policy document, and will be added into the COUPA purchasing system.

PLEASE NOTE, CONTRACTORS WITHOUT THE APPROPRIATE DOCUMENTS OR CLEARANCES WILL BE SENT HOME TO HELP ENSURE THE SAFETY OF OUR STUDENTS, STAFF, AND TO PROTECT THE ORGANIZATION.

At the completion of work (or as otherwise stated in the IC Agreement), the Contractor will submit an invoice their site contact. Invoices should be approved and coded and uploaded directly into COUPA.

To terminate an agreement prior to the completion of the project, please see the Termination Letter Template on MyAspire.

VI. Credit Cards

A. CREDIT CARD PURCHASES

At times, it is necessary for purchases to be made on a corporate credit card. Aspire Public Schools issues credit cards to specific authorized employees to benefit Aspire Public Schools and the purchaser through prompt payment to suppliers and vendors. Credit Cards should not be used to bypass established purchasing procedures, including advanced approval processes. Credit Cards are issued at the discretion of the CFO and Controller to current employees who are granted purchasing authority (see Approval Matrix). Cardholders agree to all purchasing policies and procedures as well as the cardholder agreement (see Cardholder Agreement).

Violations of these policies will be investigated and may result in a written warning, suspension or revocation of credit card privileges, disciplinary action, or termination. The CFO and Controller have the authority to investigate any potential violations and determine recommended actions as deemed appropriate.

Cardholders are responsible for the activity on the card. Aspire Public Schools may suspend or cancel the card at any time for any reason and cardholders will surrender the card upon request.

Credit card violations may include, but are not limited to:

- Purchase of personal items or items for family/friends
- Credit card usage for cash advances
- Credit card payments for invoices without proper authorization
- Failure to return cards upon request
- Loaning of card to any other person
- Failure to reconcile credit card statement on monthly basis
- Failure to provide other support for charges as requested
- Two incidences of missing receipts over a three month period

Below is a list of credit policies for card holders to closely follow:

- The credit card is to be used for pre-approved business purposes only

- Credit card limits will be established based upon role and responsibilities and will not exceed $10,000.
- If a greater limit is needed for a particular employee, a request may be submitted by the employee's supervisor, and approved by the Controller or CFO.
- No personal items should be charged to Aspire issued credit cards.
- When using a credit card for internet purposes, cardholders should ensure that the website uses secure socket layer encryption (where website addresses start with https:).
- Cardholders shall not assign someone else the use of a credit card.
- Cardholders are personally responsible for settling any dispute over any purchase from a vendor.
- Should an employee experience two (2) violations in a three (3) month period, they will be subject to at least one (1) month suspension on credit card privileges.
- Continual violation of credit card policies may result in cards being canceled.
- Cardholders should plan activities and submit travel and purchase order requests early enough to use the regular Coupa purchasing system rather than the credit card.
- Credit cards may not be used to pay for invoices from vendors unless authorized by the CFO and Controller.

Each cardholder is expected to do the following in regards to receipts and reporting:

- Complete credit card reconciliation (statement review).
- Provide copies of corresponding receipts within stated deadline to online site. Receipts should be itemized and show entire details of what is purchased, especially for meals and restaurants (a credit card charge slip or statement is not sufficient).
- Maintain original receipts and send to Finance team employee upon request.
- When providing receipts, cardholders are expected to provide a brief description of purchase, provide codes such as object and resources, and ensure receipts uploaded are viewable.
- When receipts are missing, cardholders must complete Missing Receipt Acknowledgement Form which is uploaded as receipt image in lieu of receipt and approved by the cardholder's supervisor.
- Follow-up on any erroneous charges, returns, or adjustment to ensure proper credit is given on a timely basis.
- If card is lost or stolen, contact the Assistant Controller and Wells Fargo immediately to report.

VII. Invoice Approval & Processing

Aspire Public Schools invoice approvals are mostly automatically generated by the purchasing system (Coupa) approval chains, which are driven by the Home Office and School Site/Regional Approval Matrices identified in the section regarding Authorized Approvers and Authorization Limits. Other invoice approvals are done manually via signature or email. Invoice approvals are completed prior to recording the invoice in the accounting system and subsequent payment.

Aspire Public Schools, whenever practical, shall pay invoices within 30 days of their issuance, unless alternative arrangements are made with vendors or unless a dispute arises. Invoices of an amount which precludes payment within 30 days may be put on a payment plan, allowing a monthly payment agreeable to both the organization and the vendor, unless another arrangement is reached agreeable to both the charter school and the vendor.

Accounts payable include costs and expenses that are billed through a vendor invoice, and are recorded at the invoice amount. All accounts payable shall be recorded on an accrual basis in accordance with GAAP. Accounts payable shall be maintained by the Accounts Payable Accountant who shall ensure timely payment or the development of payment plans to be approved by the CFO. The Accounts Payable Accountant also shall maintain an aging of accounts payable schedule listing the payee, transaction date, amount, payable description, and account. Payments of invoices shall be processed weekly. All purchases in excess of $250,000 shall be approved by the Board of Directors. All invoices will be approved by the CEO, CFO, Department Head, or appropriate School Leader prior to payment. No payment will be made without a properly approved invoice or other supporting documentation. All contracts that equal or exceed $250,000 shall be approved by the Board of Directors.

VIII. Cash Disbursements & Wire Transfers

The following internal controls are in place for disbursements:

- Pre-numbered checks and special check protective paper
- Match disbursement records against accounts payable / open invoice files
- Bank statements reconciled to cash accounts and any outstanding checks verified
- Separation of duties to the extent possible for an organization of Aspire Public Schools' size
- The CEO, CFO, and COO are designated as check signers.
- The CEO, CFO, Director of Finance, and Controller are authorized administrators on the Wells Fargo CEO Portal to manage electronic banking

- Blank checks will be held at Aspire Public Schools and locked in a cabinet or safe. Check signers will not have access to the cabinet or safe.
- Voided checks shall be retained to ensure proper maintenance of checking account records

A. DISBURSEMENT PROCEDURES

Aspire utilizes Wells Fargo Payment Manager Software to process their checks. Wells Fargo must be provided with the appropriate information in order to write the checks on the Aspire's behalf. The software extracts the check batch to be processed from MIP, and uploads the batch for CFO or Controller approval. The CFO or Controller review the individual items and details in the payment batch prior to releasing the batch to Wells Fargo for processing.

The CFO or Controller examines the batch as compared to their AP aging detail to ensure that the items being paid are in accordance with their approval. If there are items that need to be removed/added/edited, the CFO or Controller returns the batch to AP team at which they will modify the batch. The batch then is resubmitted, and the cycle starts over.

Once the batch is approved by the CFO or Controller in whole, the custom software transmits the necessary data to Wells Fargo for payment, and the batch is posted by AP in MIP.

If physical checks need to be printed, they are created by the AP team, and given to the CEO, COO, or CFO for verification, approval, and signature.

Authorized signers of checks are CEO, COO, or CFO. The checks are given back to the AP team to be mailed. The voucher package is filed by vendor in filing cabinets.

The AP team handles the transmission of the positive pay data to ensure that Wells Fargo honors all manual checks processed in office. The mailing of checks by AP is not deemed a significant risk as the bank will only process those checks that are listed on the positive pay file. Positive pay data submission is not necessary to be done by the AP team for checks processed by Wells Fargo because it is already done automatically when the file is submitted.

Payment Manager processing through the Wells Fargo Link (custom software application) is our main processing method for checks and ACH payments related to AP expenses or AP vendor payments. The CFO and Controller are the only authorized individuals at Aspire to have access to log in to the Wells Fargo Link, thus, mitigating

risks relating to unauthorized transmittal. In addition, the software does not modify data from MIP or add to data already in MIP. The batch must be processed on same terms as other payments that would be printed on site.

On occasion, the CEO, CFO, and Controller have access and may process an ACH payment batch through SAFE Transmission on the Wells Fargo CEO Portal. Payment files are created through text files generated from MIP by the AP team and then reviewed by the CFO, Controller, or Director of Finance prior to processing. CNOTE confirmations are directed to the team from the CEO portal after a successful transmission has been processed.

B. WIRE TRANSFERS

Intra-company transfers (fund transfers between Aspire Public Schools owned bank accounts) can be executed by the CEO, CFO or Controller as necessary to make Funds available in the operating accounts.

