Step 1:

Measure N Plan & Pathway	Budget Action - Line Item #	Original Amount Approved	Measure N Budget Original Strategic Action (proper & full justification)	Total Amount Transferred
Oakland High RISE Tab	84	\$3,000.00	Facility Rental for the RISE Teacher team retreat Facility rental for retreat for the teacher team to work on curriculum development, develop shared practices, and plan interventions and support for students of concern in the RISE pathway. This expenditure supports pathway development by allowing the teacher team to spend a significant amount of time together to collaborate and plan, something this team has never been able to do. With two new co-directors and several new teachers on the team, it is important to have time to work together in a deep and sustained way with minimal distractions. This retreat will improve student engagement because as a result of this, teachers will have more shared practices and a greater understanding of our students, therefore creating greater alignment of and connections across classes for students. All RISE students will benefit, around 115 students. The retreat addresses the need for the teacher team to have a long period of uninterrupted time to plan and work on implementing Measure N goals and strategic actions (as opposed to biweekly 1 hour meetings).	\$1,950.00

b. What will be the impact on your Measure N plan, pathway development, and students for not doing your original strategic action? (*Do not insert links or use Acronyms. *If taking from multiple actions - provide a response for each or the overall impact)

No Impact - Original actions are still happening - we need more funds for meeting refreshments than facility rental.

c. Enter the Account String for the Original Approved Strategic Action:
