(7 CFR 210.21(f)(1)(i)). The Vendor must separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account); or that the Vendor must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification. On or after any event of default, District shall have the right to exercise its legal and equitable remedies, including without limitation, the right to: (a) seek specific performance of all or any part of this Contract, (b) terminate this Contract at no cost to District in accordance with Section 15 ("Termination") herein; or (c) exercise any other legal or equitable remedy. In addition, District shall have the right (but no obligation) to cure (or cause to be cured) on behalf of the Vendor any event of default. Vendor shall pay to District on demand all costs and expenses incurred by District in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. District shall have the right to offset from any amounts due to Vendor under this Contract or any other contract between District and Vendor all damages, losses, costs or expenses incurred by District as a result of such event of default and any liquidated damages due from Vendor pursuant to the terms of this Contract or any other contract between District and Vendor. Any such offset by District will not constitute a waiver of any other remedies the District may have against Vendor for financial injury or otherwise. All remedies provided for in this Contract may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

#### 14. **TERMINATION.**

- a. In the event of Vendor default pursuant to Section 14 ("Contractor Default; Remedies") of this Contract, wherein Vendor fails to perform any of its obligations under this Contract, in addition to any other remedies available to the District, the District through the Purchaser may terminate this Agreement, and all of the Vendor's rights hereunder shall end. Termination shall be effective thirty (30) days after Vendor receipt of written notice of termination from the District delivered pursuant to Section 34 ("Notice to the Parties"). No new work will be undertaken, and no new deliveries will be made, as of the effective date of termination. In the event of termination for cause, the Vendor shall be paid for those services performed and deliveries made under this Contract to the satisfaction of the District up to the effective date of the termination. However, pursuant to Section 14 ("Contractor Default; Remedies") herein, District may offset from any such amounts due Vendor any costs to District arising from Vendor's default and may otherwise demand payment from Vendor of such costs.

- b. The District may terminate this Contract prior to expiration of the term without cause and without penalty, in whole or in part for District's convenience and without cause at any time by giving Vendor thirty (30) days written notice of such termination. The notice shall specify the date on which termination shall become effective. In no case shall the termination become effective in fewer than thirty (30) days from the date that the notice is deemed received pursuant to Section 34 ("Notice to the Parties"). The District reserves the right to immediately terminate the awarded contract if the circumstances are detrimental to the health and welfare of the students and/or school personnel, the quality of services are seriously affected, or the vendor ceases operations.

In event of termination for convenience, Vendor will be paid for those services performed, or deliveries made, pursuant to this Contract and to satisfaction of District up to the specified date of termination. In no event will District be liable for costs incurred by Vendor after the specified date of termination. Such non-recoverable costs include, but are not limited to, anticipated profits on this Contract, post-termination employee salaries, post-termination administrative expenses, or any other costs which is not reasonable or authorized under this Section.

15. TAXES. The District is exempt from federal excise tax except on articles for resale. Vendor will enter state and local sales or use tax, and excise tax if applicable on invoices, but neither should be included in any invoice presented for payment. Payment of any taxes, including California Sales and Use Taxes, levied upon this Contract, the transaction, or the services delivered pursuant hereto, shall be the obligation of the Vendor and at no additional cost to the District.

#### 16. INSURANCE.

- a. Without in any way limiting Vendor's liability pursuant to the "Indemnification" section of this Agreement, prior to award, Vendor shall procure and maintain during the full term of this Agreement, at the Vendor's expense, insurance acceptable to the District and as follows:
  - i. Vendor shall maintain Commercial General Liability Insurance, including automobile coverage, with limits of at least one million dollars (\$1,000,000) per occurrence, and two million dollars (\$2,000,000) aggregate, for sexual misconduct, harassment, bodily injury and property damage. Evidence of insurance shall be attached to this Agreement or otherwise provided to OUSD upon request. Endorsement of OUSD as an additional insured shall not affect OUSD's rights to any claim, demand, suit or judgment made, brought or recovered against Vendor. The policy shall protect Vendor and OUSD in the same manner as though each were

separately issued. Nothing in said policy shall operate to increase the Insurer's liability as set forth in the policy beyond the amount or amounts shown or to which the Insurer would have been liable if only one interest were named as an insured.