Wire transfers out of Aspire Public Schools accounts to Vendors require standard purchase documentation (e.g., either contracts, or Purchase Orders, Invoices and Payment Approvals) and must be initiated by the Staff Accountant or Assistant Controller and approved Controller, Director of Finance, CEO, or CFO.

The Accounts Payable team takes the following steps before processing wires:

- Confirms with the vendor, routing numbers and account numbers on file.
- Confirms that all vendor email addresses do not contain any misspellings, and do contain any inconsistent company domains (i.e. – different company domains as compared to vendor name)

A phone verification should always be conducted if a vendor requests to change banking information on file.

IX. Check Requests

A. PURPOSE

Aspire's check request policy covers both Coupa and Non-Coupa requests. The purpose of Aspire Public Schools' check request policy is to:

- Clearly assert what constitutes as an emergency check
- Ensure that check requests are being entered with the correct information
- Ensure that submitters are allowing enough time for AP to process checks

There are two methods of how to submit a check request, with appropriate documentation, through our COUPA system or via email. All check requests are

expected to be entered in a timely manner, giving both supervisors and the accounting team enough time to review and process requests. Requestors should submit the request at least one week prior to the date it is needed. Check requests not submitted

with at least one week lead-time from the due date, may not be processed by the date requested.

Check requests are reviewed on a daily basis by the Accounts Payable team. Delivery of the signed check may be delayed due to holidays, Home Office Closures, or in cases where a check signer is not available. Once all necessary approvers have reviewed and approved your report, it will go to the Accounts Payable team for processing. Check requests will be sent to the requester or the vendor, depending on the submitter's request. Delays in check request processing can occur when budget owners fail to review and approve the request in a timely manner. It may be necessary to follow up with budgets owners in approval chain to ensure timely approval.

B. PAYMENTS ELIGIBLE FOR CHECK REQUESTS

Aspire Public Schools will process requests that have been made for urgent payments. Examples of what would qualify as an urgent check request includes: deposits for retreat venue or construction project, payments for field trips where a check must be presented to enter, and unforeseen repairs. Please be advised that delinquent invoices do not qualify a check request and should be submitted through the regular invoice process in Coupa. Below are specific guidelines for what is required for a check request to be processed in a timely manner.

C. SUBMITTING A CHECK REQUEST

The following guidelines must be followed to avoid delay in processing and issuing of check requests:

<u>COUPA USERS – Existing Vendor</u>

- When submitting the check request, you must select your reason for the check request, using the drop down.
- Submit a date for when check is needed. Reminder to give at least 7 business days for processing, start to finish. (Of course, AP realizes there are special circumstances, so reach out to AP for guidance on requests need sooner)
- Select where the check should be sent.
- Enter Vendor name as it appears in COUPA.
- New Vendor selection should always read NO
- Use additional comments for any payment or delivery requests made by the vendor.
- Be sure to select the appropriate object code as well as entering exact amount needed for payment.
- Be sure to attach backup needed for request. This is going to be a document provided by the vendor showing items or services to be rendered, the amount being charged, the date, the vendor name should also be present on the document.

- If the backup is not detailed and shows little information concerning what payment is for, the request will automatically be rejected. Please be advised that this needs to be on the backup itself. If it is only written in the description it will still be seen as insufficient.

- Forward ACH Form (Direct Deposit) to vendor for review and submission.
  - This ACH form is important as Aspire is moving toward electronic payments. This payment system will also ensure that your requested payments are received sooner by the vendors.

- Documents attached should be in PDF or JPEG format.

COUPA USERS – New Vendor

- Same information required as above.
- New Vendor selection should always read YES
- Include an attachment with Vendor W-9 (without it, your request will be rejected automatically)
- Forward ACH Form (Direct Deposit) to vendor for review and submission.
  - This ACH form is important as Aspire is moving toward electronic payments. This payment system will also ensure that your requested payments are received sooner by the vendors.

ACH FORM

- ACH Forms can be found in the MyAspire Page under Teammate Resources and Accounting.

D. PAYMENTS INELIGIBLE FOR CHECK REQUESTS

Check Requests are reserved for payments needed by the vendor to complete a service or order in a short time. If services timelines or delivery of orders are not affected, then the check request is not an emergency. If the payment is not due for another 7 business days then the request does not constitute as an emergency check request. In both these cases, payments must be submitted through COUPA invoices process. Invoices that have been entered and approved by both supervisors and AP, are processed and paid every week, Thursday.

Check Request Best Practices

Due to the time and effort it takes for a check request to be completed, we recommend working with vendors and suppliers to have an invoice created to be submitted through Coupa for payment, rather than processing check requests. Because

we are able to send ACH payments, the time it takes for a vendor to receive payment has been dramatically reduced. Please be sure to offer this.

X. Petty Cash

A. OVERVIEW FOR PETTY CASH

- Each Aspire Public Schools school site is allowed to have up to $200 in Petty cash for day-to-day purchasing needs of less than $25 per purchase.
- Petty cash can be reimbursed from the Home Office as quickly as a monthly basis upon receipt of the school ledger and receipts. Otherwise, reimbursements will be done as reported by the schools.
- Petty cash is to be controlled by the Office Manager or Business Manager of the school site.

- Each school site with petty cash must report a ledger with receipts at least once per year.
- Each site should have a petty cash box (with a lock) and a receipt book. The Home Office will send each school site a petty cash ledger (spreadsheet).

B. USE OF PETTY CASH

Petty cash should be used to purchase items such as:

- Emergency stamps
- COD package
- Pizza for a group of teachers/staff who help you get ready for an evening event, etc.
- Large pizza purchases are not permitted
- Treats, such as donuts or coffee, for parents or staff for support of an event

C. HOW TO MANAGE PETTY CASH

In order to use petty cash you need:

- A dated receipt in the amount of the cash you are going to reimburse, taped to a piece of 8.5” by 11” paper.
- Signature of person receiving funds acknowledging receipt of money.

- The reason for the reimbursement listed on the paper.
- Your signature authorizing the transaction.
- A record of the transaction in the Petty Cash Ledger

Each office manager is responsible for maintaining a ledger that shows when cash is deposited into or withdrawn from the petty cash account. The original petty cash Ledger and receipts are due to the AP Team at the Home Office

D. HOW TO REPLENISH PETTY CASH

Petty Cash can be replenished by sending the following documents to Home Office AP Team:

- Petty Cash Ledger
- Receipts attached paper
- Petty Cash Count sheet with signatures verifying accuracy

Once the AP team receives all the necessary information, a paper check will be issued to the school site where it can be cashed and then added back to the petty cash box that is locked up.

XI. Employee Expense Reimbursement

A. PURPOSE

The purpose of Aspire Public Schools' expense reimbursement policy is to:

- Maintain effective controls on resources
- Authorize reimbursement to teammates for reasonable and appropriate business purposes
- Ensure expenses are in compliance with IRS, state, and/or granting/funder agency regulations
- Ensure that resources are wisely used to achieve the organization's mission

All employees of Aspire Public Schools are eligible to submit expense reimbursements, documented with receipts, through our expense reporting system and are expected to do so in a timely fashion. All expenses must be approved by a supervisor or authorized person other than the employee before payment. Employees should make every effort to submit requests weekly or within 30 days of incurring such expense. Items submitted **45 calendar days** after the date it was incurred may not be reimbursed.

Reimbursements typically occur weekly on Thursday's but may vary due to holidays or Home Office closures. Once a supervisor has approved a report, it will go to the Accounts Payable team to process the payment. The Accounts Payable team will utilize direct deposits as the method of payment to expedite reimbursements to employees where direct deposit have been set up. It may take up to **7 business days** from the supervisor approval for a reimbursement to be issued to a staff member.

B. EXPENSES ELIGIBLE FOR REIMBURSEMENT

Aspire Public Schools will reimburse employees for reasonable, necessary, and pre-approved work-related out-of-pocket expenses. Examples of reimbursable expenses include: mileage, tolls and parking for travel beyond your normal commute, postage, supplies, meals, gas for rental cars, air travel, rental cars, and lodging. Below are specific guidelines for reimbursement of mileage, air travel, car rentals, other transportation, hotels, and meals and entertainment.

