Meeting Procedures

All Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

(cf. 9322 - Agenda/Meeting Materials)

The President shall conduct Board meetings in accordance with law, Board Bylaws, and its parliamentary authority which shall enable the Board to efficiently consider issues and carry out the will of the majority.

(cf. 9121 - President)

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned not later than 11:00 p.m. unless the Board agrees to extend the meeting, which may only be done once by 45 minutes.

(cf. 9320 - Meetings and Notices)

Quorums

Four members shall constitute a quorum for the transaction of business at all meetings of the Board. A majority of the members of a committee shall constitute a quorum for the transaction of business at a meeting of a committee. If a quorum is not present within fifteen minutes after the hour set for any public meeting, except when the Board is in Closed Session, the President or Chair may adjourn the public meeting to the next half-hour. Should a quorum fail to be present at the expiration of the latter half-hour, the President or Chair may adjourn the meeting to a specified time and date. If no member of the Board or committee is present, after 45 minutes, the Superintendent or designee may adjourn the meeting.

Limits on Debate in a Board Meeting or in Board Committee

No member of the Board shall speak for more than three (3) minutes on any subject matter pending before the Board or in committee without the consent of the President or of the Chair or of a majority of the Board or committee membership. If additional time is granted any member, additional equal time shall be granted to any other member desiring it. A member may not yield any unexpired portion of time to another member or reserve any portion of the time for a later time. If a member yields to another member for a question, the time consumed by the question shall be charged to the member who has yield.

No member shall speak twice or more on the same subject matter, at a Board meeting or in a committee meeting, except when all members desiring to speak have spoken at least once. The second or more round of speaking on the subject matter shall be limited to a maximum of three (3) minutes per member unless such time is extended by the President or the Chair or the majority of the Board or committee membership.

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or, at regular meetings, a matter within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board either before or during the Board's consideration of each item of business at regular or special meetings. (Education Code 35145.5, Government Code 54954.3) Public comment shall be taken consistent with Board Bylaw 9322 (Agenda/Meeting Materials).
2. At regular meetings of the Board, the Board shall reserve time on each agenda for the president of each of the District's bargaining units, or his or her designee, to address the Board on behalf of the unit regarding any item of business on the agenda or not on the agenda.
3. Consistent with Board Bylaw 9322 (Agenda/Meeting Materials), members of the public may bring before the Board matters that are not listed on the agenda. The Board may refer such a matter to the Superintendent or designee or take it under advisement, but shall not take action at that time except as allowed by law. The matter may be placed on the agenda of a subsequent meeting for action or discussion by the Board. (Education Code 35145.5, Government Code 54954.2)
4. Without taking action, Board members or District staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or

staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

5. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard it, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

(cf. 9130 - Board Committees)

6. A person wishing to be heard by the Board shall first be recognized by the President and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed up to three minutes to address the Board. With Board consent, the President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

7. The President may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the President may indicate the time and place when it should be presented.

The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts or omissions. (Government Code 54954.3) In addition, the Board may not prohibit public criticism of District employees.

8. The President shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the Chair to terminate the privilege of addressing the Board. The Board may remove disruptive individuals and order the room cleared if necessary; in this case, members of the media not participating in the disturbance shall be allowed to remain, and individual(s) not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

Recording by the Public

The Superintendent or designee shall designate locations from which members of the public may broadcast, photograph, or tape record open meetings without causing a distraction.

If the Board finds that noise, illumination or obstruction of view related to these activities would persistently disrupt the proceedings; these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)
