## Proposed Expenditures

## Guidelines

1. In the following sections, please discuss your team's plan to address the goals of G 1 :
a. Increase access to courses in arts, music, and world languages in grades 6-8.
b. Improve student retention during the transition from elementary to middle school.
c. Create a more positive and safe middle school learning environment.
2. Please explain how you plan to use the Measure G1 funds to meet the goals, as measured in the METRICS section of this proposal.
3. Add additional lines as needed.
4. The total of all items should equal the amount listed in "Recommended Grant Amount" on page 1
5. Expenditures must supplement, not supplant expenditures made from other funding sources. In other words, Measure G1 funds must be used for new expenditures, expenditures already funded from Measure G1, expenditures previously paid for by a funding source that has ended, or to pay for an expenditure that would have been cut, were it not for Measure G1 funds.

| Description of Proposed Expenditures | Which metric will this investment impact suspensions or average daily attendance? | Budget Amount |
| 1 FTE School Social Worker <br> Wellness programming highlights from 2023-24 YTD: <br> * 79 students received 1-on-1 Wellness support including crisis intervention, suicide risk assessment, group counseling, and case management <br> * Expanded language capacity of Wellness staff by ensuring that FTE School Social Worker is Spanish bilingual <br> * Utilizing 2 counseling interns, and 1 Associate Marriage and Family Therapist (AMFT). <br> * Weekly student counseling groups on topics such as managing emotions, building confidence, and social skills. <br> * Continuation of weekly Attendance Committee and related monthly initiatives to encourage and support good attendance <br> * Focus on family system supports-- ensuring that families have connections to support services related to health and economic issues (food security, rental assistance, legal advocacy, tenant rights, etc) <br> * Suicide prevention curriculum presented in all student advisories and at parent community dinner <br> * Immediate and thorough response to nationwide increase in adolescent suicidality - 8 risk assessments done and safety plans developed <br> * Home visits to engage disengaged students | 1) Maintain high number/percentage of students referred for mental health services being served, maintain 0\% of students on the waiting list. With the continuation of our 1.0 FTE Bilingual School Social Worker, we will be able to support more students and families, at a deeper level, than ever before. In addition to individual counseling and crisis intervention, we will continue to focus more on bullying prevention, parental support, family sessions, and addressing chronic truancy. We look forward to continuing this staffing level to address the needs of our students and families. <br> 2) Decrease number and percentage of suspensions and expulsions <br> In 2022-23 we had a suspension rate of $0 \%$. lin 2023-2024 to date, we have a suspension rate of $1 \%$. We believe this continued low rate can be attributed to the very intensive and long-term work Wellness staff, in collaboration with others, have been able to do with students and families to promote safer behaviors, provide psychoeducation on the needs of our students, help teachers and parents support those needs better, preemptively resolve conflicts, and find appropriate alternatives to suspension. We look forward to maintaining this low suspension | \$54,010 |

|  | decrease by 5\%) <br> Our 2021-22 chronic absence rate is at <br> around 31\%. This is significantly higher <br> than years past, which we largely attribute <br> to the continued disruption caused by the <br> COVID-19 pandemic. <br> In 2022-23, our chronic absence rate is at <br> around 18\%-- nearly making our goal. <br> To date in 2023-24, our chronic absence <br> rate is around 12\%. We look forward to <br> continuing to leverage the intensive efforts <br> of the Attendance Committee, including the <br> School Social Worker, who provides <br> individualized outreach and support to all <br> families impacted by or at risk of chronic <br> truancy. As a school we have continued <br> attendance initiatives including: <br> personalized phone calls, rides to school, <br> home visits, attendance planning <br> conferences, student incentives for good <br> attendance, parental incentives for good <br> attendance, monthly attendance mailings, <br> and attendance competitions. <br> Since we know that good attendance is <br> absolutely critical to feeling safe at school <br> and achieving academic success, we plan <br> to continue our strong focus on this goal in <br> the 2024-25 school year. |

## oullns vision

OUMS is a small, safe, and supportive school. High expectations of all stakeholders create an environment in which students develop the academic skills and SHARP habits to succeed in the future.

OUMS is committed to dismantling the culture of white supremacy and fighting for inclusion, diversity, access, and justice through our systems, words, reflections, and actions.

OUMS staff offer unwavering support and cultivate a nurturing school experience that is enjoyable, engaging, equitable, and empowering.

OUMS students courageously apply
their knowledge and experience to positively contribute to their community and our world.

OUMS Staff Interaction Norms 23-24

- Take care of yourself in order to be your best self
- Listen intentionally, be present and solutions-oriented
- Let's all grow together: offer support if you can, ask for it when you need it
- Ask questions before making assumptions
- Be mindful of creating space for everyone
- Acknowledge and celebrate what is working