C. EXPENSES INELIGIBLE FOR REIMBURSEMENT

Aspire must adhere to certain guidelines as set forth by the California Department of Education for the use of State and Federal funds. The following is a list of non-reimbursable items:

- Personal expenses or family member expenses
- Alcohol and tobacco (with exceptions noted in the Aspire Alcohol Policy)
- Gift cards (amounts should be paid by Aspire Public Schools Foundation)
- Laundry or cleaning expenses
- First class tickets or upgrades
- Early check-in fees for hotels, flights, and reservations
- Travel insurance
- Room upgrade fees
- Membership dues at any country club, private club, athletic club, or tennis club
- Baggage fee for less than 3 nights stay
- Hotel gym or health club fees
- Massages or spa services
- Traffic citations
- Movies or PPV in hotels
- In room minibar items
- Clothing or jewelry purchases
- Fee for obtaining background check and/or TB clearance test
- Cash advances
- Political contributions or donations

Common purchases from common vendors used on an ongoing basis exceeding a $1,000 threshold should not be charged to personal credit cards. Instead, expenses exceeding the threshold of $1,000 should be entered in Coupa as either a check request, or purchase order. Employees should follow up with their Office Manager about this process.

D. SUBMITTING AN EXPENSE REIMBURSEMENT

The following guidelines must be followed to avoid delay in reimbursement of expense reports:

- When an expense is incurred, the original itemized receipt should be scanned or saved in PDF or JPEG format. Original receipts should be maintained by the employee for their own records. Receipts are required for all items above $25, and items $25 and below without receipt support may be rejected.
- Reimbursements should be submitted in a timely manner shortly after expenses are incurred. Expenses submitted more than 60 days from the date the expense was incurred may be rejected
- A clear explanation of the expense should be provided in the expense template, so the supervisor and the Accounts Payable team (AP) can understand what the money was spent on. For meals, the business purpose of the meeting and the names and positions of all the attendees should be noted.
- The Expense Reimbursement Template should be completed. Select the project/site code affiliated with the expense report.
- When submitting business airline/mileage/car rental for reimbursement, follow the guidelines specific to those sections of the policy.
- Click on the “submit” icon located on the bottom of the page in order for the report to go through the appropriate approval chain process.
- Managers/Supervisors are responsible for reviewing that expenses are reasonable in amount, appropriate based on the employee’s responsibilities, supported by a receipt, coded accurately, and consistent with Aspire Public School’s expense policy prior to approving.

E. Mileage

Employees can be reimbursed for the cost of driving their personal car on Aspire Public School business (Effective 1/1/2026: 72 cents per mile). The trip must be reasonable and necessary and approved by an employee’s supervisor. Mileage must be submitted in the following format as displayed in the line item description: “Home Office to Monarch”; or “CV Regional office to CHA”.

Note that an employee cannot be reimbursed for a "normal" commute. For example, if an employee has a normal 2 mile round-trip to work, and is

assigned on a particular day to go to another location and that round trip is 10 miles, the mileage reimbursement will be for 8 miles. A “normal” commute is defined as the distance from an employee’s residence to their assigned school, regional, or home office site.

Reimbursement for cross-country trips or relocation expenses requires the approval of the Controller, CFO, or a Senior Leadership Team (SLT) member.

Aspire Public Schools is not responsible for parking tickets, or moving violation tickets.

F. Air Travel

Each employee is responsible for securing his/her flight arrangements if necessary at the best possible price. Aspire employees are expected to do the following when purchasing flights:

- Purchase airfare in Economy class or equivalent. If Economy class is unavailable, the employee must obtain approval from the CFO or Controller before purchasing a ticket.
- Purchase airfare at least 14 days ahead of travel when possible. Tickets purchased less than 14 days in advance must be approved by the employee's supervisor in advance of purchase.
- If airline flights provide a credit for refunds with regards to business airfares which Aspire paid for, the refund should be reimbursed to Aspire Public Schools.
- When expense reimbursements are submitted, it must include the following description: Order confirmation number/itinerary number, and date of travel. For example: AEX1234 and 05/31/17.
- Only actual costs will be reimbursed. No reimbursement will be made for the value of premiums earned through frequent traveler programs applied to business travel. This includes free upgrades or free flights.
- Airline baggage fees for trips lasting two nights or less are not allowable, unless traveling with a discount airline. Charges incurred for baggage on domestic flights should not exceed $50 per flight.

Aspire Public Schools is not responsible for lost, stolen, or damaged luggage. Should this occur, the employee is responsible for filing a claim with the airlines and/or the employee's own insurance company. If change fees are applicable due to a change in flight, the expense must be approved in advance by the employee's supervisor. Aspire Public Schools does not reimburse for early check-in.

California Air Travel: In a continued effort to contain travel costs, Aspire has instituted a cap on flight expenditures in California. The following limits will be in effect for round trip flights between these regions (based upon making a reservation at least 14 days in advance of departure):

- SF Bay Area--Los Angeles - Sacramento--Los Angeles - $500

Any exceptions to this policy **must be approved in writing by the employee's supervisor** PRIOR to booking, and include the rationale and justification for amounts exceeding the limits above (approvals to be attached with receipt claiming reimbursement). Amounts over the listed limits will not be reimbursed without appropriate approval and justification ahead of time.

G. Car Rentals

Car rentals should be used only when needed and alternate forms of road transportation (uber, taxis, public transit, and personal vehicles) are not available. Aspire Public Schools' corporate account with Enterprise should be utilized as much as possible because it will typically provide the best rate and may provide the best deal. The link to the Enterprise Corporate booking site is here. Aspire Public Schools employees are expected to do the following when booking rental cars:

- Rent "mid-size" models or lower and not exceed $85 $ per day base rate
- Loss Damage Waiver (LDW) insurance should be accepted when offered by rental agency
- Aspire Public Schools will not be responsible for damages that occur during business use of either a personal or rented car
- Rentals over a weekend or holiday period are **not** reimbursable, unless adequately explained and approved (in advance) by a supervisor
- Refuel at a gas station prior to returning the vehicle at the end of the rental period, instead of purchasing the refill directly from the car rental company
- Car rentals should be submitted in the line item description as follows: (Order number/itinerary number & service date(s) incurred)

H. Other Transportation

Reimbursement will be made for reasonable transportation costs other than air travel and car rentals. This category includes:

- Uber/Lyft/Taxi fares between office/home and airport as well as between airport / hotel and final destination (e.g. conference) when traveling
- Public transportation used instead of taxis when traveling out of town
- Train Fares

I. Hotels

Reasonable lodging costs incurred in the course of business travel are reimbursable when an overnight stay is required.

- Aspire Public Schools employees are expected to stay in standard business class lodgings, and room rates are expected to be reasonable for the location, otherwise are subject to rejection and may not be reimbursed. Below is an approved list of hotels and lodging within each of our regional locations:

For other hotels/lodging, use the current GSA per diem lodging rates below as a guide (rate per night excluding taxes). Any exceptions to this policy **must be approved in writing by the employee's supervisor** PRIOR to booking, and include the rationale and justification for amounts exceeding the limits above (approvals to be attached with receipt claiming reimbursement). Amounts over the listed limits will not be reimbursed without appropriate approval and justification ahead of time.

- Bay Area: $340
- Central Valley: Sacramento: $300
- Central Valley: Stockton/Modesto: $275
- Los Angeles: $325

- Any lodging stay outside of that stated above must be approved by the employee's supervisor (written consent to be attached with receipts).
- Employees will not be reimbursed for a stay in a city longer than that is legitimately necessary.
- The actual hotel bill with the form of payment (charge slip or zero balance) must be submitted with the expense form as documentation. A charge slip alone is not acceptable. In the event of an express checkout, a hotel invoice along with a form of payment on the invoice (such as a credit card number) is acceptable.
- When work commitments require Friday and Monday trips to the same city, employees are ordinarily expected to return home for the weekend. However, if such travel would be more costly or time-consuming than remaining at the distant location for the weekend, lodging and reasonable meals costs for the traveler are reimbursable with the following restrictions:
  - Hotel laundry or valet charges are reimbursable only for unexpected extended trips.
  - Items of clothing purchased when traveling are not reimbursable. This includes replacement of lost or stolen items as well as clothing purchased as a result of an unexpected extended stay.

J. Meals and Entertainment

For U.S. tax reporting purposes, reimbursable meal expenses are defined as the costs incurred for food and beverages in the conduct of business. Entertainment expenditures require pre-approval. Entertainment expenses include the cost of amusement or recreational facilities, as well as attendance

at the theater, sporting events, etc. Food will be paid for by Aspire Public Schools and any excessive entertainment charges will be paid for from the Aspire Public Schools Foundation.

Meals made necessary by travel are reimbursable. Every effort must be made to ensure that the cost of such meals is reasonable. Please see below for breakdown of Aspire's maximum daily reimbursement of: $110:

- Breakfast (6:30 am – 11 am) $25 including tip
- Lunch (11:30 am – 4:30 pm) $35 including tip
- Dinner (5 pm – 9 pm) $50 including tip

It is not acceptable to purchase one meal for one person at the daily maximum of $110 .

Meals and entertainment expenses require the following documentation for reimbursement to occur:

- Meals and entertainment expenses must be listed separately on the expense form (including those that were paid as part of a hotel bill).
- An itemized receipt of food/drinks purchased as well as the description of purpose of meal is required. This must include the number of individuals and the names of those attending, their titles, business relationship, if applicable, and business purpose of meal and/or entertainment.
- Tear-away stubs are not acceptable as receipts; the employee must include a form of payment such as a credit card slip or cash register receipt.

K. Teachers' Classroom Expenses

Teachers will be reimbursed for pre-approved and budgeted expenses for books and supplies used in the classroom, both consumable and non-consumable. Principals provide each teacher with an "allowance" for this purpose. Note that any items purchased with or reimbursed with Aspire funds become the property of Aspire.

Note: Please verify with the Office or Business Manager if certain orders can be placed through the punch out catalog through Coupa in which vendors can automate invoices through the software. This will provide an additional discount when using the catalog, and diminish excess charges on personal credit cards.

XIALCOHOL POLICY

Per California Education Code Section 32435, no school district, county board of education, or county superintendent of schools can expend public funds on the purchase of alcohol. In addition, the risks associated with the consumption of alcohol at events sponsored by Aspire Public Schools must be actively managed. The purpose of this section is to outline when and how alcohol expenses at Aspire Public Schools-sponsored events will be reimbursed and how to manage the risk associated with serving alcohol.

No alcohol purchased for an Aspire Public Schools-sponsored event can be paid for with public funds. Any such expenses must be approved in advance by C-level management and paid for with private, unrestricted philanthropy held by the Aspire Foundation. Only offsite Aspire-sponsored events may include alcohol consumption paid for with Foundation funds:

- Annual Town Halls
- Annual Leadership Retreat
- All-Principal Meetings
- All-Directors Meetings
- Region, School or Department Retreats

Any other alcohol expenses must be reviewed and pre-approved by Chiefs, for department or other Aspire-wide events, or Area Superintendents for school or regional events.
All alcohol expenses must be coded as follows:

- Object Code: 5206 (Approved Beverages)
- Resource Code: 0000 (Unrestricted and will be covered with private funds)
- Site Code: Home Office Department (100-199); Regional Office (200, 300, 400 or 500)

The Chief Financial Officer will be responsible for monitoring the overall adherence to the policy and for ensuring that the organization has adequate philanthropic funds to cover the purchase of alcoholic beverages such that no public funds are used.

The Accounts Payable team will be responsible for monitoring alcohol reimbursement / invoice payment requests and for ensuring that alcohol beverages are coded to the appropriate object code. If the itemized receipt includes food and alcohol, the coding for the expense reimbursement must be split into parts to differentiate between the object/site code for food and the object/site code for alcohol. Food will be paid for by Aspire Public Schools and alcohol and any excessive meeting charges will be paid for from the Aspire Public Schools Foundation.

Risk Management
Aspire has an obligation to manage the risk exposure when alcohol is being serviced at an event. Here are some suggestions to consider when hosting an Aspire organized event that includes the consumption of alcohol:

- Limit the number of drinks to 2 per person
- Encourage designating a driver and offer transportation options such as taxi or ride-sharing
- Include some language in the agenda about responsible drinking
- Serve food with any alcohol

XII. Moving Expense Reimbursement Policy

Aspire may reimburse an employee for moving expenses to assist a new employee with reasonable costs incurred in moving household goods and personal effects as the result of an accepted offer of employment. Reimbursement is limited to the cost of travel to the new Aspire location/area for the individual and immediate members of the family/household.

"Reasonable Costs" includes those costs or expenses that are necessary under the circumstances of a particular move, i.e., a move from the old to the new residence must be made via a conventional mode of transportation using the shortest and most direct route available and in the shortest period of time normally required to travel such a distance. Meals and food costs are not reimbursable.

Maximum moving expense reimbursement:

- Move from East Coast or Internationally to California: $4,000
- Move from Midwest to California: $2,500
- Move in California to/ from Bay Area or Central Valley and Los Angeles: $1,000

The specific amount available for reimbursement will be determined based on the beginning location and the location of employment.

Paid receipts must be submitted to Accounting via an expense report with 60 days of initial employment to be considered reimbursable. Any receipts submitted after this period are not eligible for reimbursement. Reimbursements for moving expenses are not taxable.

The CFO must authorize the moving expense reimbursement and must be confirmed in advance of offering to the new employee.

Asset Management

I. Bank Statements & Reconciliations

A. BANK RECONCILIATIONS

Bank reconciliations for all Aspire bank accounts are performed on a monthly basis by the Accounting staff. They are reviewed by either the Assistant Controller or Controller. Outstanding check lists are provided for each account in the reconciliation including a list of payroll checks for applicable accounts. The list of outstanding checks for vendor and employee expense payments is reviewed on a monthly basis by the Accounts Payable staff. Phone calls and emails to vendors with outstanding checks are made typically after an item becomes 90 days old. The list of outstanding checks for payroll are sent to the payroll staff monthly for follow up. Phone calls and emails again are typically done after the item is 90 days old.

Reporting of unclaimed vendor or employee expense checks is performed after the check becomes 3 years old from the end of a given fiscal year. These items are reported to the California State Controller's Office on an annual basis. Unclaimed payroll checks are reported to the California State Controller's Office once the check becomes 1 year old from the end of a given fiscal year. Unclaimed payroll checks are reported on an annual basis.

II. Cash Management

Aspire Public Schools cash management procedures will adhere to 2 CFR 200.302.

A. CASH MONITORING

Day to day monitoring of cash balances within Aspire's bank accounts is managed by the Assistant Controller and overseen by the Controller and CFO. The main day to day operational bank accounts of Aspire for receipts and payments include:

- Wells Fargo California Checking account
- Umpqua California account (deposits only)

In addition, each school site has at least one bank account for specific school site receipts and payments (refer to school site ledger section).

On at least a weekly basis, the staff accountant or Assistant Controller prepares a summary cash position for the main bank accounts together with any cash balances within Government Money Market Funds and Treasury Bills (refer to Investment Policy Statement section). Based upon the cash projection for the week and month, including the timing of accounts payable, payroll and receipts, the Assistant Controller will recommend amounts to move to or from the Wells Fargo California Checking account. This is reviewed by the Controller, and if approved, cash transfers will be initiated and approved from within the Well Fargo CEO portal or Umpqua banking portal. Wire transfers are initiated within Umpqua by the staff accountant and approved and released by the Controller, Director of Finance or CFO. Cash transfers to or from the Government Money Market Funds are executed by the Controller, Director of Finance or CFO upon approval by the CFO. The Government Money Market Funds are accessed through the Wells Fargo CEO portal and cash transfers are restricted to only flow to and from the Wells Fargo California checking account.

Refer to the following sections for more specific cash receipts and payment processes:

- Cash Receipts & Deposits
- School Site Deposit Process
- Invoice Approval & Processing
- Cash Disbursements & Wire Transfers
- Petty Cash

B. BANK SIGNATORIES

The CEO, CFO and COO are authorized bank signatories. Limits of authority are set out in the Authorized Approvers & Authorization Limits section within the fiscal control policies.

C. ONLINE BANK ACCESS

Access to the Wells Fargo CEO and Umpqua portals is controlled by the Controller, Director of Finance and CFO. No other roles have access to administration. All transactions within the Wells Fargo CEO and Umpqua portals (with the exception of Government Money Market Fund transfers) require dual custody, meaning that no one individual can enter and approve a transaction or add/edit services to a user profile without the review and approval of another. Access to the Government Money Market Fund transfers is restricted to the CFO, Controller and Director of Finance.

D. Federal Cash Management & Interest Remittance

In accordance with 2 CFR 200.305, Aspire Public Schools will appropriately calculate, report, and remit interest earned on unspent federal advances. Aspire Public Schools will calculate the interest earned based on average daily or average monthly cash balances, report the result of the calculations, and remit interest earned on federal advances to CDE promptly, but at least annually. Aspire will review unspent Federal cash balances, and report any interest earned in excess of $500 back to CDE. Any interest owed will be transmitted back to CDE on an quarterly basis.

Federal funds will be pooled with non-federal funds in Aspire's physical bank account. Interest owed will be calculated in the following manner:

- Aspire wil reasonably determine the federal portion of total earned interest for the period.
- Aspire will apply applicable interest rates to the reporting period's average daily federal cash balances
    - If the combined federal cash available under this approach is negative for any day during the period, Aspire will record the average daily federal cash balance as zero to avoid reducing or offsetting federal interest earnings
- Since non-federal funds will be pooled with federal funds, Aspire may reduce the daily federal cash balances by the corresponding proportionate share of required cash match for each program.
    - For example, if federal program Title XYZ has a 20 percent match requirement and Aspire accounts for the non-federal match in the Title XYZ federal program resource code, then the 20 percent proportionate share of match may be excluded from the calculated daily and average daily balances.

III. Investment Policy

A. SCOPE

This policy applies to those state and private funds of Aspire Public Schools that may be used for any purpose and are defined by an unrestricted resource code under the general ledger chart of accounts. It also applies to restricted private donor funds which are not limited from investing (hereinafter "Cash"). Cash *excludes* all 2015 and 2016 Bond proceeds, which are not investable. The purpose of this policy is to set forth guidelines for the investment of the Cash. This policy also defines how decisions

regarding the management and investment of Cash shall be made.

B. ROLES AND RESPONSIBILITIES

Aspire Public Schools' Board of Directors has delegated the authority to invest or reinvest Cash of Aspire, and to manage Aspire's investments, to the Chief Financial Officer ("CFO"). The CFO or Controller shall be responsible for communicating this policy to brokers and investment advisory firms. The CFO or Controller shall also be responsible for executing transactions, authorizing specific investment instruments and managing liquidity in accordance with this policy. The Board of Directors shall not approve the purchase or sale of specific investments and shall not make decisions regarding the management of Aspire's investments. The CFO or Controller will be responsible for reporting the investment performance, account balance and asset allocation to the Board of Directors at least quarterly in conjunction with the Board of Directors' review of financial statements. Such report shall include information necessary for the Board of Directors to review the investment portfolio, review the practices and procedures of the CFO, and review whether the investments comply with the Investment Policy Statement and whether Aspire has adequate funds to meet its obligations. The Controller is also responsible for monitoring the available Cash to be invested. This will be done by calculating quarterly the funds received by the state or private donors that is restricted by purpose, and in the case of private donor funds is also restricted from investing (hereinafter "Restricted Cash"). The Restricted Cash balance will be maintained in the Aspire checking accounts over the course of the following quarter, and adjusted for any significant Restricted Cash received or expended. Any additional money will be treated as Cash available to invest.

C. INVESTMENT PHILOSOPHY

This policy establishes the underlying goals of Aspire Public School's investment strategies and identifies the types of investment vehicles eligible for company investment. Goals of investment instruments are in priority order:

1. Protect and Preserve Principal – minimize the probability of a loss of principal value.
2. Provide appropriate level of liquidity for Aspire's cash needs by ensuring that an adequate allocation of cash equivalent securities is maintained and that the other investments can be readily converted into cash if necessary
3. Earn a suitable amount of interest income considering the objectives of preserving principal, liquidity and prevailing market conditions.

In order to achieve these objectives the portfolio will approximately match the anticipated cash needs.

D. INVESTMENT PORTFOLIOS

Aspire Public School's Cash and investments are grouped into two categories: Operating Cash and Core Cash.

General Maturity Parameters:

1. Operating Cash:
    - Provides short-term liquidity for day-to-day operating needs. The maximum maturity of any security shall not exceed 1 month. The operating cash portfolio will be sized at 120 percent of expected cash outflows over the next 30 days.

2. Core Cash:
    - Provides a buffer of short-term liquid securities, readily convertible to cash. The maximum maturity of any security shall not exceed 1 year and the weighted-average portfolio maturity shall not exceed 9 months. The core cash portfolio will represent the remainder of cash not invested in the Operating Cash Portfolio.

E. DIVERSIFICATION PARAMETERS

It is the policy of Aspire Public Schools to maintain appropriate asset diversification. To adhere to this policy the investments shall be diversified by:

1. Limiting investments to overconcentration in securities from a specific issuer or business sector (excluding U.S. Treasuries/Securities)
2. Limiting investments in securities that have higher credit risk
3. Investing in securities with varying maturities
4. Continuously investing a portion of the portfolio in readily available funds to ensure that appropriate liquidity is maintained in order to meet ongoing obligations

F. ELIGIBLE INVESTMENTS

The following is a list of authorized security types. However, a particular investment being listed as authorized is necessary but not sufficient criterion to make it an appropriate investment. Each individual investment should be assessed within the context of the current market environment to determine if it adheres to policy objectives:

1. U.S. Treasury Obligations
2. U.S. Agencies and Government Sponsored Enterprises
3. Government Money Market Funds

G. INVESTMENT ALLOCATION MATRIX

Investment Type	Quality Criteria	Maturity Limit	Asset Class Limits	Issuer Limits	Eligible Investment Portfolio
U.S. Treasury Obligations	Full Faith and Credit of U.S.	Up to 12 Months	100% of Portfolio	Unlimited	Operating, Core
U.S. Agencies and Government Sponsored Enterprises	S&P >= AA-/A-1+ Moody's >= Aa3/P-1 Fitch >= AA-/F1+	Up to 12 Months	100% of Portfolio	Up to 40% of Portfolio	Operating, Core
Government Money Market Funds	S&P >= AAAm Moody's >= Aaa-mf Fitch >= AAAmmf	N/A	100% of Portfolio	50% of Portfolio and up to 3% of Money Market Fund assets	Operating, Core

Should any of the investments become out of variance based on the tolerance levels or limits noted above, timely communication will be made to the CFO in order to resolve the discrepancy.

H. DELEGATION AND AUTHORIZATION

Authority to manage Aspire Public School's investment program is delegated to the CFO, who shall be responsible for managing all investment transactions and may delegate ministerial functions, such as initiating investment transactions approved by the CFO, to qualified Aspire staff. The titles of individuals currently fulfilling the following positions are authorized to initiate transactions on behalf of Aspire Public Schools: CFO, Controller and Director of Finance.

I. ADVISOR – BROKER RELATIONSHIP

The CFO shall choose investment advisory firms and brokers involved in Aspire Public Schools' investment program after reviewing options presented by the Controller. The Controller shall administer the program and maintain relationships with advisory and brokerage firms. Such firms shall work through the Controller for managing individual investment vehicles and communicating with Aspire Public Schools.

J. INVESTMENT POLICY EXCEPTION

All exceptions to this policy will require approval by the CFO.

Exceptions may include the following circumstances:

1. A permitted security will have a minimum of two of the three required ratings from Standard & Poor's, Moody's or Fitch. If a purchased security falls below the minimum rating requirement, the security will be reviewed by the CFO.
2. A security with a single rating may be purchased if it meets the minimum ratings criteria. Securities with two or more ratings are acceptable if at least one rating meets the minimum ratings criteria set forth herein.
3. Security and portfolio allocation limits will be determined at the time of purchase. If an asset class surpasses the appropriate allocation limit due to changes in the overall portfolio, the CFO shall be notified and will review the portfolio to determine if any course of action is necessary.

K. OPERATING COVENANTS CONSIDERATION

It is the intention of Aspire Public Schools to comply with both its banking and annual 2015 and 2016 bond covenants. The implementation of this investment policy will consider the impact of those covenants and any future covenants before an investment transaction is authorized.

