Local Control Funding Formula Equity Multiplier

Additional funding available to local educational agencies (LEAs) for evidence-based services and supports for students at select schoolsites.

Overview

The Local Control Funding Formula (LCFF) Equity Multiplier (Equity Multiplier) provides additional funding to local educational agencies (LEAs) for allocation to schoolsites with prior year nonstability rates greater than 25 percent and prior year socioeconomically disadvantaged pupil rates greater than 70 percent. Pursuant to [California Education Code \(EC\) 42238.024](#), Equity Multiplier funding is required to be used to provide evidence-based services and supports for students at these schoolsites. LEAs are also required to document the efforts to improve outcomes for students at these schoolsites beginning with the 2024–25 Local Control and Accountability Plan (LCAP).