- ii. Vendor shall procure and maintain, at all times during the performance of such work, Workers' Compensation Insurance in conformance with the laws of the State of California (including, but not limited to, Labor Code section 3700) and Federal laws when applicable. Oakland Unified School District  
Attn: Risk Management  
1000 Broadway, Suite 440  
Oakland, CA 94607
  
- c. If any policies are written on a claims-made form, Vendor agrees to maintain such coverage continuously throughout the term of this Agreement and, without lapse, for the period of this Agreement, such that should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered.
  
- d. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in such general annual aggregate limit, such annual aggregate limit shall be double the occurrence or claims limits specified above.
  
- e. Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the District receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the District may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.
  
- f. Before commencing any operations under this Agreement, Vendor must provide the District with the certificates of insurance, an endorsement showing the additional insured policy, all with insurers satisfactory to the District, evidencing all coverage set forth above, and shall furnish complete copies of policies promptly upon the District's request. Vendor also understands and agrees that the District may withhold payment for products / services performed for any violations of the insurance provisions of this Agreement.
  
- g. Approval of the insurance by the District shall not relieve or decrease the liability of Vendor hereunder.

17. Limitation of OUSD Liability. Other than as provided in this Agreement, OUSD's financial obligations under this Agreement shall be limited to the payment of the compensation described in Section 5 (Compensation). Notwithstanding any other provision of this Agreement, in no event shall OUSD be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits or revenue, arising out of, or in connection with, this Agreement for the items delivered in connection with this Agreement.

18. Indemnification.

- a. To the fullest extent permitted by California law, Vendor shall indemnify, defend and hold harmless OUSD, its Governing Board, agents, representatives, officers, consultants, employees, trustees, and volunteers ("OUSD Indemnified Parties") from any and all claims or losses whatsoever arising out of Vendor's or the Vendor Indemnified Parties' negligence, willful misconduct, or breach of any provision(s) of this Agreement. Vendor also agrees to hold harmless, indemnify, and defend OUSD Indemnified Parties from any and all claims or losses incurred by any supplier, Vendor, or subcontractor furnishing work, services, or materials to Vendor arising out of the performance of this Agreement. Vendor shall, to the fullest extent permitted by California law, defend OUSD Indemnified Parties at Vendor's own expense, including attorneys' fees and costs, and OUSD shall have the right to accept or reject any legal representation that Vendor proposes to defend OUSD Indemnified Parties.
- b. To the fullest extent permitted by California law, OUSD shall indemnify, defend, and hold harmless Vendor, its Board, agents, representatives, officers, consultants, employees, trustees, and volunteers ("Vendor Indemnified Parties") from any and all claims or losses accruing or resulting from injury, damage, or death of any person or entity arising out of OUSD's gross negligence or willful misconduct.

19. Damage. Vendor shall be held responsible for any breakage, loss of OUSD's equipment or supplies through negligence of Vendor or Vendor's employees while working on OUSD's premises. Vendor shall be wholly responsible for the manner in which it performs the services required by District under this Contract. Vendor or any agent or employee of Vendor shall not have employee status with the District, nor be entitled to participate in any plans, arrangements, or distributions by District pertaining to or in connection with any retirement, health, or other benefits that District may offer its employees. Vendor or any agent or employee of Vendor is liable for the acts and omissions of itself, its employees and its agents. Vendor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including but not limited to, FICA, income tax withholdings, unemployment compensation, insurance and other similar responsibilities related to Vendor's performing services and work, or any agents or employee of Vendor providing same. Nothing contained in this Agreement shall be construed as creating an

employment or agency relationship between the District and Vendor or any agent or employee of Vendor. Any terms in this Contract referring to direction from District shall be construed as providing for direction as to policy and the result of Vendor's work only, and not as to the means by which such a result is obtained. District does not retain the right to control the means or the method by which Vendor performs work under this Agreement. If any governmental authority should, nevertheless, determine that Vendor is an employee, then the District's payment obligations hereunder shall be reduced so that the aggregate amount of payments directly to Vendor and to the applicable governmental authority does not exceed the maximum amount of compensation specified in this Agreement. Vendor shall refund any amounts necessary to effect such reduction.

Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. thereof, unless such assignment has been authorized by the written consent of OUSD. In the event that Vendor is permitted to assign monies due or to become due under this Agreement, the instrument of assignment shall contain a clause subordinating the claim of materials supplied for the performance of work. - d. Governing Law and Venue. - j. Counterparts and Electronic Signature. This Agreement, and all amendments, addenda, and supplements to this Agreement, may be executed in one or more counterparts, all of which shall constitute one and the same amendment. Any counterpart may be executed and delivered by facsimile or other electronic signature (including portable document format) by either Party and, notwithstanding any statute or regulations to the contrary (including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom), the counterpart shall legally bind the signing Party and the receiving Party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received. Through its execution of this Agreement, each Party waives the requirements and constraints on electronic signatures found in statute and regulations including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom.
- k. Entire contract; severability. All of the agreements between the Parties are included in the Agreement and Vendor's attached proposal. - l. Modification of agreement. No oral statement of any person whatsoever shall in any manner or degree modify, alter, or otherwise affect the terms of this Agreement. The District reserves the right to modify the awarded contract by mutual agreement so long as such modification would not result in a material change to the solicitation and awarded contract. Such modifications will be evidenced by the issuance of a written authorized amendment by OUSD.
- m. Agreement Publicly Posted. This Agreement, its contents, and all incorporated documents are public documents and will be made available by OUSD to the public online via the Internet.
- n. Signature Authority.
  - i. Each Party has the full power and authority to enter into and perform this Agreement, and the person(s) signing this Agreement on behalf of each Party has been given the proper authority and empowered to enter into this Agreement.
  - ii. Notwithstanding subsection (a), only the Superintendent, Chiefs, Deputy Chiefs, and the General Counsel have been delegated the authority to sign contracts for OUSD and only under limited circumstances, which required ratification by the OUSD Governing Board. Vendor agrees not to accept the signature of any OUSD employee as having the proper

authority and empowered to enter into this Agreement or as legally binding in any way.

iii. If this Agreement is executed by the signature of the Superintendent, Chiefs, Deputy Chiefs, or General Counsel under their delegated authority, and the Board thereafter declines to ratify the Agreement, the Agreement shall automatically terminate on the date that the Board declines to ratify it. OUSD shall compensate Vendor for Supplies/Materials satisfactorily provided through the date of termination. Upon termination, Vendor shall provide OUSD with all materials produced, maintained, or collected by Vendor pursuant to this Agreement, whether or not such materials are complete or incomplete or are in final or draft form.

o. Contract Contingent on Governing Board Approval. OUSD shall not be bound by the terms of this Agreement unless and until it has been (i) formally approved by OUSD's Governing Board or (ii) validly and properly executed by the OUSD Superintendent, the General Counsel, or a Chief or Deputy Chief authorized by the Education Code or Board Policy, and no payment shall be owed or made to Vendor absent such formal approval or valid and proper execution.

Federal affirmative action regulations mandate that Federal contractors include an Equal Opportunity (EO) clause in all contracts, subcontracts and purchase orders. ## Introduction

---

Individual Foodservice is dedicated to providing quality products to our customers. We take care to insure that the best product leaves our facility. In the event that we are notified by a distributor, supplier, vendor or by a consumer (customer complaint), which represents a serious health risk, the recall program, as outlined in this manual, will be put into action.

## Definitions

- **Depth of Recall**: The level of product distribution for the recall (consumer, retail, institutional, wholesale).

Not all recalls require a press release; the regulatory agency will advise the firm when a press release is necessary.

- **Recall Strategy** - A planned specific course of action to be taken in conducting a specific recall, which addresses the depth and scope of recall, need for public warnings, and extent of effectiveness checks for the recall.
- **Scope of Recall:** Defines the amount and kind of product in question.
- **Stock Recovery** - A firm's removal or correction of a product that has not been marketed or that has not left the direct control of the firm, i.e., the product is located on premises owned by, or under the control of, the firm and no portion of the lot has been released for sale or use.

