Proposed Expenditures

Guidelines

- 1. In the following sections, please discuss your team's plan to address the goals of G1:
 - a. Increase access to courses in arts, music, and world languages in grades 6-8.
 - b. Improve student retention during the transition from elementary to middle school.
 - c. Create a more positive and safe middle school learning environment.
- 2. Please explain how you plan to use the Measure G1 funds to meet the goals, as measured in the METRICS section of this proposal.
- 3. Add additional lines as needed.
- 4. The total of all items should equal the amount listed in "Recommended Grant Amount" on page 1
- 5. Expenditures must supplement, not supplant expenditures made from other funding sources. In other words, Measure G1 funds must be used for new expenditures, expenditures already funded from Measure G1, expenditures previously paid for by a funding source that has ended, or to pay for an expenditure that would have been cut, were it not for Measure G1 funds.

Family Leadership Council-3/11/24

Lazear Vision

At Lazear Charter Academy we are change agents who use quality education as a tool to dismantle systems of oppression. We exist because of the power, resilience, and love of the families of the Fruitvale, and we leverage that strength in all we do. Guided by love and connection, we develop whole people with the belief that our academic, social, and emotional potential is unlimited. We know that access to opportunity and an equitable education is our human right and we use a multidisciplinary STEAM program to cultivate empathetic systems thinkers and lifelong learners who ask critical questions, create innovative solutions to complex problems, and express ideas confidently. This approach empowers world citizens who advocate for equity, justice, and the change we want to see in the world.

Lazear GREaT Values			
Ganas	Responsibility	Empathy	Team
We hold the highest expectations for students and ourselves. We support each other by collaborating, valuing contributions, and asking for/receiving help. We focus on what is within our control and hold an asset based mindset.	We are data driven and responsive to data. We lead by example. We are punctual, prepared, and ready to positively and productively contribute.	We seek to understand other perspectives. We assume positive intent. We consider our impact in our approach.	We practice thoughtful and direct feedback. We value all people and intentionally build relationships. We celebrate successes big and small.

Agenda

Brainstorm & Discussion	Next Year/ Measure G1 Funds	 Measure G1 Funds Clarifying what G1 funds and what it won't fund Create a more positive and safe middle school learning environment Increase access to courses in arts, music, and world languages in grades 6-8 Improve student retention during the transition from elementary to middle school

 What did it fund this year (PBIS, RJ, MTSS) and do we want to continue with this investment? Looking at inclusion and belonging survey data, what skills might we need to add and how should we add them?
General Reflection from This Year
• Stop
 6th-8th Culture Can we increase the funds because we have far more ideas beyond what the current amount is. If we cannot increase the funds than we need to prioritize the existing position that funds PBIS/RJ/MTSS. Important to at least maintain current FTE/(PBIS, RJ, MTSS) as supported through G1 funds; possible to increase? Would not want to change where G1 funds are going if not another way to financially support those systems Need to identify key skills to teach students Need to continue to refine CICO and focus on improved Tier 2 and Tier 1 SEL and behavioral supports

Next Steps

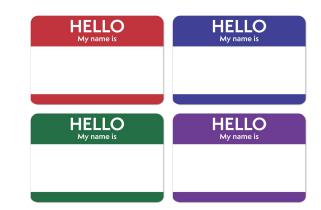

- Kaitlin to complete G1 application -
- More site planning engagement to be scheduled

Dear Families,

To help us know which students might need additional support, the students complete screening tests up to three times each year. These tests help teachers see which students are likely to meet the end of year learning goals, and which ones need more help.

Assessments Used at Lazear				
aReading: 3–8	Student completes 30-60 computer-based reading questions that are selected based on the student's grade and skill level.			
CBMreading: 1–5	Student reads out loud for one minute while the teacher records any errors.			
earlyReading: K–1	Student completes four subtests that measure letter names, letter sounds, as well as word and sentence reading.			
aMath: 3–8	Student completes 30 computer-based math questions based on the student's grade and skill level.