L. INVESTMENT POLICY REVIEW

The CFO will regularly review and modify the terms of this Investment Policy Statement as the CFO deems necessary. Prior to any changes being implemented, the CFO shall present this Investment Policy Statement to the Board of Directors for review. The CFO shall present this Investment Policy Statement to the Board of Directors for review at least annually. The Board of Directors shall review the Investment Policy Statement and recommendations of the CFO on revisions to it, but shall not take any action or direct the CFO to take any action with regard to Aspire's investment policies, or otherwise formulate or approve any of Aspire's investment policies.

M. INVESTMENT POLICY APPROVAL

The Investment Policy Statement was reviewed and most recently approved by the Aspire Public Schools CFO on June 12, 2018, and reviewed by the Board of Directors on June 21, 2018.

OPERATING PROCEDURE REGARDING INVESTMENTS

This is a supplemental page on operational procedures for our investment policy is not a part of the policy:

1. On a weekly basis, the Assistant Controller prepares a Cash analysis of all cash held in CA checking accounts as well as the balances in the Securities account.

2. In the cash analysis, there will be three checks for compliance in regards to the policy:
    a. To ensure we meet our Restricted Cash balance requirement
    b. To ensure we meet our Operating Cash balance requirement
    c. To ensure we meet the issuer limits requirement for each of our investments

3. Restricted Cash Balance Requirement: Restricted Cash is identified by using specific resource codes under the general ledger chart of accounts. On a quarterly basis (3/31, 6/30, 9/30, 12/31), a trial balance of all cash and investment codes is analyzed to identify all positive Restricted Cash balances (sometimes a restricted resource code can be negative, or overspent, due to timing in receipt of funds). The total amount of

all the positive Restricted Cash codes at the end of a given quarter will be the amount of cash we must maintain within our checking accounts for the upcoming quarter. Unless there are significant Restricted Cash funds received or expended during a quarter, we will not modify the Restricted Cash balance to be maintained during the quarter.

   a. Due to changes of cash flow during each quarter, cash balances in checking accounts will be analyzed on a weekly basis to ensure we meet our Restrict Cash balance requirement for the quarter. Funds will be moved to and from the investment and checking accounts to ensure compliance.

4. Operating Cash Requirement: The operating cash portfolio will be sized at 120 percent of expected cash outflows over the next 30 days. We must keep sufficient liquidity to meet this requirement. Cash in our checking account combined with securities maturing over the next 30 days will used to calculate Operating Cash.

5. In order to maximize the available Cash to be invested, the Finance team must ensure it is spending Restricted Cash throughout the course of a year (Historically, we have waited until year end to spend certain funding). The Assistant Controller and Director of Finance are responsible for coordinating the spending of Restricted Funds throughout the year.
   a. EPA and SB 740 Funding are examples of two types of Restricted Cash resources that we need to begin allocating expenses for throughout the year
   b. Resource 7338 (College Readiness Grant) and Resource 6264 (Educator Effectiveness Grant) will be spent down throughout FY17/18.

IV. School Site Ledgers

A. SCHOOL SITE CHECKING ACCOUNTS

Aspire has created one checking account for each school it operates and has opened three additional checking accounts at schools to support Student Body groups, Field Trip fundraising, and other Development teams. Each school site checking account is monitored on a weekly basis by the Accounting team to manage cash balances and sweep any excess funds deposited to the school's general fund.

The School Site Checking accounts are to be utilized by the school sites for making deposits of donations or fundraising proceeds and to issue checks for the expenditures less than $250. Office Managers/Business Managers are responsible to keep support documents and maintain the ledger up to date by using the Online School Ledgers.

Deposits: Deposits must be made at least once a week. Prior to deposits, Office Managers/Business Managers should make copies the checks. Copies of checks are kept at the school for internal financial records. The Deposits Summary Sheet must be filled with deposits breakdown and check/cash count and verified by two personnel including Office Managers/Business Managers.

Mealtime payment should not be deposited to school site account. It should be deposited to Aspire's main checking account and all backup documents should be sent to Home Office by courier.

In cases where a parent has written a bad check repeatedly, a School may request other form of payment using the NSF Check Letter.

Check Payments: Check payments are limited to $250 per check. Writing multiple checks to pay for expenses greater than $250 is prohibited. Office Managers/Business Managers must obtain an invoice or receipt to write a check. Where invoices or receipts cannot be obtained, appropriate detail documenting the expense should be supplied. A Principal is the sole signer of checks. In absence of a Principal, the Area Superintendent may appoint an Interim Principal or other authorized person to sign checks.

Online School Ledgers: Within 5 business days of the transactions, Online School Ledgers must be updated with applicable documents uploaded. Coding and procedures are available here.

V. Nutrition Application Collections & Payment Procedures

A. APPLICATIONS & ELIGIBILITY

1. The school distributes an application with "Food Service Policy" to all households. Every household is encouraged to return it to designated school personnel as soon as possible within the first week of school.

2. School personnel verify that applications are complete and send completed applications to Aspire FS main office **same day** of receipt from a household.

3. The Aspire FSA determines the eligibility of students by inputting data from the completed household Free and Reduced applications into Mealtime Applications Software which has the state's 2017-2018 eligibility scale. The Aspire FS sends notifications of eligibility the appropriate households and ensure that eligibility is reflected in the school's MealTime system.

4. The Aspire FSA selects the required number of households to verify income and sends "Names of Selection for Verification" to the school, and mail notifications to the appropriate household. If a household does not respond within a week of verification deadline, the school personnel contact the household and documents that contact. The school sends all household responses and documented contacts to the Aspire FS before the verification deadline.

a) *If household has responded before the deadline*, the Aspire FSA sends a "Notification of Eligibility" to the household and ensures that eligibility is reflected in the school's MealTime system.

b) *If the household does not respond before the deadline,* the Aspire FSA sends a "Notification of Denied Benefits" to the household and ensures that the school's MealTime system reflects a "paid" eligibility for all students from the household. If the unresponsive household wishes to re-apply, the Aspire FS requires any **new application to be accompanied with the documentation requested during the verification time period**.

B. PAYMENTS/CHARGES

1. Payments are collected in the school front office by the Office Manager/Assistant, Cafeteria Manager, or online. Payments can be made by students or parents on a daily, weekly, or monthly basis. Notification is given via phone or mail to accounts that have hit their charge limit, so identification is not made in the service line. Each student is allowed to charge up to 3 meals. Once a student accumulates 3 charged meals on an account, the Paid student can no longer be served without prepayment. Billing Statements will go out once a week. If payments are continually late, charging privileges are terminated and prepayment is required.

2. The money received is counted by the cafeteria manager daily. At the end of each week the office manager deposits the money into the bank. All records aresent

to a home office. The home office accounting department reconciles the deposited money.

VI. Fixed Assets

A. PURPOSE AND OVERVIEW

Aspire Public Schools utilizes Sage FAS Depreciation 2017.1 accounting software to record, track, and report on all fixed assets. All fixed assets will be tagged, recorded, tracked, and reported by the Accountant at the Home Office in Oakland. Examples of fixed assets include but are not limited to: land, buildings, vehicles, equipment, and furniture. Having a tracking system such as Sage FAS Depreciation benefits Aspire Public Schools because it:

- Provides Aspire with a system to value, track, and report items with significant value for accounting purposes. It helps also in meeting State and Federal Account requirements.
- Assists in providing useful information for Risk Management/Insurance purposes.
- Easy use in identifying assets and yearly inventory processes.

B. DEFINITION

Aspire Public Schools defines a fixed asset as an item, tangible in nature, with a per unit value of $5,000 or greater, and having a useful life in excess of one year. Fixed assets are acquired by purchase, through construction, or donation. One exception to the per unit value rule is furniture and equipment. Bulk furniture (Object code 9443) and equipment (Object code 9444) purchases greater than $5,000 should be capitalized as its useful life is typically around 7 years or greater.

The use of fixed asset is synonymous with the term capital asset.

C. ACQUISITION

Typically, transactions that become fixed assets are initiated by a purchaser (who requests a purchase through a PO) and authorized by a principal or a manager. The asset goes through the AP process and is posted into the general ledger. Other projects initiated by the school sites or Facility Manager can be capitalized as well as long as it meets the per unit value requirement of $5,000. It is not uncommon for Aspire to receive an asset donation and in this situation the asset will be recorded

with a journal entry by the Accountant at the Home Office. Donated fixed assets to the organization will require a letter or other documentation stating specific details such as value and description of the particular asset. Routinely, the Accountant reviews all general ledger transactions for items coded to the fixed asset accounts and items that may be miscoded to an expense account. The Accountant also meets regularly with the Facilities Manager to discuss updates on projects ongoing at school sites (Refer to the "Fixed Assets Additions-Disposals" job aide for more details on procedures for acquisitions of assets).

D. TRACKING OF FIXED ASSETS

The Accountant at the Home Office is responsible for ensuring all fixed assets are tagged, recorded, tracked, and reported on. Routinely, the Accountant reviews the general ledger to identify fixed assets. Once an asset has been identified, the owner of the PO for the asset purchase will be contacted and notified that the asset will need to be tagged.

Within the Sage FAS Depreciation module, the Accountant is responsible for creating an active asset in the system and entering all applicable information. Typical information to be entered in the new asset created should be:

- Aspire Inventory tag number
- Acquisition date
- Description
- Account codes (Asset and accumulated depreciation account codes)
- Location
- Vendor/manufacturer
- Serial number (if applicable)
- Site/department
- Invoice number
- Quantity and total cost
- Useful life of asset

E. TAGGING FIXED ASSETS

Tagging of a fixed asset will be facilitated by the Accountant. If the Accountant is not available to tag an asset, the tagging should be done by an IT member or School Administrator. Tags will be provided by the Accountant and a photo of the tagged item

should be sent to the Accountant if he/she is not present in the tagging of the asset. A tag should be placed on the item(s) within two weeks of the acquisition.

Tags are used to more closely identify the asset and are very important to its proper disposal or transfer. Not every asset that is recorded is given an asset tag.

Examples of assets that are not to be tagged:

- Building/leasehold improvements
- Software
- Other intangible assets (land)

Examples of assets that are to be tagged:

- Computer equipment (servers, wireless networking equip.)
- Furniture
- Other equipment (storage containers, telephone systems, projectors)

It is critical for assets to be tagged properly so the tag will stay on for life of the asset. If tags do become detached or unreadable for any reason, the Accountant at the Home Office should be notified immediately and the tagged to then replaced with a new one.

It is the responsibility of the Accountant to meet annually with IT Regional Managers to review computer hardware and software related items. The purpose of this meeting is to receive a current status on all equipment to make sure disposals or transfer occur on timely basis.

F. DEPRECIATION

Depreciation calculations shall be executed in the Sage FAS Depreciation system once a month by the Accountant during the month-end closing process. The Accountant then prepares the entry into MIP (Accounting system) to record the depreciation amounts. Depreciation amounts are calculated based on the total value of the asset and the useful life. They are calculated on the straight-line method. Once all acquisitions for the month have been recorded in FAS system, the Accountant shall run the depreciation.

The useful lives of typical Aspire assets are as follows:

Asset Class	**Example:**	**Useful Life (Years)**

Buildings	Classrooms/Gyms	30
Building Improvements	HVAC, Plumbing, Electrical, Flooring, Painting	10-15
Leasehold Improvements	HVAC, Plumbing, Electrical, Flooring, Painting	10-15 or the remaining life of lease, whichever is shorter
Computer Equipment	Servers and hardware	3-5
Custodial Equipment	Floor scrubbers and polisher	5-10
Outdoor Equipment	Playground equipment, Pumps	10-15
Furniture	Desks, chairs, cabinets, storage, etc	5-7
Computer Software	Admin and Instruction	3-5

G. PROPERTY DISPOSAL

If an item asset reaches its "end-of-useful-life" (as determined by a Director or Principal), the items will be classified as obsolete and disposed of. When an item is determined to be obsolete, it is extremely important to take note of the tag number associated with it. This tag number is to be immediately reported to the Accountant at the Home Office once the asset has been disposed of. If the item does not have a tag number a description of the items being disposed shall be reported the Accountant to determine whether a disposal entry is needed.

There are situations where schools may be leaving a location and moving on to a new one. In these cases, the Accountant will be in close contact with the Office Manager at the schools location on the transfer, disposal, or sale of the schools assets.

H. PHYSICAL INVENTORY

A physical inventory is necessary for accountability and control. It confirms the reliability that can be placed on the fixed asset accounting system by verifying the actual existence of items represented by the fixed asset records. At least annually, the Accountant at the Home Office will be responsible for coordinating an inventory check up with each school site. The schools will need to go through and see that all assets that have been tagged still have a tag and if they see tags that need to be replaced, the Accountant shall provide them with new tags. All information will be reported to the Accountant at the Home Office and all necessary updates will be performed.

I. THEFT OR LOSSES

Upon discover of theft/loss or damage to school property, the campus or department must report to the Controller or Accountant at the Home Office. It is extremely important for a report to be made on the situation so that proper insurance claims can be filed in a timely matter. If applicable, a police report should be made and a copy of that report be submitted to the Controller. The claim shall be filed by the Controller with our insurance company CharterSafe.

Aspire Public Schools requires proof of adequate insurance coverage from all prospective contractors.

C. The Chief Financial Officer (CFO) is responsible for procuring annual renewals with Aspire Public Schools' insurance broker. Following communication of relevant budget information, quotes for renewal will be procured by the CFO in advance of a policy's expiration and presented to the Board of Director's for review and approval.

VIII. External Debt & Line of Credit

A. OVERVIEW

Aspire's current debt and borrowings have taken four primary forms to date:

1. Short-term line of credit borrowing (3-6 months)
2. Medium-term working capital borrowing (1-4 years)
3. Long-term notes (5-10 years)
4. Long-term debt (> 20 years)

B. INITIATING & AUTHORIZING

The initiation of new debt differs based on the type of need that is being financed. All new debt regardless of length must be approved by the Board of Directors. This includes the implementation and renewal of a line of credit.

Prior to securing any type of debt on a school site, the applicable charter authorizer must be notified in writing.

The need for short-term working capital is determined by doing monthly cash forecast of inflows and outflows and then securing a line of credit that is sufficient to meet our needs while providing a buffer to allow for delays in inflows or unplanned material outflows. In addition, Aspire manages its cash so that public revenue generated for each specific school is not used for any other school. The Controller and the Assistant Controller work closely with the Financial Analysts to create the cash

projections for each school. If a cash shortfall is anticipated for a school, the Assistant Controller or Controller will present a recommendation with the amount to draw on the line of credit for the CFO to approve. Similarly, based upon the cash projections, the Assistant Controller or Controller will present a recommendation to repay amounts on the line of credit for the CFO to approve.

The initiation of medium-term working capital borrowing is initiated by the CFO upon approval from the Board. The purpose for medium-term borrowing is to provide capital for growth of new schools.

Aspire has used long-term debt to finance facilities. To date, Aspire has issued bonds on six occasions.

1. 2001: Bonds were issued to finance the construction of Aspire Lionel Wilson College Preparatory Academy; these bonds were retired as part of the 2010 bond issue described below
2. 2002: Bonds were issued to finance the construction of Aspire River Oaks Charter School and Aspire Ben Holt College Preparatory Academy; these bonds were retired in 2005 with the proceeds of Certificates of Participation that were issued on our behalf by Lodi Unified School District. In 2015 Aspire paid down the COPs by issuing a new bond (2015 series). This bond also funded the capital expansion for a new school, Aspire Ben Holt Middle School.
3. 2010: Bonds were issued to finance the permanent homes of 10 Aspire schools:
    a. Aspire Lionel Wilson College Preparatory Academy (refinanced the 2001 bonds as described below)
    b. Aspire Titan Academy (purchased the facility that was under a long-term lease with PCSD)
    c. Aspire Junior Collegiate Academy (purchased the facility that was under a long-term lease with PCSD)
    d. Aspire Alexander Twilight College Preparatory Academy (purchased the facility that was under a long-term lease with PCSD)
    e. Aspire Alexander Twilight Secondary Academy (opened in 2010)
    f. Aspire Langston Hughes Academy (opened in 2010)
    g. Aspire Port City Academy (opened in 2010)
    h. Aspire Golden State College Preparatory Academy (opened in 2011)
    i. Aspire East Palo Alto Phoenix Academy (opened in 2011)
    j. Aspire Pacific Academy (opened in 2010)