- Customer Service
- Distribution and Supply
- Information Technology
- Marketing
- Operations
- Legal Counsel
- Purchasing
- Quality Assurance
- Sales
- Records Management
- Sanitation

### **Responsibilities**

It is the responsibility of the Recall Team to ensure that the following procedures are adhered to and understood by all relevant personnel and that the personnel follow State or local health department requirements.

## Recall Process

### 1) Evaluation of the Complaint or Condition

Complaint receipt, processing, and evaluation are the first steps in the recall process. The steps involved in the evaluation process are:

- Receive the notification or complaint – A file should be maintained containing any product complaints the company receives. Information that should be maintained in the product complaint file is:

- i. Supplier or Complainant contact information
- ii. Reported problem with the product
- iii. Product Identification
- iv. Product Storage
- v. Product purchase date and location
- vi. Illness and Injury details

- Provide the notification or complaint to knowledgeable staff for initial evaluation. If an initial assessment indicates a recall may be necessary, the Recall Coordinator assembles the Recall Committee for a full evaluation.
- Determine the hazard and evaluate the safety concerns with the product.
- Determine the product removal strategy appropriate to the threat and location in commerce.
- Contact Customers and retrieve all affected product.
- Alert legal counsel, insurance, etc. as appropriate.
- Maintain a log of the events of the recall including information such as dates, actions, communications, and decisions.

### 2) Identification of Implicated Products

It is the **supplier's** responsibility to ensure the identification of all products and quantities of products implicated in the recall. IFS will determine if any other codes, brands or sizes of product handled by the company are affected.

➤ A distribution list should be prepared as part of the Identification process. The distribution list should at minimum identify:

- Account name (consignees) that received the recalled product(s)
- Account addresses
- Contact names
- Contact telephone numbers
- Type of account (e.g., manufacturer, distributor, retailer)

➤ Additional information relating to the affected product may include:

- Amount of product received/shipped
- Product ship date(s)
- Amount of product returned
- Amount of product consumed

### 3) Notification of Affected Parties

Notifications during a recall must be done in a timely manner and should include the product distribution chain (customers), consumers and appropriate regulatory agencies when needed.

- Distribution Chain contacts will be notified by telephone, fax, email, letter, etc.
  - We will keep a confirmation of receipt of the Notice of Recall with all accounts. A record of all account communications will be maintained.
- Regulatory Agencies will be notified by **our suppliers**. However, if needed, after the decision has been made to conduct a recall we will notify the appropriate agencies.
- Consumers should be notified by **our suppliers**. If needed, we will notify the consumer at the end user level in the most effective method available.

### 4) Removal of Affected Product

The procedure for product removal can be divided into five components including: removal, control, and disposition of affected product, recall effectiveness, and recall termination.

#### A. Removal

All reasonable efforts must be made to remove affected products from commerce.

- Products in commerce should be detained, segregated, and handled in a manner determined by the recall plan which includes retrieval of product from our customers.
- Products that are still in our control (e.g. inventory located onsite, in transit, in off-site storage, and in offsite distribution) will be detained, and segregated.
- All quantities and identification codes shall be documented to assist in the reconciliation of product amounts.

#### B. Control of Recalled Product

When IFS chooses to retain recalled product, control measures will prevent reentry of the product into commerce.

- All affected product returned will be clearly marked not for sale, distribution or recalled and stored in an area that is separated from any other food products.
- All quantities and identification codes shall be documented to assist in the reconciliation of product amounts.

#### C. Product Disposition

The final disposition of the recovered product must be determined. The final disposition must be reviewed and approved by the Recall Team:

- Redirection – Products will be sent back to the supplier.
  - All quantities, identification codes, and disposition shall be documented.

## **Recall Effectiveness**

IFS is responsible for determining whether the recall is effective. Recall Effectiveness Checks verify that all consignees have been notified and have taken the appropriate action. Steps include:

- Verifying that all consignees have received the notification.
  - Verifying that consignees have taken appropriate action.
  - If the response from our consignees is less than 100%, then the recall should be deemed ineffective and the recall strategy should be reassessed. Certain circumstances (e.g. amount of product actually returned vs. expected, potential for consumption, shelf-life, etc.) may also require a reassessment of the recall strategy.
- All verifications will be documented.

