MEASURE N 2022-2023 CARRYOVER PLAN								
School Name	MEASURE N/H ADMINISTRATIVE TEN PERCENT			Site Number	912			
Why were you unable to expend all your funds in the 2022-2023 school year?	We were left with a balance of Measure N funding at the end of the 2022-2023 school year for a variety of reasons: 1) we have allocated a substantial amount for strategic carryover for the 23-24 school year (\$341,909) 2) we had two Pathway Coach vacancies last year, one for a partial year, and one for a full year 3) we were unable to hold Measure N Best Practices event, which resulted in a positive balance for our allocation for teacher stipends, facility rental, refreshments, and supplies. 4) one contract for professional services came in under budget, while another was contract was eliminated due to Measure N staff having the skill set and capacity to complete the work of the Measure N Annual Report in-house 5) Measure N staff was able to complete key bodies of work remotely, which did not necessitate travel to school sites and left a positive balance for mileage reimbursements 6) we were unable to identify clerical staff for additional work via ET/OT 7) expenditures for technical equipment for Measure N staff was deferred to 23-24 because the purchasing deadline was in March and we didn't make the purchases in time 8) fewer OUSD staff staff were able to attend professional conferences as previously expected							
Total Measure N Funds Received in Fiscal Year 2022-2023 <i>(including accumulated carryover from previous years)</i>		\$1,859,520.49	Projected Carryover Amount from Fiscal Year 2022-2023		\$713,029.97