4. 2015: Bonds were issued to buyout the Lodi Capital lease and finance the permanent homes of 3 Aspire schools:
    a. Aspire Ben Holt College Preparatory Academy
    b. Aspire River Oaks Charter School
    c. Aspire Benjamin Holt Middle School
5. 2020: Bonds were issued for expansion construction projects at the following schools:
    a. East Palo Alto Charter School
    b. Aspire University Charter School
    c. Aspire Vanguard Preparatory Academy
    d. Aspire Langston Hughes Academy
    e. Aspire Port City Academy
    f. Aspire Alexander Twilight College Preparatory Academy
    g. Aspire Alexander Twilight Secondary Academy
6. 2021: A Bond was issued for construction of a new site for Aspire Capitol Heights Academy

The 2010 Bonds were refunded in 2016. A new bond was issued in 2016 (Debt is held by College for Certain Inc).
Once the need for long-term financing is identified, the CFO works with a team of lawyers, underwriters, financial advisors and bond trustees to determine whether the financing terms are affordable for the site. Aspire's Board approves all bond-related documents prior to them being signed.

Similarly, the state construction bond programs (Props 47, 55 and 1D) are opportunities for us to finance new facilities. The programs require a detailed application that includes information on the desired area to build, the size of the school and the general demographics in the community where we plan to open the school. The programs are structured such that 50% of the total award amount is in the form of a grant and 50% is paid back to the state over 30 years. All documents are approved by the Aspire Board before signing.

C. RECORDING & PROCESSING

When new debt is incurred, a copy of the loan terms is provided to the Staff Accountant or Assistant Controller to be recorded in MIP. An amortization schedule is created in our monthly reconciliation process to ensure that we are recording the proper balances in the proper categories (e.g. long-term vs. short-term and interest vs. principle). In overview, when debt is taken out, cash is debited and the related debt accounts are credited and vice versa when payments are made.

Payments made on debt take various forms:

- The Charter School Growth Fund payments on $1M loan will be made on the due dates; interest payments are due annually, and principal payments are due in 2016 & 2017
- Payments on the 2015 and 2016 bond series are withheld from our state apportionment prior to us receiving the funds.
- Prop 47 and 55 interest payments are made on a semi-annual basis and principal payments are made annually.

D. RECONCILING & REPORTING

Each month, our close process ensures that the proper balances are recorded for each debt instrument. This is done by comparing the balances in the short- and long-term accounts against the amortization schedules. The close schedules are prepared by the Assistant Controller and reviewed by the Controller or CFO.

IX. Intra-Organizational Loan Policy

A. BACKGROUND

The Board of Directors of Aspire Public Schools (the "Board"), which operates California charter schools, is committed to safeguarding the organization's assets and ensuring compliance with all applicable state and federal laws and regulations regarding the use of its funds. To provide an accurate and auditable record of all financial transactions, the books, records, and accounts of Aspire Public Schools and each of its charter schools are maintained in conformity with generally accepted accounting principles (GAAP) as applicable to charter schools. Aspire Public Schools uses accounting methods that track the sources and uses of Aspire's and each school's funds and Aspire Public Schools does not commingle, i.e. blend, funds.

Charter schools depend on government funding, and from time to time Aspire Public Schools and its charter schools may experience funding shortfalls, government revenue reductions, unexpected cash flow needs, or funding deferrals that may cause cash shortages. The Board hereby adopts this Policy so that resources can be allocated from within the organization's charter school network and national office to ensure uninterrupted educational services and to safeguard against funding shortfalls. If a school, national or regional office does not have sufficient funds, Aspire Public Schools may, with Board approval, temporarily transfer funds from a charter school that has surplus funds to another charter school and/or the national office and/or a regional office. This type of interfund transaction is referred to herein as an "intra-organizational loan". The purpose of this Policy is to ensure such loan transactions and balances, and the origin, source and use of the loan funds, are transparent, auditable, accountable and approved in writing.

The use of intra-organizational loans from one charter school to another charter school and/or the national office and/or a regional office operated by the same nonprofit public benefit corporation has been deemed appropriate by the California Fiscal Crisis and Management

Assistance Team ("FCMAT") in its Charter School Accounting and Best Practices Manual published in 2017: "If a school or central office does not have sufficient funds, the CFO may, with board approval, temporarily transfer funds from a charter school that has surplus funds to another charter school and/or the central office. As long as funds are not blended (i.e., as long as their identity, origin and source remain known and identifiable), loans between charter schools and school sites, interfund, interschool, interdepartment, or intra-organization loans, or due-to/from receivable/payable transactions are allowable." Likewise, according to the legal counsel for the California State Auditor: "a nonprofit public-benefit corporation that operates multiple charter schools may temporarily loan state apportionment funds between schools, so long as the loan does not adversely affect the public school purposes of the charter school that loans the funds."

B. POLICY STATEMENT

Consistent with FCMAT's and the State Auditor's guidance, this Policy permits intra-organizational loans from an Aspire Public Schools charter school that has surplus funds to another Aspire Public Schools charter school and/or the national office and/or a regional office so long as such loans adhere to the procedures set forth herein.

This Policy does not permit any loans to third parties, and does not apply to regular interfund transactions in the ordinary course of business between an Aspire Public Schools school's account and the Aspire Public Schools operating account, such as for reimbursement of cash disbursements made to vendors on a school's behalf or payment of payroll and benefits. As set forth in Aspire PublicSchools' fiscal policies and procedures, regular interfund transactions are presented on the financial statements as interfund receivables or interfund payables based on the net account balance. In addition, Aspire Public Schools prohibits commingling funds to such an extent that the funds become blended. For purposes of this policy, blending means that the identity, origin, and source of the funds are lost or unidentifiable.

C. PROCEDURES

The Chief Financial Officer ("CFO") of Aspire Public Schools or designee shall monitor Aspire Public Schools cash balances regularly. When there may be a need for funds at a school, the national office or a regional office, the CFO should assess the reserve funds available for all charter schools as well as the national and regional offices. If a school, national or regional office does not have sufficient funds, the CFO may seek Board approval to make a temporary intra-organizational loan.

All intra-organizational loans must be approved by the Board or designee and documented pursuant to an Intra-organizational Loan Agreement, which shall identify the "lender" and "borrower" accounts and include such terms as the loan amount, repayment period and repayment method (e.g., monthly or quarterly), and a determination that the loan does not adversely affect the public school purposes of the charter school that loans the funds.

The CFO or designee shall ensure the following:

The balance of each intra-organizational loan and the origin, source, and use the funds are clear, open, auditable, and accountable.

Report to the Board as needed on the financial condition of the borrower and lender accounts, amounts outstanding, and anticipated repayment dates, including any decisions to waive interest charges as applicable

Specific protocols:

- A schools shall only be able to loan money to another school, the national office or a regional office, such that it has sufficient unrestricted cash reserves to meet its ongoing operating needs.
- At the beginning of each fiscal year and quarter, the CFO, Director of Finance and Controller shall review each school's reserve balance and school cash reserve to identify those schools with sufficient cash balance to loan to another school, and those potential schools in need of funds.
- Each intra-organizational receivable and payable account by school, national office or regional office should be reconciled and reviewed monthly by the 15th following the month end close date.
- At the end of the fiscal year, intra-organizational receivable and payables should be reviewed to determine which accounts may be settled. Any intra-organizational receivables and payables not settled by June 30th of any year should be converted to intra-organizational loan agreements that include interest rate, repayment period, repayment frequency and duration. Agreements should be put in place in line with First Interim, Second interim, and Unaudited Actuals annual Financial reporting, no later than December 31st, April 30th, and November 30th of each year.
- The interest rate included within the intra-organizational loan agreements is based upon the rate of interest a school with excess funds would earn in Aspire's selected Government Money Market Funds per its Investment Policy. The interest rate will be set at the beginning of each fiscal year and quarter based upon the actual Government Money Market Fund rates.
- Each year byDecember 31st, April 30th, and November 30th, any intra-organizational loan agreements and related documents shall be presented and approved by the Board for the preceding fiscal year end.