## **Termination of a recall**

Termination of the recall may be considered after all reasonable efforts have been made to remove the affected products from commerce, including reconciliation, recall effectiveness, and disposition.

## **Mock Recall**

---

In addition to an annual verification of the recall plan, IFS will conduct a mock recall annually or whenever there are significant changes to the plan or personnel. The mock recall will include the following elements:

- Selecting a product which has reached the consumer market.
- Tracing the product in the marketplace.
- Verifying communications systems (e.g. contact information, test emails and faxes, etc.) to outside contacts.
- Modifying the recall plan to correct any problems encountered during the test.
- Records of these mock recalls will be documented and filed appropriately.

***Standard Operating Procedure***  
***Allergen Program***

**Date issued: February 10, 2017**

**Warehouse Personnel Review date: August 18, 2022**

**Reviewed by: Rena Muro – Senior Safety Manager**

**Allergen Program**

**Objective:** As our adherence to the FDA 21 CFR §110 Good Manufacturing Practice in Distributing, Packing, or Holding Human Food, IFS Individual FoodService will require our foreign and domestic vendors to comply with product label information for incoming food products. Label information is important for traceability in the event of product recalls, and also for the firm's allergen program to prevent any cross contamination of stored products in the facility against any of the major allergens in food products (peanuts, tree nuts, eggs, wheat, milk products, soy products, fish and crustacean shellfish).

**Personnel involved:** Receivers, Warehouse personnel, Senior Safety Manager, Safety Coordinator, Buyers, and other designated personnel responsible for the inspection, handling, and monitoring of incoming food products.

**Scope:** This procedure applies to anyone who is responsible for receiving, handling, storing, and shipping food products in the facility to ensure that no cross contamination occurs with the allergenic products (such as damaged product packaging containing peanuts, tree nuts, eggs, wheat, milk products, soy products, fish and crustacean shellfish products).

**Monitoring:**

1. All allergenic food products will be properly received and stored to prevent cross contamination. Products containing allergens must be clearly identified as such and properly controlled or isolated in the warehouse food storage areas to prevent contamination.
2. All allergenic food products are delivered in packaged containers, all broken cases are segregated out from the rest of the cases in storage, and resealed or destroyed.
3. Verification of proper allergen storage conditions must be documented on the Daily GMP Self Inspection Checklist.
4. Sanitation equipment such as brooms or mops will be thoroughly cleaned after being used with allergen containing products; if they can't be properly cleaned and sanitized, they must be discarded.

**CORRECTIVE ACTION:**

1. Separate allergenic product found improperly stored.
2. Discard any stored products that are deemed contaminated by allergenic products in storage.
3. Sanitation equipment used with allergens that can't be properly cleaned must be discarded.
4. Allergenic Product Spills must be removed from the affected area immediately and proper sanitation of the area must take place.
  - a) Notify a supervisor when an Allergenic Product Spill is observed.
  - b) Use the allergenic product clean-up kit located in the racks in the food product storage area; remove the broom, dustpan, and carry away bags. Sweep all loose dry product into the dustpan and place in bags provided, or place exposed liquid products and used soaker pads directly into the bags, and knot the bag once filled – dispose of the product in the dumpster located outside the facility.
  - c) **DO NOT THROW THE ALLERGENIC WASTE DIRECTLY INTO ANY WAREHOUSE TRASH RECEPTACLE.**
  - d) Place the broom and dustpan in another bag and take it to the mop sink. Clean the allergen removal equipment in the mop sink; have the mop sink cleaned. Do not reuse any mop head that is used for clean-up; put it in the laundry company bin following use.
  - e) Replenish and place the Allergen Spill Equipment in a new plastic bag and return it to the proper storage location in the food storage areas.
  - f) Complete a Warehouse Spill Management Form.
  - g) Notify the supervisor of the completed clean-up for verification purposes.

**VERIFICATION AND RECORD KEEPING:**

The Warehouse Manager and Supervisors will visually observe that employees are following these procedures and taking all necessary corrective actions during all hours of operation. The Warehouse Manager will periodically check the storage of foods during hours of operation.

Allergen testing for Wheat will be conducted twice per year by a certified laboratory.

**LABELING REQUIREMENTS FOR ALLERGENIC PRODUCTS SHIPPED OUT TO CUSTOMERS:**

Allergen labeling of product is the responsibility of the supplier.

**LIST OF PRODUCT ALLERGENS THAT MAY BE STORED IN THE WAREHOUSE: PEANUTS, TREE NUTS, WHEAT, EGGS, DAIRY, SOY, FISH, AND CRUSTACEAN SHELLFISH**

**THE SUPERVISOR WILL VERIFY, WHAT FOOD PRODUCTS CONTAIN ALLERGEN IN THE DRY STORAGE WAREHOUSE; UPON REQUEST.**

## **Proposal Instructions and General Requirements**

**Buy American Provision and Local Preference** – The District participates in the National School Lunch Program and is required to ensure that food purchased for use in school meals meets the requirements of the Buy American Provision. The Buy American Provision requires School Food Authorities to purchase, to the maximum extent practicable, domestic commodities or products. A domestic commodity or product is defined as an “agricultural commodity that is produced in the United States, and a food product that is processed in the United States substantially using agricultural commodities produced in the United States.” The provision further defines “substantially” to mean over 51% from American products (7 CFR Part 210.21(d)). Whenever possible, the district prefers locally grown (within 250 miles), then California Grown, then American Grown produce. If Local, California or American Grown produce is unavailable in sufficient quantities to provide affordability, then only produce inspected and approved by USDA is acceptable.

**Bidder Questions Regarding this Request for Proposals** – Any questions regarding this Request for Proposals shall be emailed to the Oakland Unified Procurement Department at [procurement@ousd.org](mailto:procurement@ousd.org) prior to the April 14, 2023 at 2:00 pm pst deadline.

**Deadline for Receipt of RFPs** – Proposals shall be delivered to the District, on or before the day and hour set for the opening of the Proposals. Proposals shall be placed in a sealed envelope and submitted to the District via mail to: Procurement Department, 900 High St, Oakland , California, 94601. Any Proposal received after the scheduled closing time in the RFP shall be unopened. All unsigned Proposals will be rejected. After the Proposals are opened at the designated time, no commitment will be made at that time until all Proposals are evaluated for pricing, specifications and other pertinent information.

**The RFP** – All numbers on the bid should be stated in figures, and signatures of all individuals must be in long-hand. Unsigned Proposals will not be accepted. FAX copies of Proposals will not be accepted for formal advertised RFPs.

**Responsibility** – Bidders are solely responsible for ensuring their Proposal is received by the District in accordance with the solicitation requirements before the date and time specified in the RFP, and at the place specified. The District shall not be responsible for any delays in mail or by common carriers or by transmission errors or delays or mistaken delivery.

**HACCP Plan or Food Security and Safety Program** – The Successful Bidder can provide evidence, in the form of a written Food Safety & Security Program OR HACCP Plan, that it has a minimum of appropriate safety controls in place and follows the best food-safety practices in that: Bidder’s staff are properly and regularly trained in current safety procedures, Bidder’s facilities are regularly inspected by accredited agencies and proposer’s facilities are favorably assessed in those inspections. The proposer promptly and appropriately addresses safety issues raised by food-safety inspections or

otherwise. If needed, Bidder's record-keeping program is such that the proposer would be able to promptly trace any product to its original supplier and source of origin. Bidder can provide evidence that it has a Product Recall Procedures and Pest Control Policy in place. The Successful Bidder(s) shall ensure all products delivered to the District shall be prepared, handled and are stored in accordance with the health and sanitation standards of the state of California and Federal Government.

**Drug Free Workplace Certificate** – In accordance with California Government Code §§8350 et seq., the Drug Free Workplace Act of 1990, the Successful Bidder will be required to execute a Drug Free Workplace Certificate concurrently with execution of the Agreement. The Successful Bidder will be required to implement and take the affirmative measures outlined in the Drug Free Workplace Certificate and in California Government Code §§8350 et seq. Failure of the Successful Bidder to comply with the measures outlined in the Drug Free Workplace Certificate and in California Government Code §§8350 et seq. may result in penalties, including without limitation, the termination of the Agreement, the suspension of any payment of the Contract Price otherwise due under the Contract Documents and/or debarment of the Successful Bidder.

**Term of Contract** – Minimum contract term is one (1) year. Quoted prices must stay in effect for twelve (12) months after award of RFP and may be extended upon mutual consent of Oakland Unified School District and vendor for two (2) additional one (1) year periods in accordance with provisions contained in the Education Code, Sections 17596. If extended, price increases may be negotiated **subject to existing local market conditions, and as determined by the California Consumer Price Index (CPI) with prior District consent.** In the event of a general price decrease the District reserves the right to revoke the RFP award unless the decrease is passed on to the District.

### **Pricing**

Provide a detailed Statement of Pricing for Products to be provided. Bidder shall provide evidence and documentation of cost (at invoice price) to the District upon the District's request. Bidders submitting a RFP shall specify product pack, size, and case count pertaining to each item. Errors in price computations will not excuse Bidder from holding price.

**Pricing Terms** – Contract prices awarded for fixed price items shall remain firm for the contract period. Prices proposed for all items will be for the period July 1, 2023, through June 30, 2024. All orders placed by the District will be delivered and invoiced at the Agreement price regardless of the actual delivery date. Proposers must agree to fix contract fees for the first year. If the organization intends to revise its fee schedule after the initial one-year period, it must give written notice to the District 90 days in advance of any fee change. Fees may be changed only on the contract expiration date with 90 days notice. These fees are subject to negotiation and approval by the District.

**Itemized Bid List** – The District’s Itemized Bid Lists is attached hereto. The “Notes” section should be used to indicate if an item is a special order, requires a minimum purchase, or is an alternative to what was listed. Proposals must include the unit price for the unit that is listed on the form (example: if an ounce price is requested, do not list the pound price). Bidder is responsible for converting any differences in pack size to the same total volume as requested.

**Modifications of Contracted Price Lists to Acquire Additional Goods or Increase Quantities of Listed Goods** – Items not included in the executed contract can be added only if all of the following conditions are met: The total value of all added goods and quantities of listed goods does not exceed the limit specified in the original solicitation and contract. If the value of additional goods exceeds the specified limit, a separate procurement for those goods must be conducted or these purchases will be considered an unallowable cost. The USDA recommends limiting the additional costs to 10 percent of the estimated value of the contract.

**All Other Costs or Fees** – Pricing information for, without limitation, transactional services, additional services, Bidder’s mark-up on subconsultant and subcontractor prices, general conditions, and all other categories of costs, expenses, fees, or charges that Bidder anticipates will be a part of its price to provide the Products.

### **District Evaluation/Selection Process**

**Basis for Selection** – The responsiveness, competency and responsibility of Bidders and of their proposed subcontractors will be considered in making the award of contract. Any Bidder before being awarded a contract may be required to furnish evidence to the District that the Bidder has sufficient means and experience in the type of work called for to assure completion of the contract in a satisfactory manner. The District reserves the right to reject the Proposal of any Bidders as not responsible and not qualified to provide the products under consideration who have previously failed to perform properly or to complete on time contracts with the District of a nature similar to this procurement. A responsive Proposal is one that meets all terms, conditions, and specifications of the Proposal. The award of this solicitation is conditional on the winning bidder accepting the terms of the contract available to view online, at <https://www.ousd.org/Page/22408>. The Bidder must perform and do what the Proposal documents and contract requirements say they must do, whether it be pricing in a certain way, attending a mandatory pre-proposal conference, providing bonds, etc.

A Proposal which substantially conforms, though not strictly responsive, to a call for Proposals may be accepted if the variance cannot have affected the amount of the Proposal or given a Bidder an advantage or benefit not allowed to other Bidders. or, in other words, if the variance is inconsequential.

**The District reserves the right to reject any and all Proposals or alternatives and waive any informality or irregularity in the Proposals or in the bidding, and to determine responsiveness and responsibility of Bidder, including but not limited to those areas mentioned above. The District makes no representation that participation in the RFP process will lead to an award of contract or any consideration whatsoever.**

**Evaluation/Award** – The District intends to select one of the Bidders—but reserves the right to select no Bidder or more than one Bidder—that best meet(s) the District’s needs to provide the Products as described in this RFP. From the Bidders that provide Proposals to the District, the District may, at its discretion, interview some or all of those Bidders. One or more Bidders may be selected (“Successful Bidder”). The Successful Bidder will be selected based on qualifications and demonstrated competence that include relevant experience with public agencies, including local agencies, and a proven track record of success for these types of Products. Proposals will be evaluated separately and will be awarded to one or more Bidders based on the highest scored Proposal. The Evaluation Criteria, Descriptions, and Point Scoring are listed in Attachment 3. The contract awarded through this bid will be non-exclusive, meaning that the District may purchase, at its discretion, food service supplies from other vendors throughout the contract if it deems necessary.

**Previous Performance** – Bidders are advised that the District reserves the right to reject a Proposal from a Bidder that cannot demonstrate the ability to provide the goods or services required. Bidders who have demonstrated unsatisfactory performance may be subject to disqualification as a responsible Bidder submitting a Proposal, thereby disqualifying the Bidder from contract award.

### **Terms and Conditions**

**In addition to the following, this RFP is subject to the terms of the Contract attached and included herewith.**

**Acceptance of Proposals** – The District reserves the right to reject any or all Proposals and to select individual items. Proposals may be rejected on grounds of non-responsiveness or non-responsibility. The District does **NOT** guarantee that all items shown on this Proposal will be purchased. The right is reserved to purchase additional quantities at the Proposal prices during the contract period. It is not intended that large variations from the listed quantities will be made, but quantity additions or deletions shall be at the option of the District. No oral or telephonic modification of any Proposal submitted will be considered and a telegraphic modification may be considered only if the postmark evidences that a confirmation of the telegram duly signed by the Bidder was placed in the mail prior to the opening of Proposals.

**Anti-discrimination** – Bidder shall certify that it is an Equal Opportunity Employer and has made a good faith effort to improve employment of people from historically disadvantaged groups and agrees to meet Federal and State guidelines. No discrimination shall be made in the employment of persons upon public works in this project because of the sex, race, color, national origin or ancestry, religion, or handicap of such personnel.

**Authorized Distributor** – Successful Bidder must be an Authorized Distributor for the product offered, or with Bidder’s quote, Bidder must submit documentation from an Authorized Distributor from whom Bidder has purchased the specified materials.

**Proposal Negotiations** – A Proposal response to any specific item of this Request for Proposal with terms such as “negotiable,” “will negotiate,” or similar, will be considered non-responsive to that specific item.

**California Public Records Act** – Responses to this RFP will become the property of the District and subject to the California Public Records Act, Government Code sections 7920.000 et seq. Those elements in each response that are trade secrets as that term is defined in Civil Code section 3426.1(d) or otherwise exempt by law from disclosure and which are prominently marked as “TRADE SECRET,” “CONFIDENTIAL,” or “PROPRIETARY” may not be subject to disclosure. The District shall not be liable or responsible for the disclosure of any such records including, without limitation, those so marked if disclosure is deemed to be required by law or by an order of the Court. A Bidder that indiscriminately identifies all or most of its response as exempt from disclosure without justification may be deemed non-responsive. In the event the District is required to defend an action on a Public Records Act request for any of the contents of a response marked “Confidential,” “Proprietary,” or “Trade Secret,” the Bidder agrees, by submission of its response for the District’s consideration, to defend, hold harmless, and indemnify the District from all costs and expenses, including attorneys’ fees, in any action or liability arising under the Public Records Act.

**Cancellation of Solicitation** – The District may cancel this solicitation at any time.

**Clarification, Corrections or Changes to Specifications** – All clarifications, corrections, or changes to the solicitation documents will be made by Addendum only. Bidders shall not rely upon interpretations, corrections, or changes made in any other manner, whether by telephone, in person, or in email. Interpretations, corrections, and changes shall not be binding unless made by the Addendum. All Addenda issued shall become part of the Agreement documents. Addenda will be sent to all known solicitation holders by email or U.S. mail. It is the Bidder's sole responsibility to ascertain that it has received all Addenda issued for this solicitation. The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits Bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A Bidder who "engages in investment activities in Iran" is defined as either:
